and aggression wrought by human civilization Yet no single literary movement was more powerfully shaped by violence than modernism As Sarah Cole shows modernism emerged as an imaginative response to the devastating events that defined the period including the chaos of anarchist bombings World War I the Irish uprising and the Spanish Civil War Combining historical detail with resourceful readings of fiction poetry journalism photographs and other cultural materials At the Violet Hour explores the strange intimacy between modernist aesthetics and violence in the late nineteenth and early twentieth centuries The First World War and T S Eliot s The Waste Land demonstrate the new theoretical paradigm that Cole deploys throughout her study what she calls enchanted and disenchanted violence the polarizing perceptions of violent death as either the fuel for regeneration or the emblem of grotesque loss These concepts thread through the literary historical moments that form the core of her study beginning with anarchism and the advent of dynamite violence in late Victorian England As evinced in novels by Joseph Conrad Henry James and others anarchism fostered a vibrant modern consciousness of violence entrenched in sensationalism and melodrama A subsequent chapter offers four interpretive categories keening generative violence reprisal and allegory for reading violence in works by W B Yeats J M Synge Sean O Casey and others around the time of Ireland s Easter Rising The book concludes with a discussion of Virginia Woolf s oeuvre placing the author in two primary relations to the encroaching culture of violence deeply exploring and formalizing its registers and veering away from her peers to construct an original set of patterns to accommodate its visceral ubiquity in the years leading up to the Second World War A rich interdisciplinary study that incorporates perspectives from history anthropology the visual arts and literature At the Violet Hour provides a resonant framework for refiguring the relationship between aesthetics and violence that will extend far beyond the period traditionally associated with literary modernism

Shakespeare in Bloomsbury Marjorie

Garber,2023-09-26 The untold story of Shakespeare's profound influence on Virginia Woolf and the rest of the Bloomsbury Group For the men and women of the Bloomsbury Group Shakespeare was a constant presence and a creative benchmark Not only the works they intended for publication the novels biographies economic and political writings stage designs and reviews but also their diaries and correspondence their gossip and small talk turned regularly on Shakespeare They read his plays for pleasure in the evenings and on sunny summer afternoons in the country They went to the theater discussed performances and speculated about Shakespeare's mind As poet as dramatist as model and icon as elusive life Shakespeare haunted their imaginations and made his way through phrase allusion and oblique reference into their own lives and art This is a book about Shakespeare in Bloomsbury about the role Shakespeare played in the lives of a charismatic and influential cast including Virginia and Leonard Woolf Vanessa Bell Clive Bell Roger Fry Duncan Grant Lytton Strachey John Maynard Keynes and Lydia Lopokova Keynes Desmond and Molly MacCarthy and James and Alix Strachey All are brought to sparkling life in Marjorie Garber's intimate account of how Shakespeare provided them with a common language a set of reference points and a model for what they did not hesitate to call genius Among these brilliant friends Garber shows Shakespeare was in effect another if less fully acknowledged member of the Bloomsbury Group **Scents and Sensibility** Catherine

Maxwell,2017-10-20 This lively accessible book is the first to explore Victorian literature through scent and perfume presenting an extensive range of well known and unfamiliar texts in intriguing and imaginative new ways that make us re think literature's relation with the senses Concentrating on aesthetic and decadent authors Scents and Sensibility introduces a rich selection of poems essays and fiction exploring these texts with reference to both the little known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity personality or sensibility A key theme is the emergence of the olfactif the cultivated individual with a refined sense of smell influentially represented by the poet and critic Algernon Charles Swinburne who is emulated by a host of canonical and less well known aesthetic and decadent successors such as Walter Pater Edmund Gosse John Addington Symonds Lafcadio Hearn Michael Field Oscar Wilde Arthur Symonds Mark Andr Raffalovich Theodore Wratislaw and A Mary F Robinson This book explores how scent and perfume pervade the work of these authors in many different ways signifying such diverse things as style atmosphere influence sexuality sensibility spirituality refinement individuality the expression of love and poetic creativity and the aura of personality dandyism modernity and memory A coda explores the contrasting twentieth century responses of Virginia Woolf and Compton Mackenzie to the scent of Victorian literature **Voice of Her Own** Marlene A.

Schiwy,1996-05-27 As writers such as Virginia Woolf Audre Lorde and Anais Nin recognized keeping a journal is a powerful tool of creative expression and self healing In A Voice of Her Own a companion for both new and longtime diarists Marlene Schiwy shows that journal writing is the ideal way to find one's individual voice an opportunity for women to explore feelings

intuitions perceptions and ideas often suppressed in our society and to record the truths of their own experience Schiwy invites readers to share the journeys other women have made toward selfhood and encourages them to begin a journey of their own She weaves together passages from published and unpublished journals from works of literature psychology and women s studies with her personal insights *A Voice of Her Own* is a treasure chest of inspiration for every woman seeking deeper self awareness and new outlets for creativity

Vanessa Bell Frances Spalding, 2021-04-01 The definitive and authorised biography of the artist Vanessa Bell Even through the lens of the twenty first century the story of Vanessa Bell s life is unorthodox A powerful magnetic figure Bell lived at the heart of the Bloomsbury Group and was often the core figure around which the disparate individuals of the movement revolved Her art and designs so often overshadowed by her sister Virginia Woolf s writings and fame and by the interest in her own unconventional life made a significant contribution to the history of the Bloomsbury Group Yet until this authorised biography was written she has remained a largely silent and enigmatic figure In this captivating account acclaimed art historian and biographer Frances Spalding restores Bell to the heart of the Bloomsbury Group illuminating an exceptional life and the free spirited circle among which she lived
