don't work anymore to discover yourself and the infinite potential for your life. Your challenge is to release your fears and surrender fully to Spirit, trusting that no matter what you are, where you're meant to be. It's in these as yet undiscovered places within us that we come to recognize our authentic selves, what we can be and what we can co-create with Spirit. We need a different kind of map, not one that tells us where we've been but one we fill in as each new experience changes us into who we need to be to live our destiny. In this book, you'll learn to draw your own Map of the soul as spiritual cartographer Colette Baron Reid guides you through the five interconnected realms of co-creation and self-evolution. You'll connect to your intuition in the Realm of Spirit and meet your ego in the Realm of Mind. In the Realm of Light, you'll experience transformation as you illuminate the darkness, reclaim lost parts of yourself and reprogram your subconscious. Then you can consciously direct the forces influencing you in the Realm of Energy before seeing the results of your self-evolution manifested in the material world in the Realm of Form. At every step, you learn to harness your personal power, break patterns of suffering and make friends with uncertainty as you venture into the uncharted where magic happens. A Place of Grace for Moms of Littles: Live Sanctified and Set-free Through Christ in the Midst of Crazy, Busy Mom Life Alexandra Jensen, 2024-05-28

Motherhood is a gift and we know our children are a blessing. Psalm 127:3 but some moments in motherhood feel monotonous, stressful and overbearing. Mamas, we need to lean in on Jesus Christ like never before. By cultivating hearts of thanksgiving by purifying our lives and by adopting daily disciplines that reorient the arrows of our hearts to point toward Jesus, we can be more than conquerors. Romans 8:37. A Place of Grace for Moms of Littles will help you connect with God's heart. It will lead you in a sanctification process that implores you to depend on God's love and grace and not yourself. Let Jesus be your guide through God's Word and prayer. Use this book to comfort you and call you to rise to the occasion of your calling as a daughter of Christ and a mother of littles. The London, Edinburgh, and Dublin Philosophical Magazine and Journal of Science, 1864
