Social Problems, Law, and Society Kathryn A. Stout, Richard A. Dello Buono, William J. Chambliss, 2004-07-14 This collection of articles presents a critical issue oriented approach to law and society emphasizing its important relationship to contemporary social problems By exploring the interstitial area between the sociology of law social problems and social movements the initial chapters trace out a theoretical trajectory which points to the need to move beyond traditional and social constructionist approaches A variety of empirical studies together explore the contradictory dynamics of class as they relate to race and gender in both a national and global context illustrating the dialectical interplay between the state and social movements Employing a wide range of perspectives so as to convey the great diversity found in the contemporary sociology of law and justice studies these authors collectively share a broad consensus concerning the need to explore how social movements and the larger political economy play a pivotal role in shaping state reactions to the challenges presented by contemporary social problems With its integrated presentation of theoretical perspectives and empirical studies this unique anthology will be useful in a variety of sociology criminology and justice studies course offerings such as Law and Society Social Problems Crime and Social Justice Social Movements Law and Social Control Social

Change Law and Public Policy Introduction to Legal Studies and others Undergraduate and graduate students alike will appreciate that these articles selected for their academic rigor are highly readable and strongly oriented towards high profile social issues including those of class race and gender inequalities as well as social movement and legal struggles in community national and global settings **Social Problems as Social Movements** Armand L. Mauss,1975-01-01

Social Problems Anna Leon-Guerrero,2018-08-07 Empower your students to become part of the solution The new Sixth Edition of Social Problems Community Policy and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With a clear and upbeat tone this thought provoking text challenges readers to see the social and structural forces that determine our social problems to consider various policies and programs that attempt to address these problems and to recognize and learn how they can be part of the solution to social problems in their own community A Complete Teaching Learning Package SAGE Premium Video Included in the interactive eBook SAGE Premium Video tools and resources boost comprehension and bolster analysis Learn more SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school s learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit *The Cambridge Handbook of Social Problems: Volume 1* A. Javier Treviño,2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research **Social Problems: A 21st Century Perspective** Pasquale De Marco,2025-05-17 In a world grappling with complex social issues Social Problems A 21st Century Perspective offers a comprehensive and thought provoking exploration of the challenges facing our societies This book delves into the evolving landscapes of social problems examining their root causes interconnectedness and impact on individuals communities and the planet Through the lens of five theoretical viewpoints functionalist conflict feminist interactionist and postmodernist the book provides a multi dimensional understanding of social issues Readers are encouraged to think critically engage in dialogue and develop informed opinions on how to address these challenges effectively From poverty and inequality to race ethnicity gender and environmental degradation the book covers a wide range of pressing issues Real world examples case studies and personal narratives bring these issues to life humanizing the challenges and fostering empathy among readers

The book also explores the role of social movements and collective action in addressing social problems It highlights the power of collaboration advocacy and policy influence in creating positive change Social Problems A 21st Century Perspective is a call to action inspiring readers to become active agents of change It provides the knowledge critical thinking skills and sense of urgency needed to tackle the pressing social issues of our time Join us on this journey of exploration reflection and action and together let s strive for a more just equitable and sustainable world If you like this book write a review on google books

Investigating Social Problems A. Javier Trevino,2014-08-08 Each chapter in this innovative social problems text is written by a specialist or pair of specialists from appropriate subfields within sociology The typical single author approach is limiting given the complexity of the contemporary issues surrounding each social problem discussed Involving many content experts ensures that the theories research and examples used in each chapter will be as current and relevant as possible Chapters open with personal statements from the contributing authors discussing how they got involved with studying the problem they are writing about Javier Trevino serves as the general editor making sure that each author follows the chapter template and maintains a consistency in level and style

East Asian Social Movements Jeffrey Broadbent,Vicky Brockman,2011-01-07 In the study of civil society and social movements most cases are based in Western Europe and North America These two areas of the world have similar histories and political ideals and structures in common which in turn affect the structure of its civil society In studying civil society in Asia a different understanding of history politics and society is needed The region s long traditions of centralized authoritarian states buttressed by Confucian and in some cases Communist ideologies may render this concept irrelevant The chapters in this international volume cover most of the areas and countries traditionally defined as belonging to East Asia Japan Taiwan South Korea Hong Kong Singapore and China The case studies included in this volume confront the utility of using the Western concept of civil society represented in its most active form social movements to think about East Asia popular politics Along with providing an array of important case studies of social movements in East Asia the introduction chapters and conclusion in the book take up three major theoretical questions the effect of the East Asian cultural social and institutional context upon the mobilization activities and outcomes of social movements in that region the role of social movements in larger transformative processes utility of Western social movement concepts in explaining social movements in East Asia This book will be of interest to two major groups of readers those who study East Asia and those who pursue social movements and civil society as well as politics more generally

Social Problems Maxine P. Atkinson,Kathleen Odell Korgen,2022-10-18 The Second Edition of Sociology in Action Social Problems is ideal for teachers who want to provide students with an active learning experience that relies less on lecturing and more on discussion collaboration self directed investigation observation analysis and reflection Maxine P Atkinson and Kathleen Odell Korgen provide concrete ways to make use of sociological training in the real world by considering sociological solutions to a range of social problems and issues facing society today

Identity Work in Social Movements

Jo Reger, Daniel J. Myers, Rachel L. Einwohner, 2008 Movements for social change are by their nature oppositional as are those who join change movements How people negotiate identity within social movements is one of the central concerns in the field This volume offers new scholarship that explores issues of diversity and uniformity among social movement participants

Social Problems and Mental Health Jessica Kuper, 2022-02-11 First published in 1987 *Social Problems and Mental Health* presents a sophisticated response to the whole question of what constitutes a social problem with nearly fifty entries giving a range of perspectives on the main problem issues of our age Also included are useful suggestions for further reading Entries cover areas of concern connected with physical and mental health poverty crime and violence family and social relationships sexuality and so on The book provides succinct descriptions of various areas of concern with historical backgrounds Both casual readers and students of sociology and psychology will find the book useful

The Cambridge Handbook of Social Problems: A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems *The Cambridge Handbook of Social Problems* offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

Social Problems in Popular Culture R. J. Maratea, Brian

Monahan,2016-09-28 Popular culture is more than just a broad term for entertainment and frivolous diversions it is also highly relevant to our understanding of society This exciting book is the first to offer insights into the important but often overlooked relationship between popular culture and social problems Drawing on historical and topical examples the authors apply an innovative theoretical framework to examine how facets of popular culture from movies and music to toys games billboards bumper stickers and bracelets shape how we think about and respond to social issues such as problems of gender sexuality and race Including student features evocative case studies and access to online material this book will help students explore and understand the essential connection between popular culture and social problems Deftly combining the fun and irreverence of popular culture with critical scholarly inquiry this timely book delivers an engaging account of how our interactions with and consumption of popular culture matter far more than we may think The Social Movements Reader

Jeff Goodwin,James M. Jasper,2009-04-20 Combining the strengths of both a reader and a textbook this second edition of The Social Movements Reader not only expands on the collection of classic texts but also provides the most important and readable articles and book selections on social movements from recent decades Requiring no prior knowledge about social movements this new edition includes definitions of key concepts biographies of exemplary leaders new developments in the field and timelines of several ongoing social movements Analysing the specific resources networks structures and environments of social movements as well as the motivating psychology ideas political debates emotions and personal and collective identities behind them this is an engaging and illuminating collection for anyone curious about social movements

Social Problems Sara Towe Horsfall,2018-05-30 This book represents a truly innovative and empowering approach to social problems Instead of focusing solely on a seemingly tireless list of major problems Sara Towe Horsfall considers how select key issues can be solved and pays particular attention to the advocate groups already on the front lines Horsfall first provides a robust theoretical foundation to the study of social problems before moving on to the problems themselves examining each through the lens of specific advocate groups working towards solutions This concise and accessible text also incorporates useful learning tools including study questions to help reinforce reading comprehension questions for further thought to encourage critical thinking and classroom discussion a glossary of key terms and a worksheet for researching advocate groups Social Problems An Advocate Group Approach is an essential resource for social problems courses and for anyone who is inspired to effect change **The Blackwell Companion to Social Movements** David A. Snow,Sarah A.

Soule,Hanspeter Kriesi,2008-04-15 The Blackwell Companion to Social Movements is a compilation of original state of the art essays by internationally recognized scholars on an array of topics in the field of social movement studies Contains original state of the art essays by internationally recognized scholars Covers a wide array of topics in the field of social movement studies Features a valuable introduction by the editors which maps the field and helps situate the study of social movements within other disciplines Includes coverage of historical political and cultural contexts leadership organizational dynamics

social networks and participation consequences and outcomes and case studies of major social movements Offers the most comprehensive discussion of social movements available **Encyclopedia of Social Problems** Vincent N.

Parrillo,2008-05-22 From terrorism to social inequality and from health care to environmental issues social problems affect us all The Encyclopedia will offer an interdisciplinary perspective into these and many other social problems that are a continuing concern in our lives whether we confront them on a personal local regional national or global level *Thinking about Social Problems* Donileen R. Loseke,2011-12-31 The new second edition of this distinctive and widely adopted textbook brings into the classroom an overview of how images of social problems can shape not only public policy and social services but also the ways in which we make sense of ourselves and others It introduces two primary changes First some attention is devoted to the new social movements that emphasize social change through identity transformation rather than through structural change Second the text now also looks more closely at the importance of emotions in constructing public consciousness of social problems When the first edition was published Teaching Sociology noted Loseke does a superb job explaining the relationship between sociology and social problems in a text that is very well research and engaging yet with tremendous attention to detail and accuracy W ould provide a solid base for any social problems class Contemporary Sociology wrote that the book is engagingly well written in a personal unpretentious style and well informed by the author s knowledge of the professional literature
