Six Campaigns National Servicemen On Active Service 1948 1960:

Six Campaigns Adrian Walker, 1993 **Conscription and Democracy** George Q. Flynn, 2001-12-30 Finding the manpower to defend democracy has been a recurring problem Russell Weigley writes The historic preoccupation of the Army's thought in peacetime has been the manpower question how in an unmilitary nation to muster adequate numbers of capable soldiers quickly should war occur When the nature of modern warfare made an all volunteer army inadequate the major Western democracies confronted the dilemma of involuntary military service in a free society The core of this manuscript concerns methods by which France Great Britain and the United States solved the problem and why some solutions were more lasting and effective than others Flynn challenges conventional wisdom that suggests that conscription was inefficient and that it promoted inequality of sacrifice Sharing similar but not identical diplomatic outlooks the three countries discussed here were allies in world wars and in the Cold War and they also confronted the problem of using conscripts to defend colonial interests in an age of decolonization These societies rest upon democratic principles and operating a draft in a democracy raises several unique problems A particular tension develops as a result of adopting forced military service in a polity based on concepts of individual rights and freedoms Despite the protest and inconsistencies the criticism and waste Flynn reveals that conscription served the three Western democracies well in an historical context proving effective in gathering fighting men and allowing a flexibility to cope and change as problems arose *Military Leadership and Counterinsurgency* Victoria Nolan, 2011-12-18 Offering a unique and original perspective on Britain's Small Wars leadership culture this title is an essential reading for serving soldiers and scholars of military studies It is based on original archival research It offers fascinating survey of counterinsurgency operations with relevance for today's military and security Between 1948 and 1960 the British army conducted three important counterinsurgency operations in Malaya Kenya and Cyprus During that time military leaders inspired the evolution of a distinct organisational culture known as small wars culture which affected learning discipline and attitudes towards leadership and fellow soldiers Using a synthesis of organisational theory and archival research this book explores how military leaders embedded and transmitted this particular military organisational culture within the British army and provides an analysis of leaders characteristics their support networks and past experiences This book will be of interest to counterinsurgency specialists the British Army and military historians and sociologists as well as to serving military forces *Six Campaigns* Adrian Walker, 1993 This book tells the story of the half forgotten colonial wars of thirty or more years ago as seen through the eyes of the young men who were conscripted to fight in them *The Imperial History Wars* Dane Kennedy, 2018-01-11 The history of the British Empire a subject that had slipped into obscurity when the empire came to an end has since made a stunning comeback generating a series of heated debates about the causes character and consequences of empire In this volume Dane Kennedy offers a wide ranging assessment of the main schools of thought that have transformed the way we view the British Empire and the world

it helped to create Navigating a clear course through these intellectual waters requires an awareness of their shifting currents and a commitment to tracking their changing character over time Dane Kennedy has contributed to the imperial history wars for more than thirty years and in this volume he brings his most important writings along with brand new material together for the first time to provide a sweeping overview of the subject and the debates that have shaped it The Imperial History Wars is essential reading for any student or scholar of the British Empire **Journal of the Society for Army Historical Research** Society for Army Historical Research (London, England),2011 **British Book News** British Council,1993 Includes no 53a British wartime books for young people *The British National Bibliography* Arthur James Wells,1994 *Defend Us in Battle* James Hagerty,Barry Hudd,2024-06-15 An insight into the ministry of priests who over the centuries and across the world have voluntarily provided Catholic service personnel with the solace of religion far away from home and frequently in danger Jahresbibliographie Bibliothek für Zeitgeschichte (Germany),1994
