handle the consequences **Out of the Darkest Place** Peter Gladwin, Anna Thayer, 2015-08-21 Many of us have fallen into a dark place Perhaps you are at a low point right now Peter Gladwin understands He meets many who have reached the point of despair and who want to hide from others from God from themselves Because of his own harsh experiences and struggles Peter finds it easy to empathize and has discovered that the message of hope he offers strikes a powerful chord Peter's ministry particularly in prisons has taken him into dark places His own traumatic early experiences and his subsequent and more recent struggles to walk the Christian path have helped him to appreciate and to explain how God's grace can change your life This book is full of vivid stories of transformation **The Dark Place** Sam Millar, 2013-08-01 Young homeless women and drug addicts are being abducted before being brutally mutilated and murdered and a city is held in a grip of unspeakable terror The cops are unable or unwilling to apprehend the elusive serial killer and corrupt politicians turn a seemingly blind and almost approving eye to the catalogue of murders The perpetrator is cunning wealthy and influential More importantly he has never once made a mistake in his grisly calling until now By abducting Katie the young daughter of legendary private investigator Karl Kane the killer has just made his first mistake which could well turn out to be his last Blaming himself for his daughter's abduction Karl Kane must now reach down to the darkest recesses of his troubled soul and mind to become as cunning and merciless as the killer but even that may not be enough to penetrate the fortress like lair where Karl suspects the killer keeps his victims There is only one man capable of helping Kane attack the dark place a man despised and hated by Detective Inspector Mark Wilson but even that help becomes as elusive as any Karl will get from the cops From the nail biting beginning to the explosive ending Karl Kane's nightmarish journey forces upon him a decision that changes his life forever and forces him to look into the abyss of no return The Dark Place Aaron Elkins, 2014-04-01 Gideon Oliver earns his moniker The Skeleton Detective in this riveting entry to the Edgar Award winning mystery series that never disappoints The Philadelphia Inquirer Deep in the primeval rainforest of Washington State's Olympic Peninsula the skeletal remains of a murdered man are discovered And a strange unsettling tale begins to unfold for forensic anthropologist Gideon Oliver determines that the murder weapon was a primitive bone spear of a type not seen for the last ten thousand years And whoever or whatever hurled it did so with seemingly superhuman force Bigfoot sightings immediately crop up but Gideon is not buying them But something is continuing to kill people and Gideon helped by forest ranger Julie Tandler and FBI special agent John Lau plunges into the dark heart of an unexplored wilderness to uncover the bizarre astonishing explanation Fans of authors Kathy Reichs and Tess Gerritsen and television shows like Bones will be fascinated by Aaron Elkins's award winning landmark forensic detective series The Dark Place is the 2nd book in the Gideon Oliver Mysteries but you may enjoy reading the series in any order **The Dark Place** Arlowe Black, 2025-10-28 My dying wish was always to write this book I wanted to be understood I wanted my death to be understood Every time I thought I was ready to end it and didn't it was because my story was yet untold The book wasn't finished My life and my death would mean nothing So it kept

me going Of course when you initially plan to publish something only after you die you tend to write more truth It s deeper You can say what you want to say without fear of unwanted exposure or embarrassment The depth to this book is that of one written with the intent that no one would ever read it Primarily based on journal entries this is a memoir like no other With unmatched authenticity it is a must read for anyone struggling with addiction depression identity or self harm *The Dark Place* Mildred Davis,2018-01-17 From the Edgar Award winning author of *They Buried a Man* comes a novel of strangling horror As a thriller or serious novel powerful and rewarding Anthony Boucher New York Times Mildred B Davis is an American novelist whose books generally fall into the suspense mystery genre Katherine Davis Roome her daughter and a published author herself helped Mildred break a 30 year publishing silence by working with her to turn some previously unpublished manuscripts into the Murder in Maine series *The Dark Place* Barbara Kreger Washburn,2009 With the nightmare of their beloved friend Amanda s stalker behind them Molly and Rusty Sieber look forward to raising their son in the Ozark Mountains of rural Arkansas Now in *The Dark Place* Molly and Rusty find themselves in a frantic search for two year old Eddie who suffers from a rare form of epilepsy and whose very life depends on daily medication This seemed like the perfect place to raise a boy but right now it is the worst place possible to lose a precious son Who is their chatty unpredictable neighbor Or the homeless woman who often disappears down the street What about missing parolee Samuel Lee Yates who threatened to get even with Molly Could they have anything to do with Eddie s disappearance or is he just playing his favorite game hide and seek With the ringing telephone the real nightmare begins and the race is on to find Eddie before it s too late *The Dark Place* will keep you on the edge of your seat until the surprising end
