centrality and universality of the Psalms Those who study the Psalms should have a spirit of seeking the Lord of wanting Him thirsting for Him pursuing Him desiring Him asking for Him and inquiring regarding Him Furthermore this Christ is found in God s dwelling place To know Christ in a full way we must know Him in the house of God which is the church as God s dwelling place and in the city of God which is the church as God s kingdom The church is the enlargement expansion reproduction surplus fullness and expression of Christ for His glory Eventually the church consummates in the New Jerusalem which also is Christ The enlargement of His house to become the city the kingdom in reality provides the Lord the ground to return and reclaim the earth from the usurping hand of Satan The progression of the revelation through the books of the Psalms is summed up in four words Christ house city and earth Our goal in studying the Psalms should be to experience Christ for the building up of the church as the house and the city so that the Lord will have a beachhead in order to come back and reclaim the earth According to God s view having a group of people who exalt Christ and become the church as the house and the city will provide Him a way to repossess the entire earth Therefore the deepest burden of this study of the Psalms is the fulfillment of the first and last verses of Psalm 8 O Jehovah our Lord How excellent is Your name In all the earth The Announcements section of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe **Nicene & Post-Nicene Series 2**

A Theology of Paul the Apostle, Part One G. Roger Greene, 2023-07-21. The legacy of Paul looms large in all Christian theology. While the study of Paul is not a simple task, proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix. The work Theology of Paul the Apostle is presented in two parts. Part One, Paul's Eschatological Gospel, addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ. Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco-Roman world. Part Two, Cross and Atonement, examines a perennial storm center within Paul's theology from both an

exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul s theology and the understandings of Paul must be established point by point Paul s theology has continuing relevance within the very different matrix of a postmodern world *The New Adam* Ron Highfield,2021-04-23 Have you ever found yourself repeating expressions such as Jesus saves or Jesus died for our sins without really understanding them When popular speakers explain how Jesus s death satisfied God s wrath so you could be forgiven do you ever think to yourself I don t get it If so you re not alone you re not dumb and the problem is not with you Ron Highfield reframes Christian teaching about the atonement so that it comes alive with fresh meaning Drawing on biblical and traditional sources Highfield explains why our frustration in trying to understand how Jesus s death satisfies God s judicial wrath is inevitable because the idea doesn t make sense and the Bible doesn t teach it Instead of viewing the atonement as the solution to God s problem of how to forgive sins while remaining perfectly just Highfield argues that the atonement is God s solution to our problem In Jesus God rewrites the human story forgiving our sins correcting our mistakes and realizing our destiny As one of us Jesus lives a perfect life passes through death and enters into eternal life As the new Adam he invites us to join his family share his life and enjoy his victory **The Drama of Scripture** Craig G. Bartholomew,Michael W. Goheen,2014-07-08 This bestselling textbook surveys the grand narrative of the Bible demonstrating how the biblical story forms the foundation of a Christian worldview The second edition has been thoroughly revised Additional material is available online through Baker Academic s Textbook eSources offering course help for professors and study aids for students Resources include discussion questions a Bible reading schedule an adult Bible class schedule and a course syllabus **Black Treasure in Mississippi** Florence Virginia Wilkins Coleman,2007-12-01
