The Gods Of The Hills Piety And Society In Nineteenthcentury Vermont

Deborah Pickman Clifford

The Gods Of The Hills Piety And Society In Nineteenth century Vermont:

The Gods of the Hills Thomas D. Seymour Bassett, 2000 **Two Vermonts** Paul M. Searls, 2006

Two Vermonts establishes a little known fact about Vermont that the state's fascination with tourism as a savior for a suffering economy is more than a century old and that this interest in tourism has always been dogged by controversy. Through this lens the book is poised to take its place as the standard work on Vermont in the Gilded Age and the Progressive Era. Searls examines the origins of Vermont's contemporary identity and some reasons why that identity. Who is a Vermonter is to this day so hotly contested. Searls divides nineteenth century Vermonters into conceptually uphill or rural parochial and downhill or urban cosmopolitan elements. These two groups he says negotiated modernity in distinct and contrary ways. The dissonance between their opposing tactical approaches to progress and change belied the pastoral ideal that contemporary urban Americans had come to associate with the romantic notion of Vermont. Downhill Vermonters espousing a vision of a mutually reinforcing relationship between tradition and progress unilaterally endeavored to foster the pastoral ideal as a means of stimulating economic development. The hostile uphill resistance to this strategy engendered intense social conflict over issues including education, religion, and prohibition in the late nineteenth and early twentieth centuries. The story of Vermont's vigorous nineteenth century quest for a unified identity bears witness to the stirring and convoluted forging of today's Vermont. Searls's engaging exploration of this period of Vermont's history advances our understanding of the political, economic, and cultural transformation of all of rural America as industrial capitalism and modernity revolutionized the United States between 1865 and 1910. By the late Progressive Era, Vermont's reputation was rooted in the national yearning to keep society civil, personal, and meaningful in a world growing more informal, bureaucratic, and difficult to navigate. The fundamental ideological differences among Vermont communities are indicative of how elusive and frustrating efforts to balance progress and tradition were in the context of effectively negotiating capitalist transformation in contemporary America.

It Happened in Vermont Mark Bushnell, 2009-04-14

From the French and Indian War to the exposure of Maple Corner, thirty-two events that shaped the Green Mountain State.

Disestablishment and Religious Dissent Carl H. Esbeck, Jonathan J. Den Hartog, 2019-11-15

On May 10, 1776, the Second Continental Congress, sitting in Philadelphia, adopted a Resolution which set in motion a round of constitution making in the colonies, several of which soon declared themselves sovereign states and severed all remaining ties to the British Crown. In forming these written constitutions, the delegates to the state conventions were forced to address the issue of church-state relations. Each colony had unique and differing traditions of church-state relations rooted in the colony's peoples, their country of origin, and religion. This definitive volume, comprising twenty-one original essays by eminent historians and political scientists, is a comprehensive state-by-state account of disestablishment in the original thirteen states as well as a look at similar events in the soon-to-be-admitted states of Vermont, Tennessee, and Kentucky. Also considered are disestablishment in Ohio, the first state admitted from the Northwest.

Territory Louisiana and Missouri the first states admitted from the Louisiana Purchase and Florida wrestled from Spain under U S pressure The volume makes a unique scholarly contribution by recounting in detail the process of disestablishment in each of the colonies as well as religion s constitutional and legal place in the new states of the federal republic *Diary of a Christian Soldier* Rufus Kinsley,David C. Rankin,2004 This book offers a meticulous reconstruction of the life of Rufus Kinsley an ordinary New England soldier who during the Civil War became an officer in one of the nations s first and most famous black regiments and an expertly edited transcription of Kinsley s hitherto unpublished wartime diary Kinsley s diary sheds light on a long neglected theater of the war the battle for the bayou country of southwestern Louisiana and it illuminates the workaday routines of black and white soldiers stationed behind Union lines but thoroughly immersed in the unprecedented improvisations that accompanied the social revolution that was emancipation Kinsley s perspective is that of a too often neglected type the absolutely dedicated evangelical abolitionist soldier who believed that the war and its consequences were divine retribution for the sin of slavery The introductory biography places Kinsley s civil war experience in the context of his life and his times Inventing Ethan Allen John J. Duffy,H. Nicholas Muller, III,2014-06-03 Since 1969 Ethan Allen has been the subject of three biographical studies all of which indulge in sustaining and revitalizing the image of Allen as a physically imposing Vermont yeoman a defender of the rights of Americans an eloquent military hero and a master of many guises from rough frontiersman to gentleman philosopher Seeking the authentic Ethan Allen the authors of this volume ask How did that Ethan Allen secure his place in popular culture As they observe this spectacular persona leaves little room for a more accurate assessment of Allen as a self interested land speculator rebellious mob leader inexperienced militia officer and truth challenged man who would steer Vermont into the British Empire Drawing extensively from the correspondence in Ethan Allen and his Kin and a wide range of historical political and cultural sources Duffy and Muller analyze the factors that led to Ethan Allen s two hundred year old status as the most famous figure in Vermont s past Placing facts against myths the authors reveal how Allen acquired and retained his iconic image how the much repeated legends composed after his death coincide with his life why recollections of him are synonymous with the story of Vermont and why some Vermonters still assign to Allen their own cherished and idealized values **Vermont History** ,2015 Frontier Feminist Marilyn S. Blackwell,Kristen Tegtmeier Oertel,2010 This comprehensive portrait of nineteenth century reformer Clarina Howard Nichols uncovers the fascinating story of a complex woman and reveals her important role in women s rights antislavery and westward expansion **Stick with the Winners!** Dick B,Ken B.,2012-07-27 Ever heard You can t talk about Jesus or the Bible at an A A meeting Want to establish or modify an A A meeting or a Christian Recovery meeting so that it can include information on the roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes Stick with the Winners by Dick B and Ken B may be just what you need to carry the message more effectively **Writings on New England History** ,2003 *The Passion of Abby Hemenway* Deborah Pickman Clifford,2001 The amazing story of a

determined woman who was told that history is not suitable work for a women **Finnigans, Slaters, and Stonepeppers**

Vincent Feeney,2009 Author Vincent Feeney longtime adjunct professor of history at the University of Vermont has written the first book that peels back the Yankee mythos and examines the surprisingly rich true story of the Irish in Vermont from the first steady trickle of colonial pioneers to the flood of famine refugees and onward From Fort Ticonderoga to Civil War battlefields and up until the years after World War II discover how the Irish arrived survived fought labored organized worshipped played and managed to prosper This is a surprisingly behind the scenes American success story that has never been fully told until now **The Religious Frontier** Shelby M. Balik,2006 **American Book Publishing Record**

,2000-07 **The Eighteenth Century** American Society for Eighteenth-Century Studies,2004 In their hundreds of entries and reviews the editorial staff have expanded both the quantity and depth of the work but also re evaluated the subject headings to better reflect the needs of users be they professionals or students General categories include printing and bibliographical studies historical social and economic studies philosophy The Star That Set Samuel B. Hand,2002-08-15

For over a century from 1854 the year the party was organized until 1958 Vermonters never failed to elect Republicans to its state and national offices and every four years they returned a slate of electors pledged to the Republican presidential nominee The Vermont GOP was trumpeted as the star that never set in the Republican Party s political firmament until the decline of family farms and the influx of Democrat leaning urbanites in the 1960s and 1970s eroded the bedrock of Vermont s GOP base Encompassing the years 1854 to 1974 Samuel Hand s superb historical study documents the rise and fall of Vermont republicanism exploring the personalities and the religious political and social institutions that constituted the Vermont Republican Party More than simply the authoritative telling of a remarkable century of hegemony for the Vermont GOP The Star That Set is a compelling story of the waning importance of party in modern American political life

Freedom and Unity Michael Sherman,Gene Sessions,P. Jeffrey Potash,2004 **The Eighteenth Century** ,1996

America, History and Life ,2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide "Live While You Preach" John Wesley Redfield,2006 John Wesley Redfield 1810 1863 controversial lay evangelist in the Methodist Episcopal and later Free Methodist churches was the cofounder of the Free Methodist Church and in the 1840s and 50s had a broad ministry in the M E Church and beyond An outspoken abolitionist Redfield was controversial among Methodist leaders and in the M E press as his revivals typically were marked by dramatic emotional manifestations including people being slain in the Spirit and dramatic conversions

Yeah, reviewing a book **The Gods Of The Hills Piety And Society In Nineteenthcentury Vermont** could grow your close associates listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have fantastic points.

Comprehending as well as harmony even more than supplementary will give each success. next-door to, the broadcast as with ease as keenness of this The Gods Of The Hills Piety And Society In Nineteenthcentury Vermont can be taken as skillfully as picked to act.
