The Human Problems of an Industrial Civilization Elton Mayo,2003 In this volume Mayo discusses the Hawthorne experiments relating the findings about human relations within the Hawthorne plant to the social environment in the surrounding Chicago area The Chicago School of Sociologists were studying aspects of social disorganization and this was a topic pioneered by Emile Durkheim

George Elton Mayo John Cunningham Wood,Michael C. Wood,2004 *The Sociology of Organizations* Michael J Handel,2003 Michael Handel has assembled an authoritative and wide ranging collection of key articles in the organizations field and complements these papers with a terrific critical survey of the literature His introductory essays will benefit both students and researchers alike This collection is a real service to the field Walter W Powell Stanford University A unique reader and commentary with broad coverage of the classics combined with a healthy skepticism about received theories and an emphasis on the impact of organizations on society The lucid commentary brightens the field Charles Perrow Yale University For the first time a single volume offers a comprehensive selection of primary readings and companion overview essays on the sociology of organizations These readings and essays provide incisive and guided coverage of the subjects normally included in a one semester sociology of organizations course The Sociology of Organizations covers the full range of theoretical perspectives and substantive topics through readings that are either classics in the field or widely discussed and debated new classics Section introductions explain key terms and concepts provide illustrations and summarize related debates and research in clear prose The depth of these overview essays makes this book ideal for use as either as a stand alone text or a supplementary reader After reading this book students will have a thorough understanding of central concepts and an appreciation of the primary texts that are the foundation of the field Scholars and students in the fields of sociology management organizational behavior and organizational psychology and those within political science and economics who

are interested in how organizations function will find this work a welcome invaluable resource *The Death of Industrial Civilization* Joel Jay Kassiola,1990-01-01 The Death of Industrial Civilization explains how the contemporary ecological crisis within industrial society is caused by the values inherent in unlimited economic growth and competitive materialism Kassiola shows that the limits to growth critique of industrial civilization is the most effective stance against what seems to be a dominant and invincible social order He prescribes the social changes that must be implemented in order to transform industrial society into a sustainable and more satisfying one *American Social Problems* Henry Reed Burch,S. Howard Patterson,1920 *The Dark Side of Management* Gerard Hanlon,2015-07-24 What isn't management and why doesn't it matter This compelling book leads the reader away from the stories told by managers and management theories to show the secret history of the field In characterizing the progress of management as a war on workers this book offers a controversial and revealing alternative intellectual history of this overwhelming discipline The author employs a unique range of theories and sources including the founding fathers of management US labour and social history and earlier intellectual figures such as Marx and Weber alongside the contemporary insights of Foucault and European and American workerist and post workerist thought to shed light on the world of management This book is key reading for researchers and students across the social sciences With a controversial and stimulating approach it also engages readers with a general interest in business and management issues *Durkheim and Modern Sociology* Steve Fenton,1984-07-19 The works of Emile Durkheim have had an enormous influence on sociology This book provides first a clearly written introduction to Durkheim's major works looking at each of the major fields to which he contributed Secondly it examines the ways in which Durkheim has continued to provide inspiration in a variety of areas within sociology It therefore focuses closely on live issues within the subject and shows the continuing relevance of Durkheim's work to issues of topical concern such as the division of labour and class conflict the state race education law and deviance and religion Thirdly it provides an assessment of the interpretations of Durkheim as a radical thinker in contrast to the view of him as fundamentally conservative It will provide a valuable introduction to students of one of sociology's founding fathers and will be of interest to those interested in sociology as a whole for its assessment of the contemporary relevance of Durkheim's thought for major issues **In the Shadow of War and Empire** Görkem Akgöz,2023-12-14 In the Shadow of War and Empire offers a site specific history of Ottoman and Turkish industrialisation through the lens of a mid nineteenth century cotton factory in the Turkish Manchester the name chosen by the Ottomans for the industrial complex they built in the 1840s in Istanbul which in the contemporary words of one of the country's most prominent contemporary Marxist theorists became the secret to and the basis of Turkish capitalism in the 1930s
