Sir Robert Peel Statesmanship Power And Party:

Sir Robert Peel Eric J. Evans,1994 *Sir Robert Peel* Richard A. Gaunt,2010-07-02 Sir Robert Peel paragon or pariah Peel was the greatest statesman and political leader of mid Victorian Britain a titan of Conservative politics whose legacy has inspired generations in his party and in British political life In a career spanning forty years he held the greatest offices of state including Chief Secretary to Ireland Home Secretary Chancellor of the Exchequer and was twice Prime Minister He was the first acknowledged leader of the Conservative Party and the Founder of Modern Conservatism Yet Peel s seemingly peerless reputation has never been secure The Repeal of the Corn Laws split his party his Peelite supporters joined the Liberals and the Conservatives remained in opposition for thirty years Richard Gaunt drawing on a huge archive of state papers contemporary writings including Peel s own Memoirs and the latest historiography paints a convincing picture of Peel as an exponent of effective government in the modern industrial state and a calculating practitioner supremely self confident who dominated both his Party and the House of Commons Gaunt s revisionist life of Peel will be essential reading and the standard work for students and general readers interested in Conservative and mid Victorian political history and historical biography [Sir Robert Peel](#) Eric J. Evans,2006-04-18 Sir Robert Peel provides an accessible and concise introduction to the life and career of one of the most political leaders of the nineteenth century Perhaps best known for seeing through the Repeal of the Corn Laws Peel had an enormous impact on political life of his age and beyond Eric J Evans reassesses Peel s career arguing that although Peel s executive and administrative strengths were great his arrogance lack of empathy with the development of political parties and his inflexible commitment to economic liberalism presented political problems which he was incapable of solving This expanded and fully revised second edition fully engages with the extensive new historical work on Sir Robert Peel published since the first edition appeared fifteen years ago includes a glossary of key terms plus an updated and expanded bibliography including listing useful websites Sir Robert Peel is the perfect introduction for all students of nineteenth century history **Sir Robert Peel** Terry Jenkins,1998-10-30 Sir Robert Peel 1788 1850 is always remembered for three things his creation of the Metropolitan Police his principal role in the repeal of the Corn Laws and his status as founder of the modern Conservative Party This is quite sufficient to make him the key statesman of the early Victorian period but there were many other aspects of his personality and politics which make the study of his career uniquely useful for students of the period In many ways he can be seen as the archetypal link figure between the pre Reform and post Reform political worlds embodying a strange mixture of reactionary Toryism and vigorous progressivism **Sir Robert Peel as a Type of Statesmanship** Jelinger Cookson Symons,1856 **The Forging of the Modern State** Eric J. Evans,2014-06-06 In this hugely ambitious history of Britain Eric Evans surveys every aspect of the period in which the country was transformed into the world s first industrial power This was an era of revolutionary change unparalleled in Britain yet one in which transformation was achieved without political revolution The unique combination of transition and

revolution is a major theme in the book which ranges across the embryonic empire the Church education health finance and rural and urban life Evans gives particular attention to the Great Reform Act of 1832 The Third Edition includes an entirely new introductory chapter and is illustrated for the first time

The Longman Companion to the Conservative Party

Nick Crowson,2016-09-17 This Longman Companion provides a wide ranging compendium of essential facts and figures on the Conservative Party from its origins in the 1830s to the dawn of the 21st Century Central to the book are the detailed chronologies on the Conservative Party s years in government and opposition In addition it contains fascinating information on the Party s relationships with women ethnic minorities the trade unions Europe Ireland ideology social reform and empire

The Shaping of Modern Britain Eric Evans,2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world s first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban life *The Shaping of Modern Britain* provides an unparalleled account of Britain s rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written *The Shaping of Modern Britain* will be an invaluable introduction for students of this key period of British history

Freedom and Trade: Free trade and its reception, 1815-1960

Andrew Marrison,Geraint Parry,1998 Annotation This book examines the Corn Laws and their repeal It brings together leading international experts working in the field from Britain Europe and the United States Their contributions range widely over the history politics and economics of free trade and protectionism in the nineteenth and twentieth centuries together they provide a landmark study of a vitally important subject and one which remains at the top of today s international agenda

The late sir Robert Peel, bart., a critical biography. Repr., with additions, from Fraser's magazine

George Henry Francis,1852
