ground here and a bit there talking as he did so much Of political in uence and Of the good Old tory cause But these farms and bits Of ground had gone again before our time TO them had been attached no religion When Old Kit had found himself pressed in that matter of the majority Of the Nineteenth Dragoons in which crack regiment his second son made for himself quite a career he found it easier to sell than to save seeing that that which he sold was his own and not the patrimony of the Dales At his death the remainder of these pur chases had gone Family arrangements required com pletion and Christopher Dale required ready money The outlying farms ew away as such new purchases had own before but the Old patrimony Of the Dales remained untouched as it had ever remained About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
