The Deadly Dog Bone Caper:

The Deadly Dog-Bone Caper Georgette Livingston, 1996-01-01 It's just an ordinary day at the clinic until veterinarian and amateur sleuth Jennifer Gray takes a good look at the bone she has just removed from the throat of a local dog who had swallowed more than he could chew. The bone looks a lot like a finger bone, a human finger bone. Jennifer does a little bit of digging and uncovers a lot more than she expects to find. A long forgotten missing person may no longer be quite so missing and someone in town may have a very good reason to want Jennifer dead.

The Deadly Dog-bone Caper ; Book Three in the Jennifer Gray Veterinarian Mystery Series Georgette Livingston, 1996 *Mystery Women, Volume Three*

(Revised) Colleen Barnett, 2010-12-31 Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s, 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition, changes in status, short reviews of books published since the first edition through December 31, 2008.

The Chattering Chimp Caper Georgette Livingston, 1998-02 When Peaches, a chimpanzee, is kidnapped, the whole town enters the hunt to find her before her life can be traded for the recipe for the Cromwell Sisters' homemade elixir.

The Tenacious Terrier Caper Georgette Livingston, 1997-06 The *Tenacious Terrier Caper* is the eighth book in the Jennifer Gray Veterinarian Mystery Series. The other seven books are *The Unlucky Collie Caper*, *The Dog Named Elvis Caper*, *The Deadly Dog Bone Caper*, *The Black Cat Caper*, *The Telltale Turkey Caper*, *The Precocious Parrot Caper*, *The Mischievous Monkey Caper*, and *The Potbellied Pig Caper* are also available.

The Precocious Parrot Caper Georgette Livingston, 1996 Penelope Davis has agreed to take care of a friend's parrot while he's in the hospital, but the parrot has escaped from the cage and is waging war with Penelope's fifteen cats. Jennifer Gray saves the parrot from the cats or vice versa and takes the bird back to the parsonage. But Scaramouch Scamp is no ordinary parrot and he has an interesting tale to tell of treachery and treasure. At first Jennifer ignores his

chattering but she soon decides that the bird may indeed know a secret And that secret turns out to be both very very valuable and very very deadly The White Elephant Caper Georgette Livingston,1997 Calico is holding a six day spectacular over Labor Day but there s more than just festivities going on in this sleepy little Nebraska town First of all there s the sudden appearance of counterfeit money and the equally sudden appearance of Paul Bishop a handsome blond haired man with a beautiful dog named Casey Next there s the picture that veterinarian Jennifer Gray bought from Elmer Dodd that he is trying to buy back at a much higher price Attracted to a possible counterfeiter and the owner of a painting in great demand Jennifer doesn t exactly know what is going on but she is determined to find out **New Books in the Veterinary Medicine Library** Ohio State University.
