Bonekemper, 2015-10-05 History isn't always written by the winners Twenty first century controversies over Confederate monuments attest to the enduring significance of our nineteenth century Civil War As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books They composed a new

narrative the Myth of the Lost Cause seeking to ennoble the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans **Forthcoming Books** Rose Arny,2004
