Sisters in the Spirit Venita Lewis, 2011-11-16 Women many times try to carry things within ourselves along with the cares of the world without taking the time out to explore what is going on inside of us As women of God we go about our daily lives trying to take care of our families and go about church work We are no exception to the rule we must also take care of ourselves I've been led to share with the women of God poetic encouragement and inspiration to help them deal with and explore their inner selves and to become able to release some of the things that we've held on to for many years the secret things within our hearts that has caused deep hurt pain and scars I have been through many things and through His grace God he has kept me without Him they would have killed me But thanks be unto God which giveth us the victory through our Lord Jesus Christ 1 Corinthians 15:57 My mission is to help other sisters in the spirit see themselves through God's eyes and be released to become free in God and to live out their divine destiny
