

The Debate About The Bible: Inerrancy versus Infallibility

Introduction

The debate about whether the Bible is inerrant has been waged for decades. Is the Bible true in all aspects? Is the Bible inerrant or infallible? The topic is taken up by author Stephen T. Davis in his book *The Debate About The Bible* where he discusses the possibility and definitions of inerrancy. The purpose here is to summarize, and analyze, the book and the points brought forward by the author; however, the purpose is not to substantiate the points or prove them wrong. The argument of the inerrancy of the Bible is a long standing debate with points of dispute such as arguments for inerrancy, against inerrancy, and infallibility, of which there may not be a definite answer.

Author's Background

Stephen T. Davis has been an ordained minister since 1965.³ Davis is the author and/or editor of fifteen books and seventy academic articles.⁴ Not only has Davis authored many articles and books, he holds many degrees. Davis has a PhD of Philosophy from Claremont Graduate University, where he specializes in Christian

The Debate About The Bible Inerrancy Versus Infallibility

Cliff McManis

The Debate About The Bible Inerrancy Versus Infallibility:

The Debate about the Bible Stephen T. Davis, 1977 **God's Word Alone---The Authority of Scripture** Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people. God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God. Revitalizing one of the five great declarations of the Reformation, sola Scriptura, Barrett analyzes what the idea of sola Scriptura is and what it entails, clarifying why the doctrine is truth and why it is so essential to Christianity. Surveys the development of this theme in the Reformation and traces the crisis that followed, resulting in a shift away from the authority of Scripture. Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church. This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today. THE FIVE SOLAS: Historians and theologians have long recognized that at the heart of the sixteenth-century Protestant Reformation were five declarations often referred to as the solas. These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures, acknowledge the work of Christ alone as sufficient for redemption, recognize that salvation is by grace alone, through faith alone, and seek to do all things for God's glory. The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them, leading to a more profound theological vision of our lives and callings as Christians and churches.

Are Southern Baptists "Evangelicals"? James Leo Garrett, E. Glenn Hinson, James E. Tull, 1983 *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two* James Leo Garrett Jr., 2018-07-26 James Leo Garrett Jr. has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians. In *The Collected Writings of James Leo Garrett Jr. 1950-2015*, the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship, the even-handed treatment, the biblical fidelity, the wide historical breadth, and the honest sincerity that have made the work and person of James Leo Garrett Jr. so esteemed and revered among so many. The first two volumes of the series explore Dr. Garrett's writings on the experience, history, and lives of Baptist Christians, and this inaugural volume specifically considers Baptists' Baptist views of the Bible and Anabaptists. Spanning sixty-five years and touching on topics from Baptist history, theology, ecclesiology, church history, and biography, religious liberty, Roman Catholicism, and the Christian life, *The Collected Writings of James Leo Garrett Jr. 1950-2015* will inform and inspire readers regardless of their religious or denominational affiliations. Introducing Christian Theologies I Victor I. Ezigbo, 2016-08-25 Should Christianity's theological face remain largely European and North American in the twenty-first century in the wake of the expansion of Christianity in sub-Saharan Africa, Asia, and Latin America? The question about the theological face of Christianity cannot be

ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity Introducing Christian Theologies Voices from Global Christian Communities is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with the voices of Christian communities from around the globe Introducing Christian Theologies explores the works of key theologians from across the globe highlighting their unique contributions to Christian theology and doctrine

Introducing Christian Theologies, Volume One Victor I. Ezigbo, 2013-08-21 Should Christianity's theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity Introducing Christian Theologies Voices from Global Christian Communities is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with the voices of the Christian communities from around the globe Introducing Christian Theologies explores the works of key theologians from across the globe highlighting their unique contributions to Christian theology and doctrine

Essays and Reviews Victor Shea, William Whitla, 2000 *Essays and Reviews* is a collection of seven articles that appeared in 1860 sparking a Victorian culture war that lasted for at least a decade With pieces written by such prominent Oxford and Cambridge intellectuals as Benjamin Jowett Mark Pattison Baden Powell and Frederick Temple later archbishop of Canterbury the volume engaged the relations between religious faith and current topics of the day in education the classics theology science history literature biblical studies hermeneutics philology politics and philosophy Upon publication the church the university the press the government and the courts both ecclesiastical and secular joined in an intense dispute The book signaled an intellectual and religious crisis raised influential issues of free speech and questioned the authority and control of the Anglican Church in Victorian society The collection became a best seller and led to three sensational heresy trials Although many historians and literary critics have identified *Essays and Reviews* as a pivotal text of high Victorianism until now it has been almost inaccessible to modern readers This first critical edition edited by Victor Shea and William Whitla provides extensive annotation to map the various positions on the controversies that the book provoked The editors place the volume in its complex social context and supply commentary background materials composition and publishing history textual notes and a broad range of new supporting documents including material from the trials manifestos satires and contemporary illustrations Not only does such an annotated critical edition of *Essays and Reviews* indicate the impact that the volume had on Victorian society it also sheds light on our own contemporary cultural institutions and controversies

Paradox in Christian Theology James

Anderson,2007-03-06 Does traditional Christianity involve paradoxical doctrines that is doctrines that present the appearance at least of logical inconsistency If so what is the nature of these paradoxes and why do they arise What is the relationship between paradox and mystery in theological theorizing And what are the implications for the rationality or otherwise of orthodox Christian beliefs In *Paradox in Christian Theology* James Anderson argues that the doctrines of the Trinity and the incarnation as derived from Scripture and formulated in the ecumenical creeds are indeed paradoxical But this conclusion he contends need not imply that Christians who believe these doctrines are irrational in doing so In support of this claim Anderson develops and defends a model of understanding paradoxical Christian doctrines according to which the presence of such doctrines is unsurprising and adherence to paradoxical doctrines cannot be considered as a serious intellectual obstacle to belief in Christianity The case presented in this book has significant implications for the practice of systematic theology biblical exegesis and Christian apologetics *Systematic Philosophical Theology, Volume 1* William Lane Craig,2024-12-31 the culmination of an impressive career in philosophy and theology Craig s work will be highly valued and a great achievement meriting significant attention Charles Taliaferro Professor Emeritus of Philosophy St Olaf College William Lane Craig s landmark treatise on systematic philosophical theology is a major contribution to our understanding of the relation of philosophy and Christian doctrine and will be an essential reference point for future discussions Alister McGrath Emeritus Idreos Professor of Science and Religion Oxford University A transformative journey through Christian doctrine Volume I On Scripture On Faith William Lane Craig s *Systematic Philosophical Theology* is a multi volume explication of Christian doctrine in the classic Protestant tradition of the loci communes as seen through the lens of contemporary analytic philosophy Uniquely blending the disciplines of biblical theology historical theology and analytic theology these volumes aim to provide readers with a biblical and philosophically coherent articulation of a wide range of Christian doctrines In the first volume of the series *Prolegomena On Scripture On Faith* Craig begins by introducing his conception of systematic philosophical theology describing how it relates to biblical theology dogmatics fundamental theology apologetics and especially philosophy of religion The chapters that follow defend the divine authority of Scripture address the nature of faith and discuss the rational justification for Christian faith Throughout the text Craig tackles cutting edge philosophical questions that arise naturally from Christian doctrine such as the compatibility of biblical inspiration and human freedom and whether faith implies belief [The Biblically-Driven Church: How Jesus Builds His Body](#) Cliff McManis,2016-09-20 How does a church grow Who builds the church What is the real honorable church anyway
