Stroud,2013-06-06 In 1940 a group of artists sculptors film makers theatre designers and set painters came together to form the Camouflage Unit They were so successful that in August 1942 Montgomery ordered them to to hide the preparations for the Battle of Alamein In six weeks two entire divisions were conjured from the sand while real units stores and men vanished into thin air Then right in front of the German s eyes they made 600 tanks disappear and reappear fifty miles away disguised as lorries Rommel had been bamboozled by an army made of nothing but string and straw and bits of wood The War Magician David Fisher,2023-04-18 Based on an extraordinary true story and soon to be a major film produced by and starring Benedict Cumberbatch The War Magician is the remarkable tale of the man who used the powers of illusion to fight the Nazis and created the most remarkable feat of legerdemain since the Trojan Horse How an Illusionist Changed the Course of World War II When England went to war against Hitler in 1939 it mobilized its entire military and industrial resources But there was no place in that vast army for legendary stage magician Jasper Maskelyne whose family was renowned for creating modern theatrical illusions Maskelyne was determined to fight the Nazis using his only weapon he intended to apply the techniques of popular magic to the battlefield Initially ignored and ridiculed by the staid military leadership he eventually cajoled his way into the Camouflage Section and was sent to the western desert where he created a new type of warfare With his small group of artists the Magic Gang Maskelyne designed and developed ingenious weapons then tricked the Desert Fox General Rommel and his fabled Afrika Korps into believing there were tanks and battleships where there were none concealed the Suez Canal and even successfully moved Alexandria harbor But it required all his skills to pull off perhaps the largest and most complex magic trick in history As General Bernard Montgomery told Maskelyne on the eve of the Battle of

El Alamein The entire war will turn on what happens here What I am about to ask you to do is impossible It can t be done but it must be done I hope you ve brought your magic wand with you This is the fact based story of the illusion that won the war in the desert The Illuminating Engineer ,1927 **Light and Lighting and Environmental Design** ,1920
