future evaluated What is Microhistory surveys the significant characteristics shared by large groups of microhistorians and how these have now established an acknowledged place within any general discussion of the theory and methodology of history as an academic discipline

**The Field** Douglas Booth, 2007-05-07 2006 North American Society for Sports History Book of the Year The literature on sport history is now well established taking in a wide range of themes and covering every activity from aerobics to zorbing However in comparison to most mainstream histories sport history has rarely been called upon to question its foundations and account for the basis of its historical knowledge In this book Booth offers a rigorous assessment of sport history as an academic discipline exploring the ways in which professional historians can gather materials construct and examine evidence and present their arguments about the sporting past Part 1 examines theories of knowledge while Part 2 goes on to scrutinize the uses of historical knowledge in popular and academic studies of sport history With clear structure examples summary tables and a detailed glossary The Field provides students teachers and researchers with an unparalleled resource to tackle issues fundamental to the future of their subject and sets the agenda for the debate to come

Piety and Privilege Tom O'Donoghue, Judith Harford, 2021-11-24 For centuries the Catholic Church around the world insisted it had a right to provide and organize its own schools It decreed also that while nation states could lay down standards for secular curricula pedagogy and accommodation Catholic parents should send their children to Catholic schools and be able to do so without suffering undue financial disadvantage Thus from the Pope down the Church expressed deep opposition to increasing state intervention in schooling especially during the nineteenth century By the end of the 1920s however it was satisfied with the school system in only a small number of countries Ireland was one of those There the majority of primary and secondary schools were Catholic schools The State left their management in the hands of clerics while simultaneously accepting financial responsibility for maintenance and teachers salaries During the period 1922 1967 the Church unhindered by the State promoted within the schools practices aimed at the salvation of souls and at the reproduction of a loyal middle class and clerics The State supported that arrangement with the Church also acting on its behalf in aiming to produce a literate and numerate citizenry in pursuing nation building and in ensuring the preparation of an adequate number of secondary school graduates to address the needs of the public service and the professions All of that took place at a financial cost much lower than the provision of a totally State funded system of schooling would have entailed

Piety and Privilege seeks to understand the dynamic between Church and State through the lens of the twentieth century Irish education system

*Historiography: Culture* Robert M. Burns, 2006 This collection aims to enable the reader to disentangle some of the ambiguities and confusions which have characterized the use of the term historiography

**The Pursuit of History** John Tosh, 2015-02-11 This classic introduction to the study of history invites the reader to stand back and consider some of its most fundamental questions what is the point of studying history How do we know about the past Does an objective historical truth exist and can we ever access it In answering these central questions John Tosh argues that

despite the impression of fragmentation created by postmodernism in recent years history is a coherent discipline which still bears the imprint of its nineteenth century origins Consistently clear sighted he provides a lively and compelling guide to a complex and sometimes controversial subject while making his readers vividly aware of just how far our historical knowledge is conditioned by the character of the sources and the methods of the historians who work on them The sixth edition has been revised and updated with key new material including a brand new chapter on public history sections on digitised sources and historical controversy discussion of topics including transnational history and the nature of the archive an expanded range of examples and case studies a comprehensive companion website providing valuable supporting material study questions and a bank of primary sources Lucid and engaging this edition retains all the user friendly features that have helped to make this book a favourite with both students and lecturers including marginal glosses illustrations and suggestions for further reading Along with its companion website this is an essential guide to the theory and practice of history **The Shaping of History**

Judith Binney,2021-05-07 The writing of history will only flourish if there is a vehicle for its publication such was Sir Keith Sinclair s vision when he founded The New Zealand Journal of History in 1967 Since then the journal has been the conduit for a flow of remarkable history writing The Shaping of History brings together a selection of essays from its first 30 years by some of the nation s best known historians including Judith Binney Tipene O Regan Claudia Orange Barbara Brookes Alan Ward Jock Phillips and Jamie Belich Their sharp analysis and great storytelling make the collection an essential resource for understanding how New Zealand history is shaped The Nature of History Reader Keith Jenkins,Alun Munslow,2004 The question of what the nature of history is is a key issue for all students of history It is recognized by many that the past and history are different phenomena and that the way the past is actively historicized can be highly problematic and contested

**Fashioning History** R. Berkhofer,2008-12-08 This book offers historians and aspiring historians a learned absorbing and comprehensive overview of current fashions of method interpretation and meaning in the context of postmodernism that has washed over the historical profession in the last two decades **World-Builders on World-Building** Mark J.P.
