The Devil's Triangle Mark Judge, 2022-11-28 Do you remember the woman in To Kill a Mockingbird who falsely accuses a black man of raping her What could possess anyone to do such an evil thing to viciously attempt to destroy a life by knowingly lying For that answer look no farther than the riveting and gloriously

candid The Devil's Triangle by Mark Judge who himself was targeted for destruction by that same evil and who lived to tell the tale if only so that we might all recognize the dark forces at work in our nation In a voice evoking J D Salinger Hunter S Thompson and yes Lester Bangs within a narrative that brings to mind All the President's Men and Fast Times at Ridgemont High Judge tells us the truth in all of its brutality and beauty May this book open the way for a spate of similar memoirs whose honesty will lead this once great nation out of the fetid triangular swamp of lies that is this brave book's eponymous Devil's Triangle and toward a new sunlit frontier in which genuine liberty and unvarnished truth once more become our beacons and our hope Eric Metaxas 1 New York Times Bestselling author of Fish Out of Water A Search for the Meaning of Life and Host of Socrates in the City In 2018 in the midst of a contentious Supreme Court confirmation battle Christine Blasey Ford named Mark Judge as a witness to her alleged attempted rape over thirty years earlier at the hands of a teenaged Brett Kavanaugh Overnight the unassuming writer critic videographer and recovering alcoholic was unwillingly thrust into the national media spotlight Reporters combed through Judge's writings pored over his high school yearbook hounded him with emails and phone calls and invaded the privacy of his relatives friends and former girlfriends He was mauled in the press denounced in the Senate received threatening late night calls became the target of a classic honey trap and was even called out by Matt Damon on Saturday Night Live As the lunacy reached its crescendo Judge began to fear for his sanity and even his life A year later still traumatized by this Kafkaesque experience Judge found himself washing dishes in a Maryland restaurant trying to piece his shattered life back together Even at the time it was clear that Judge himself was not the target of this campaign of vilification Instead it was an attempt to use his spotty record as a teenage alcoholic and later a political and cultural conservative to destroy Brett Kavanaugh by proxy The actors in this malicious and cynical plot were an informal cabal of partisan reporters Democrats in Congress and shadowy opposition researchers a Devil's Triangle whom Judge aptly compares to the Stasi the dreaded East German secret police who terrorized citizens during the Cold War Now in a frank confessional and deeply moving book that stands comparison to Arthur Koestler's Cold War classic Darkness at Noon Judge rips the mask from the new American Stasi Using pop culture politics the story of his friendship with Kavanaugh and the fun wild and misunderstood 1980s Judge celebrates sex art and freedom while issuing a timely warning to the rest of us about our own endangered freedoms Summary of Vicky Ward's The Devil's Casino Everest

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner. The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019. Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness? Will even the devil be redeemed? Addressing a theological issue of perennial interest, this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty-first century and offers an interpretation of how and why universalist belief arose. The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical, philosophical, and theological standpoint. He shows that the effort to extend grace to everyone undermines the principle of grace for anyone.

The Devil's Music Jane Rusbridge, 2009-07-06 It is 1958 and the Sputnik satellite has taken a dog up into space. Back on earth, five-year-old Andy has a new sister, Elaine, a baby who his father insists is not quite all there. While his parents argue over whether or not to send Elaine away, Andy sleeps beside her cot each night, keeping guard and watching as his mother, once an ambitious, energetic nurse, twists away into her private, suffocating sadness. Knots keep treasures safe. Andy's rope-maker grandfather tells him, and as he listens to stories of the great Harry Houdini, Andy learns the Carrick Bend, the Midshipman's Hitch, and the Monkey's Fist. Then a young painter hired to decorate the family's house seems to call Andy's mother back from the grief in which she is lost. But one day at The Siding, the old railway carriage that serves as the family's seaside retreat, Andy is left in charge of his baby sister on a wind-chopped beach where he discovers that not all treasures can be kept safe for ever. Three decades later, Andrew returns from self-imposed exile to The Siding, the place where his life first unravelled. Looking back on the broken strands of his childhood, he tries at last to weave them together, aided by his grandfather's copy of *The Ashley Book of Knots* and the arrival of a wild-haired tango dancing sculptor, a woman with her own ideas about making peace with the past.
