W. Campbell, 1915 *Sketches From Formosa (Classic Reprint)* W. Campbell, 2015-08-05 Excerpt from Sketches From
Formosa Some of the following Sketches appeared as an appendix to my book on the work of the early Dutch Mission in
Formosa and two or three others had a very limited circulation as separate papers but all of them have been re written and
many new pieces have been added for the present issue my intention being to take at least one way of marking the fiftieth

turning over the pages my young friends in the Church will have an eye mainly to those incidents which are amusing while
other readers including perhaps a few who do not habitually betake themselves to the perusal of such books may find some
things which are informing and of more enduring interest In any case I hope it may serve some useful purpose thus to furnish
another opportunity for seeing the Missionary with his Illustrated West of England and dog collar actually off so to speak
thus to submit these first hand statements regarding his methods of work his difficulties his encouragements and most
important of all regarding the way in which God is pleased to use weak things of the world for the accomplishment of His
own great and glorious purposes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic
