The Deposition Of Father McGreevy:

The Deposition of Father McGreevy Brian O'Doherty, 2000 A country priest in Ireland fights a bishop's order to close his depopulated parish Father McGreevy claims his supervision is needed more than ever a lack of women having sent men to buggery with sheep *The Deposition of Father McGreevy* Brian O'Doherty, 2014-02-15 It should have won all the prizes DORIS LESSING Enthralling chilling and memorable Sunday Telegraph So original that the text is illuminating The Times Remarkable and haunting Guardian In a London pub in the 1950s editor William Maginn is intrigued by a reference to the reputedly shameful demise of a remote mountain village in Kerry Ireland where he was born Maginn returns to Kerry and uncovers an astonishing tale both the account of the destruction of a place and a way of life which once preserved Ireland's ancient traditions and the tragedy of an increasingly isolated village where the women mysteriously die leaving the priest Father McGreevy to cope McGreevy struggles to preserve what remains of his parish and against the rough mountain elements the grief and superstitions of his people and the growing distrust in the town below Rich in the details of Irish lore and life and a gripping exploration of both the locus of misfortune and the nature of evil its narrative evokes both a time and a place with the accuracy of a keen unsentimental eye and renders its characters with heartfelt depth Shortlisted for the Man Booker Prize *Thinking About Everything* Dennis Ford, 2008-11-04 Humorist Dennis Ford has seen it all After all he lives in New Jersey As a teacher and bookseller Ford contemplates some of life's great questions all without leaving his car These include What's the funniest word in the English language How plastic surgery can turn devils into hotties The case of the perfectly fitting police uniform But Ford doesn't stop there He also devises a master plan to win the war in Iraq and ease the burden on the military explains how to apply for membership in the Society of Goths and backs up his belief that while Jesus may have been resurrected he most certainly wasn't crucified Politics religion psychology and popular culture it's all fair game Ford takes on everything shooting from the hip and saying out loud what everyone else keeps to themselves Stop taking life so seriously and consider the lighter side of things in *Thinking About Everything* *The Life and Work of Thomas MacGreevy* Susan Schreibman, 2013-05-23 As a poet and literary critic Thomas MacGreevy is a central force in Irish modernism and a crucial facilitator in the lives of key modernist writers and artists The extent of his legacy and contribution to modernism is revealed for the first time in *The Life and Work of Thomas MacGreevy* Split into four sections the volume explains how and where MacGreevy made his impact in his poetry his role as a literary and art critic during his time in Dublin London and Paris and through his relationships with James Joyce Samuel Beckett Wallace Stevens Jack B Yeats and WB Yeats With access to the Thomas MacGreevy Archive contributors draw on letters his early poetry and contributions to art and literary journals to better understand the first champion of Jack B Yeats and Beckett's chief correspondent and closest friend in the 1930s This much needed reappraisal of MacGreevy the linchpin between the main modernist writers fills missing gaps not only in the story of Irish modernism but in the wider history of the movement **A History of the Booker**

Culture Wars in British Literature Tracy J. Prince, 2012-09-21 The past century's culture wars that Britain has been consumed by but that few North Americans seem aware of have resulted in revised notions of Britishness and British literature Yet literary anthologies remain anchored to an archaic Anglo English

interpretation of British literature Conflicts have been played out over specific national vs British identity some residents prefer to describe themselves as being from Scotland England Wales or Northern Ireland instead of Britain in debates over immigration race ethnicity class and gender and in arguments over British literature These debates are strikingly detailed in such chapters as The Difficulty Defining Black British British Jewish Writers and Xenophobia and the Booker Prize Connections are also drawn between civil rights movements in the U S and UK This generalist cultural study is a lively read and a fascinating glimpse into Britain s changing identity as reflected in 20th and 21st century British literature
