## Passing the Federal Budget

The President sends Congress a budget message with estimates, spending priorities, & plan for taxes.

The House and Senate pass budget resolutions that outline spending & taxes for next 5 years.

The House and Senate pass bills authorizing spending, which must meet spending limits.

The President can either sign the budget bill into law or veto it.

If vetoed, Congress can override the bill or override.

Four years ago, our fathers dedicated this cemetery to those who died for their country.

The civil war test to see if a democracy will work. We are dedicating this cemetery to those who died for their country.

### The Gettysburg Address

But, in a larger sense, we can not dedicate this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for the living, rather, that they dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is for them, that we are here today. Their great task, remaining before us -- that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion -- that the nation, so greatly advanced by their sacrifice, may yet fulfill that noble mission -- that this nation, under God, shall have a new birth of freedom -- and that government of the people, by the people, for the people, shall not perish from the earth.
