The Ashley Dancers Roland Verfaillie, 2012-05-28 Roland Verfaillie is a popular author of humor His irreverent style tackles the trends which arise within America's popular culture He dares to vilify dance when popular culture idolizes it His observations of patrons at a popular Florida bar where no one could dance worth a damn has jaded him and now he's now trying to ruin dance for the rest of us *Dating Disasters and How to Avoid Them* Joy Browne, Dr., 2006-01-01 The best selling author of *Getting Unstuck* In her newest foray into the world of strange and wonderful relationships Dr Joy shares honest to goodness real life people and situations that will either make you feel right at home or make your own misery seem trivial by comparison And she also gives you options for either continuing to strive for true heartbreak or opting for slightly more sanity should you so desire Dr Joy starts off with personal ads too frightening to be true but they take you along on doomed first dates into the hearts closets and messy bathrooms of determined singles everywhere and gives you ten surefire ways to doom any date She then looks into the future to toxic dating and beyond The choice is yours dating disasters or how to avoid them *For Certain I'm Hurtin'* Robert

Stern, 2009-06 In society's overzealous pursuit of political correctness and gender equality the basic relationship needs between men and women have been distorted Experts like Dr Laura Schlessinger and Alison Armstrong have been saying for years that the key to a healthy fulfilling relationship is to honor each other's primal needs all men want sex and attention all women want to be protected and provided for Unless we can embrace these needs and find a partner willing to do the same our relationships are doomed to failure Through a series of relationships Robert Stern struggled for years to understand these principles After the painful split from his third wife he embarked on a Quest for Shallowness embracing his need for

sex and attention and discovered there's nothing shallow about meeting one's personal needs. For Certain I m Hurtin chronicles Stern's roller coaster journey through love, sex, and the search for meaningful relationships in frank, unapologetic detail. He hopes his quest and revelations can help men and women learn how to transform their relationships into unions of true acceptance, love, and sexual fulfillment.
