Sister with the Ragpickers Emmanuelle Cinquin,1982 The work of Sister Emmanuelle among the poor on the rubbish heaps of Cairo

The Smile of a Ragpicker Paul Glynn,2014-09-29 Following his acclaimed work A Song for Nagasaki in which Fr Paul Glynn told the powerful story of Dr Nagai a Christian convert of remarkable courage and compassion who ministered to victims of the atomic bomb attack on his city The Smile of a Ragpicker brings us the heroic story of Satoko Kitahara a young beautiful woman of wealth who gave up her riches and comfort to be among the ragpickers in the Tokyo slums Motivated by her newfound faith in Christ she plunged into the life of the poor regardless of the consequences As Satoko helped the poor with their material and spiritual needs she also helped them to recover their self respect and dignity Satoko s story demonstrates how one person s life can affect so many others Every day Satoko encountered Christ in some new and challenging way calling the Church back to identification with the poor Like Dr Nagai she expressed her faith through the sensitivity and beauty of her own Japanese culture Satoko died a young woman in dire poverty Yet her death mourned by many thousands reflected her triumphant life of deep Christian faith and charity This is a powerful story of reconciliation and healing between people of different social economic and religious backgrounds inspired by a frail young woman of luminous faith Illustrated with photos

The Ragpickers Ray MacCormick,2002-06-14 In a remote corner of 1930 s Spain a small settlement of ancient displaced peasants eke out a precarious existence as squatters in a hilltop shanty town reflecting the country s unstable political balance in the stagnation between the First Republic and the coming civil war One of these old ragpickers happens upon a week or so old baby that has been abandoned in an alley of the nearby city The old man does not hesitate to rescue the baby into his donkey cart because of the numerous large rats that infest the alleys But persuading the other old folks to allow him and his wife to keep the baby is another matter After much wrangling they all agree the old couple can keep the baby at least temporarily providing no trouble is brought down on all their heads Trouble of course is just what they get as they struggle to keep the baby out of the abyss of a government orphanage as represented by a young government lawyer and also out of the equally ubiquitous clutches of the Church orphanage program personified by his opponent an attractive young church social worker of his own age The resolution of the ragpickers dilemma is echoed in the resolution of an incidental and convoluted romantic interest between the two young people
