**Deadly Shore** Andrew Cunningham, 2015-08-14 When It's Terrorist vs Hurricane Everybody Loses It's July 5th and the Cape Cod roadways are clogged with tourists heading home from the holiday weekend and trying to outrun an approaching potentially catastrophic hurricane But in the blink of an eye their lives are thrown into chaos when terrorists bring down all of the bridges to the Cape Instantly a half million terrified people have no way to escape And when the terrorists threaten to release anthrax on the captive population if their demands aren't met fear turns to all out panic With time running out Marcus Baldwin a private investigator and former CIA operative and Sara Cross a disgraced ex homicide detective are brought together by a sole clue to the identity of the terrorists They quickly realize that they may be the only ones with even a chance of stopping the plot before it's too late With Category 4 Hurricane Chad barreling up the coast on a path for a direct hit on Cape Cod it becomes frighteningly clear to everyone trapped on what has now become an island one way or another they are probably all going to die By the author of the Amazon bestselling thriller WISDOM SPRING
