Socially Concerned Today:

Socially Responsible Plastic David Crowther, Farzana Quoquab, 2023-03-28 The chapters look at socially responsible plastic in countries ranging from China Malaysia Pakistan Spain Australia and India to Sri Lanka Nigeria and Bangladesh with research covering tourism waste management the food and drink industry and the possible advantages of responsible plastic use

The Complete Idiot's Guide to Socially Responsible Investing Ken Little, 2008-03-04 Today's hottest investing trend More than ever people want their money investments to reflect their personal or political leanings But how do they find out which companies are socially responsible Do these green investments perform as well as traditional investments How can they protect themselves from mutual funds or 401Ks that are managed without the future in mind All these questions and more are answered by an international expert who founded the SRI World Group one of the largest information services on SRI Includes detailed information about SRI its history and where it's headed Explains the criteria used to evaluate a company's level of social responsibility Compares performance of SRI to traditional investments

Socially Responsible Literacy Paula M. Selvester, Deborah G. Summers, 2015-04-26 This book offers a new vision for teaching literacy to adolescents that moves beyond reading for its own sake and toward reading as a way to motivate students to connect with their world The authors draw on the voices of adolescent readers to discover how teachers can encourage their students to explore their identities face injustices and contribute to their communities Readers learn how to incorporate the core issues of a socially responsible pedagogy into their own curricula to support strong literacy skills across the content areas Each chapter includes reflection questions that move the reader toward personal and professional development along with classroom applications that provide specific strategies and ideas for engaging literacy projects This dynamic book Outlines a socially responsible pedagogy that will assist teachers in creating meaningful experiences to motivate even the most disengaged students takes a critical approach to teaching and learning that recognizes the importance of explicitly addressing issues of power and identity examines effective school wide models that promote a climate of responsibility toward the larger society

Social Concern and Left Politics in Jewish American Art Matthew Baigell, 2015-04-03 This book explores the important and barely examined connections between the humanitarian concerns embedded in the religious heritage of Jewish American artists and the appeal of radical political causes between the years of the Great Migration from Eastern Europe in the 1880s and the beginning of World War II in the late 1930s Visual material consists primarily of political cartoons published in leftwing Yiddish and English language newspapers and magazines Artists often commented on current events using biblical and other Jewish references meaning that whatever were their political concerns their Jewish heritage was ever present By the late 1940s the obvious ties between political interests and religious concerns largely disappeared The text set against events of the times the Russian Revolution the Depression and the rise of fascism during the 1930s as well as life on New York's Lower East Side includes artists' statements as well as the thoughts of religious literary

and political figures ranging from Marx to Trotsky to newspaper editor Abraham Cahan to contemporary art critics including Meyer Schapiro Socially Responsible Investment Enrique Ballester, Blanca Pérez-Gladish, Ana

García-Bernabeu, 2014-11-18 This book integrates socially responsible investment into modern portfolio theory from a multi criteria perspective Socially responsible investment is a new deal championed by the institutional investment and bank sectors agents that influence mutual funds and other collective investment schemes and which fear that financial strategies without ethical constraints can harm sustainable growth and prosperity The book shows how to combine financial criteria such as profitability and risk with non financial criteria such as the protection of the ecosystem responsible consumption of energy and healthcare campaigns The book's first part presents critical issues in ethical investment while the second explains in detail the application of goal programming techniques for SRI funds illustrating their use in actual cases Part three demonstrates how compromise programming can be applied in the contexts of portfolio selection and risk management Finally in its fourth part the book examines the application of other decision making support methods like the Analytic Hierarchy Process AHP framework the Reference Point Method and soft computing techniques for portfolio selection

CSR and Socially Responsible Investing Strategies in Transitioning and Emerging Economies Kuna-Marszałek, Anetta, Kłysik-Uryszek, Agnieszka, 2020-01-17 One of the most important activities of enterprises today is responsible entrepreneurship Corporate social responsibility CSR activities can help to forge a stronger bond between employees and corporations can boost morale and can help both employees and employers feel more connected with the world around them Moreover the growing importance of this concept results from the fact that it is perceived as an effective tool for increasing competitiveness improving the image of the company or contributing to the generation of higher profits In today's world an active commitment to social responsibility is becoming more common for a company CSR and Socially Responsible Investing Strategies in Transitioning and Emerging Economies is an essential reference source that identifies the scale and scope of implementation of CSR and socially responsible investing strategies and standards in companies operating in different transitioning and emerging economies as well as assessing the global effects of these activities Featuring research on topics such as economic growth responsible investing and business ethics this book is ideally designed for managers executives directors corporate professionals government officials industry leaders academicians students and researchers in the fields of international economics international business marketing finance management and public relations **Socially**

Responsible Finance and Investing H. Kent Baker, John R. Nofsinger, 2012-08-31 A detailed look at the role of social responsibility in finance and investing The concept of socially responsible finance and investing continues to grow especially in the wake of one of the most devastating financial crises in history This includes responsibility from the corporate side corporate social responsibility as well as the investor side socially responsible investing of the capital markets Filled with in depth insights and practical advice Socially Responsible Finance and Investing offers an important basis of knowledge

regarding both the theory and practice of this ever evolving area of finance As part of the Robert W Kolb Series in Finance this book showcases contributed chapters from professionals and academics with extensive expertise on this particular subject It provides a comprehensive view of socially responsible foundations and their applications to finance and investing as determined by the current state of research Discusses many important issues associated with socially responsible finance and investing like moral hazard and the concept of too big to fail Contains contributed chapters from numerous thought leaders in the field of finance Presents comprehensive coverage starting with the basics and bringing you through to cutting edge current theory and practice Now more than ever we need to be mindful of the social responsibilities of all investment practices The recent financial crisis and recession has changed the financial landscape for years to come and Socially Responsible Finance and Investing is a timely guide to help us navigate this difficult terrain *Socially Responsible Investment Law* Benjamin J Richardson,2008-06-30 Environmental harm is commonly associated with companies that extract consume and pollute our shared natural resources Rarely are the unseen polluters the financiers that sponsor and profit from eco damaging corporations placed at the forefront of the environmental debate By focusing on these unseen polluters Benjamin Richardson provides a comprehensive examination of socially responsible investment SRI and offers a guide to possible reform Richardson proposes that greater regulatory supervision of SRI will help ensure that the financial sector prioritizes ethically based investments In *Socially Responsible Investment Law* he suggests that new governmental reforms should encourage companies to participate in socially responsible investments by providing a better mix of standards and incentives for SRI through measures that include redefining the fiduciary responsibilities of institutional investors to incorporate environmental concerns By doing so Richardson posits that corporate financiers including banks hedge funds and pension plans will become more accountable to the goals of ensuring sustainable development **Today's Nursing Leader** Marilyn B. Klainberg,Kathleen M. Dirschel,2010-08-24 This unique text is the perfect fit for courses in nursing management and leadership or for nursing capstone courses It takes traditional topics and frames them within the authors personal approach based on years of preparing students for professional nursing practice This book also discusses the many ways that nurses can become leaders as well as the many roles they can take The material has been organized and written especially for today s students and uses real life vignettes to showcase leadership and humanize nursing leaders The book covers such specific topics such as IT best practices leadership theories legal aspects and development of strong leadership The questions at the end of each chapter help focus the student to key points in the book and topics are intended to spark interest and encourage students to pursue leadership roles **Consumer Mental Health and Wellbeing: Socially Responsible Consumption Patterns** Umair Akram,Heesup Han,Qiaolei Jiang,Guoqun Fu,2023-10-17 **Dealing with Socially Responsible Consumers** Jishnu Bhattacharyya,2023-01-01 This book contains a collection of teaching cases that study and emphasise how twenty first century businesses address and satisfy the needs and wants of socially conscious

consumers while remaining profitable This book explores the practise of marketing for societal benefit through real life case studies It provides a critical understanding of marketing approaches such as social marketing sustainability marketing and other practises of a similar nature This book is made up of both long and short real life cases from various industries with varying degrees of difficulty *Mother Jones Magazine*, 1999-01 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

An Investor's Guide to Ethical & Socially Responsible Investment Funds John Hancock, 2005 Ethical investment has made great strides in recent years but many professional investors and most IFAs from whom the majority of the public still get their investment advice remain unsure about this fast growing sector This book helps professionals to Understand the ethical dimension in investment and in particular the economic and investment value considerations that underpin investments with an ethical and socially responsible focus Include consideration of the ethical dimension in their know your client process Analyse and summarise their client s ethical concerns and priorities and how these translate to investment considerations Select ethical and socially responsible funds whose profiles best match their clients concerns and priorities **Corporate Social Responsibility Agenda, The: The Case For Sustainable And Responsible Business** Olivier Delbard, 2020-01-14 Corporate Social Responsibility CSR has become a buzzword in management today And yet skepticism often prevails as CSR is often associated with traditional philanthropic practices enabling companies to greenwash their unethical social and environmental practices This book offers a fresh view on today s CSR from both historical and geographical perspectives Exploring its roots and theoretical developments in the US the author then focuses on how CSR has spread across the world first in Europe and later in the developing world An updated overview of today s CSR agenda is provided with a focus on four key issues stakeholder inclusion employee engagement and social dialogue human rights and environmental sustainability With the support of multiple cases and examples taken from various continents and industries the book adopts a sustainability driven perspective based on the belief that the future of CSR lies in the strategic embeddedness of key issues into the company s value chain Finally the book attempts to draw the contours of tomorrow s CSR by proposing a new terminology reflecting the current evolution of CSR *Socially Responsible Investment in the 21st Century* Celine Louche, Tessa Hebb, 2014-05-23 Does Socially Responsible Investment SRI affect society in the 21st century This book explores various facets of SRI to address its potential and limits to create societal change Little research has been undertaken on the societal impacts of SRI With this book we contribute to this debate pushing the boundaries of SRI even further *Current Global Practices of Corporate Social Responsibility* Samuel O. Idowu, 2021-07-07 This book addresses the status quo of Corporate Social Responsibility practices and their development since 2008 How have things changed in the practice of CSR What new opportunities and challenges have arisen The book reports on an international set of cases and case studies on how CSR is practiced at business and organizations in various countries It analyzes country specific and

industry specific issues as well as general global issues in connection with the United Nations Sustainable Development Goals The contributions gathered here provide comprehensive information on CSR for both practitioners and researchers around the globe

The Performance of Socially Responsible Investment Funds in Europe Eva Maria

Kreibohm,2016-11-30 Socially responsible investing SRI is an investment approach that combines investors financial as well as nonfinancial goals in the security selection process Technically investors can engage in SRI either by directly investing in companies that implement corporate social activities or by investing their money in SRI funds which apply screening criteria to select securities The screening process applied by the SRI funds has led to controversy among academics regarding whether the use of SRI screens in the security selection process influences the financial performance of the funds The empirical study analyzes whether or not the screening process applied by such funds influences their financial performance Previous research mostly has focused on analyzing the performance of SRI equity funds established in the United States The study at hand not only includes SRI equity funds but also SRI balanced and fixed income funds established in Europe the biggest market for SRI globally The study provides unexpected results that are not only of interest for investors who want to get a better understanding of the effect on the financial performance of their portfolios in case SRI funds are added The results are also relevant for SRI fund managers who are interested in promoting their funds and attracting new investors and for academics whose research interests are e g located in the fields of SRI fund portfolio performances and market efficiencies

Ethics and Socially Responsible Investment Dr William Ransome,Professor Charles Sampford,2013-02-28

This volume breaks new ground by approaching Socially Responsible Investment SRI as an explicitly ethical practice in financial markets The work explains the philosophical and practical shortcomings of long term shareholder value and the origins and conceptual structure of SRI and links its pursuit to both its deeper philosophical foundations and the broader multi dimensional global movement towards greater social responsibility in global markets Interviews with fund managers in the Australian SRI sector generate recommendations for better integrating ethics into SRI practice via ethically informed engagement with invested companies and an in depth discussion of the central practical SRI issue of fiduciary responsibility strengthens the case in favour of SRI The practical and ethical theoretical perspectives are then brought together to sketch out an achievable ideal for SRI worldwide in which those who are involved in investment and business decisions become part of an ethical chain of decision makers linking the ultimate owners of capital with the business executives who frame advocate and implement business strategies In between there are investment advisors fund managers business analysts and boards The problem lies in the fact that the ultimate owners are discouraged from considering their own values or even their own long term interests whilst the others often look only to short term interests The solution lies in the latter recognising themselves as links in the ethical chain

Socially Responsible International Business Leonidas C. Leonidou,Constantine S.

Katsikeas,Saeed Samiee,Constantinos N. Leonidou,2019 Acting in a socially responsible manner has become a crucial

success factor for many international firms due to the highly complex competitive and volatile global environment in which they operate This book will contribute new ideas contemporary knowledge and original research to the area of socially responsible international business and offers challenging directions for future research Topic covered range from global environmental influences on acting in a socially responsible way foreign buyer reactions to responsible business and international market targeting to development of socially responsible international business strategies

Culturally and Socially Responsible Assessment Catherine S. Taylor, Susan Bobbitt Nolen, 2022 This book addresses a problem that affects the work of all educators how traditional methods of assessment undermine the capacity of schools to serve students with diverse cultural and social backgrounds and identities Anchored in a commonsense notion of validity this book explains how current K 12 assessment practices are grounded in the language experiences and values of the dominant White culture It presents a timely review of research on bias in classroom and large scale assessments as well as research on how students level of engagement influences their performances The author recommends practices that can improve the validity of students assessment performances by minimizing sources of bias using culturally responsive assessment tools and adopting strategies likely to increase students engagement with assessment tasks This practical resource provides subject specific approaches for improving the cultural and social relevance of assessment tools and offers guidance for evaluating existing assessment instruments for bias language complexity and accessibility issues Book Features Research based recommendations for improving assessment fairness validity and cultural social relevance Practices that have been shown to improve the effectiveness of classroom assessments in supporting student learning Concrete examples of how to create culturally relevant assessment tasks that target valued learning goals in language arts mathematics social studies and science classrooms Appendixes that provide tools educators can use to improve grading practices
