in the late 1800s At first they were used primarily as a way to send short messages to friends and family However as the popularity of postcards grew they began to be used for a variety of purposes Businesses used postcards to advertise their products and services schools used postcards to promote their programs and organizations used postcards to raise funds The golden age of postcards was the early 1900s During this time postcards were produced in vast quantities and they were sold everywhere from drug stores to department stores Postcards were also very affordable which made them accessible to people of all income levels As a result of their popularity postcards became a powerful force in American culture They helped to spread news and information they promoted tourism and they helped to create a sense of national identity Postcards also played a role in social and political movements For example postcards were used to promote the women s suffrage movement and the civil rights movement Today postcards are still produced and used although their popularity has declined somewhat in the digital age However postcards remain a valuable historical record of American life They offer a unique glimpse into the past and they can help us to understand the present American Dreamscapes Postcards from the Past is a celebration of the American postcard It is a book that will appeal to anyone interested in American history popular culture or photography If you like this book write a review Greetings from Alabama: A Pictorial History in Vintage Postcards Wade Hall,2016-09-01 Although he was a native of Bullock County Alabama Wade Hall teacher writer poet critic interviewer folklorist and documentarian spent most of his fifty year career in Kentucky But he was never emotionally far from his home as evidenced by his passion for collecting vintage Alabama postcards In his lifetime he amassed 10 000 which he then graciously gave to the University of Alabama Libraries and Troy University in a large joint bequest that also included rare books quilts folk art letters and more These postcards date from the late 1800s to the mid 20th century and offer a fascinating and diverse picture of the state The meaning of postcards that could be purchased as a travel souvenir is largely forgotten today when cameras are commonplace But the value of Hall s stunning collection cannot be missed The some 400 cards featured in Greetings from Alabama are revealing of scenes familiar and rare From Birmingham s Vulcan to Mobile s Bellingrath Gardens from Enterprise s boll weevil monument to Huntsville s rockets from Helen Keller s home to William Rufus King s resting place the scenes offer captivating glimpses of Alabama history The Amateur Photographer & Photography ,1924 Prescott Raymond E. Miller,2010 Prescott was founded in 1864 as the territorial capital of Arizona In 1900 the business center burned to the ground but the courthouse in the town square was saved and the burned out area s former wooden buildings were replaced by brick structures Because the closest interstate highway is more than 30 miles away much of Prescott s history and sense of community have been preserved and historical districts abound The local chamber of commerce refers to Prescott as Everybody s Hometown It is also known as the Christmas City of Arizona and holds an annual Christmas parade with appropriate courthouse lighting
