Mark S. Morrisson

The Devils Mistress Dennis Wheatley Library Of The Occult:

The Devil's Mistress John William Brodie-Innes,1915 **Rediscovering Renaissance Witchcraft** Marion

Gibson,2017-11-27 Rediscovering Renaissance Witchcraft is an exploration of witchcraft in the literature of Britain and America from the 16th and 17th centuries through to the present day As well as the themes of history and literature politics and war genre and intertextuality the book considers issues of national identity gender and sexuality race and empire and more The complex fascination with witchcraft through the ages is investigated and the importance of witches in the real world and in fiction is analysed The book begins with a chapter dedicated to the stories and records of witchcraft in the Renaissance and up until the English Civil War such as the North Berwick witches and the work of the Witch Finder General Matthew Hopkins The significance of these accounts in shaping future literature is then presented through the examination of extracts from key texts such as Shakespeare s Macbeth and Middleton s The Witch among others In the second half of the book the focus shifts to a consideration of the Romantic rediscovery of Renaissance witchcraft in the eighteenth century and its further reinvention and continued presence throughout the nineteenth twentieth and twenty first centuries including the establishment of witchcraft studies as a subject in its own right the impact of the First World War and end of the British Empire on witchcraft fiction the legacy of the North Berwick Hopkins and Salem witch trials and the position of witchcraft in culture including filmic and televisual culture today Equipped with an extensive list of primary and secondary sources Rediscovering Renaissance Witchcraft is essential reading for all students of witchcraft in modern British and American culture and early modern history and literature

Light on the Path Mark S. Morrisson,2025-12-02 In the late nineteenth and early twentieth centuries the US and UK experienced an occult revival a flourishing occulture that signalled the increasing presence of the occult in the popular imagination This period also witnessed another major cultural development a rapid expansion of print culture that offered a dizzying array of new magazines pulp fiction cheap single volume and paperback novels and emerging forms of genre fiction all designed to meet and create the demands of a growing fiction readership In Light on the Path Mark S Morrisson explores the surprising interdependence of these two phenomena As supernatural fiction moved in increasingly occult directions modern occultism itself became so entangled with popular fiction that it can almost be seen as a literary phenomenon Morrisson recounts the strategic efforts by modern occultists including Mabel Collins Aleister Crowley Dion Fortune Kenneth Morris and Talbot Mundy to use popular fiction to wrest esotericism away from its traditional modes of secrecy and make esoteric experiences of self transformation widely accessible Through experiments to forge a new esoteric fiction genre from already existing genres these occultists intended their novels to open gates for readers to offer an occult gnosis through the simple act of reading a novel In so doing they transformed genre fiction into a tool with which to launch new religious movements that persist today

Compass Points - Horror Upon Horror , The Devil is a Gentleman Phil Baker,2009 Phil Baker examines Wheatley s friendship with a fraudster named

Eric Gordon Tombe and uncovers the full story of his 1922 murder The author also explores Wheatley s relationships with occult figures such as Rollo Ahmed Aleister Crowley and the Reverend Montague Summers *Dennis Wheatley* Craig Cabell,2006 Few people are aware that Dennis Wheatley in his day one of the biggest selling novelists in the world spent the Second World War as a member of Winston Churchill s Joint Planning Staff Wheatley s job was to confuse the enemy by writing plausible official documents and to feed them to the Nazis Here is that little known and intriguing story drawn from previously unpublished restricted papers and with a foreword by one of today s best selling authors Frederick Forsyth

The British National Bibliography Arthur James Wells,1974 *Movie Magick* David Huckvale,2018-11-07 Magick as defined by Aleister Crowley is the Science and Art of causing Change to occur in conformity with Will This book explores expressions of movie magick in classic occult films like Hammer s adaptation of Dennis Wheatley s *The Devil Rides Out* and modern occult revival movies These films are inspired by the aesthetics of fin de siecle decadence the symbolist writings of Villiers de l Isle Adam Wagnerian music drama the Faust legend the pseudo science of theosophy 1960s occult psychedelia occult conspiracy theories and obscure aspects of animation **Books in Print** ,1979 *The New Beacon* ,1974
