Christianity in a Post-Christian World W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative *Paperbound Books in Print* 1995 Reed Reference

Publishing, Reference Reed, 1995-12 *The Hole in Our Gospel World Vision 75th Anniversary* Richard Stearns, 2025-02-04 Richard Stearns shows that the Bible boldly speaks that there is no whole gospel without compassion and justice shown to the poor With more than 260 000 copies sold *The Hole in Our Gospel* continues to impact readers worldwide and this new edition includes updated statistics photos and a foreword from the current World Vision president Is our faith only about going to church studying the Bible and avoiding the most serious sins Or does God expect more Have we embraced the whole gospel or a gospel with a hole in it More than twenty years ago Rich Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns's journey took much more than a long flight to Africa It took answering God's call on his life a call that tore him out of his corner office at one of America's most prestigious corporations to walk with the poorest of the poor in our world Stearns's compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us With more than 260 000 copies sold this revised and updated edition will be part of World Vision's 75th anniversary
