

Social Work As A Profession Social Problems And Social Policy The American

Morley D. Glicken

Social Work As A Profession Social Problems And Social Policy The American:

Social Work, Social Welfare, and American Society Philip R. Popple, Leslie Leighninger, 2005 This popular introductory text is written by two of the best known authors in the social work and social welfare fields The sixth edition continues to examine the values ethics and knowledge needed by social workers as well as exploring social workers current roles in social welfare programs Strong coverage of the history of social welfare movements throughout the text allows students to place developments in a historical context Highlights of the Sixth Edition NEW data from National Opinion Research Corporation NORC interviews demonstrate the range of ideological identifications among Americans along a liberal conservative continuum and describe the range of positions on particular social welfare issues NEW photographs further liven up this well designed student friendly text More emphasis on the position that in order to really understand social welfare one must understand the ideological positions that shape it Student access code to Research Navigator TM included granting students access to four exclusive databases of credible and reliable source material Research Navigator TM helps students quickly and efficiently make the most of their research time Visit www.researchnavigator.com to learn more Don't Miss These Special Value Pack Options Allyn Bacon's The Career Center offers registered students eight 30 minute sessions with a career specialist This 25.00 retail value is AVAILABLE AT NO ADDITIONAL COST when packaged with any Allyn Bacon social work textbook For more information about The Career Center visit www.ablongman.com/careercenter or contact your local Allyn Bacon representative and request a special packaging code to take advantage of this great offer Thinking about a Career in Social Work Leon Ginsberg This handy supplement is the perfect companion to any Allyn Bacon social work text It includes information on social work education finding employment salaries and benefits and licensing and legal regulation AVAILABLE AT NO ADDITIONAL COST when packaged with any Allyn Bacon social work text Contact your Allyn Bacon representative at www.ablongman.com for details

Social Work Practice and Social Welfare Policy in the United States Philip R. Popple, 2018-01-26 The first new social work history to be written in over twenty years *Social Work Practice and Social Welfare Policy in the United States* presents a history of the field from the perspective of elites service providers and recipients This book uniquely chronicles and analyzes the development of social work practice theory on two levels from the top down looking at the writings conference presentations and training course material developed by leaders of the profession and from the bottom up looking at case records for evidence of techniques that were actually applied by social workers in the field Additionally the author takes a careful and critical look at the development of social work methods setting it apart from existing histories that generally accept the effectiveness of the field's work Addressing CSWE EPAS standards at both the BSW and MSW levels *Social Work Practice and Social Welfare Policy in the United States* is ideal both as a primary text for history of social work social welfare classes and a supplementary text for introduction to social work social welfare or social welfare policy and services classes

Social Policy and Social Justice Michael Reisch, 2013-02-21

Social Policy and Social Justice provides today's students and tomorrow's practitioners with a comprehensive overview of U.S. social policy and the policymaking process. Author and editor Michael Reisch brings together experts in the field to help students understand these policies and prepare them for the emerging realities that will shape practice in the 21st century. This text explores the critical contextual components of social policy including history, ideology, political economy, and culture and demonstrates major substantive areas of policy such as income maintenance and health/mental health. **Social**

Problems and Social Policy James Ford, 1923

Social Policy and Social Change Jillian Jimenez, Eileen Mayers

Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of *Social Policy and Social Change* is a timely examination of the field, unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them. The New Edition of this seminal text examines issues of discrimination, health care, housing, income, and child welfare and considers the policies that strive to improve them. With a focus on how domestic social policies can be transformed to promote social justice for all groups, Jimenez et al. consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village.

Encyclopedia of Human Services and Diversity Linwood H. Cousins, 2014-09-05 *Encyclopedia of Human Services and Diversity* is the first encyclopedia to reflect the changes in the mission of human services professionals as they face today's increasingly diverse service population. Diversity encompasses a broad range of human differences including differences in ability and disability, age, education level, ethnicity, gender, geographic origin, religion, sexual orientation, socioeconomic class, and values. Understanding the needs and problems of Asian Americans, Hispanic Americans, the deaf, the blind, the LGBT community, and many other groups demands an up-to-date and cutting-edge reference. This three-volume encyclopedia provides human services students, professors, librarians, and practitioners the reference information they need to meet the needs of an increasingly diverse population. Features 600 signed entries organized A to Z across three volumes. Entries authored by key figures in the field conclude with cross references and further readings. A Reader's Guide groups related articles within broad thematic areas such as aging, community, mental health, family, and child services, substance abuse, etc. A detailed index, the Reader's Guide, and cross references combine for search and browse in the electronic version. A helpful Resource Guide guides students to classic books, journals, and web sites, and a glossary assists them with the terminology of the field. Available in both print and electronic formats. *Encyclopedia of Human Services and Diversity* is an ideal reference for students, practitioners, faculty, and librarians. **Integrative Practice in and for Larger Systems** Harold E.

Briggs, Verlea G. Briggs, Adam C. Briggs, 2019-07-02 Successful integrative practice begins at the nexus of intrapersonal and interpersonal levels of macro practice and requires a nuanced sensitivity to both. *Integrative Practice in and for Larger Systems* guides readers through the development of a cohesive practice model to transform the management of community agencies. Specifically, the new model emphasizes accountability and awareness to the covert aspects of organizational culture.

and politics that underwrite effective service delivery The book also addresses a broad scope of issues that require thoughtful consideration including policy evaluations interagency community based practice innovation implementation across larger systems direct service program management and program and organization development Written from the vantage point of administering and managing community agency based practice using evidence informed approaches the text is an essential resource for students seeking to learn both agency and interagency management practices

The SAGE Handbook of Social Work Mel Gray,James Midgley,Stephen A Webb,2012-06-22 This Handbook is the world s first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments Split into seven parts the Handbook investigates Policy dimensions Practice Perspectives Values and ethics The context of social work Research Future challenges It is essential reading for all students practitioners researchers and academics engaged in social work

Social Issues in Contemporary Native America Hilary N. Weaver,2016-04-01 Hilary Weaver has drawn together leading Native American social workers researchers and academics to provide current information on a variety of social issues related to Native American children families and reservations both in the USA and in Canada Divided into four major sections each containing an introduction this book places the historical foundations of Native American social work in context in order to fully provide the reader with a comprehensive survey on various aspects of working with Native American families community health and wellness and community revitalization and decolonization This groundbreaking volume should be read by both educators and students in social work and other helping professions in the USA and Canada as well as all human service professionals working with Native Americans

Encyclopedia of Social Work,1965

Social Work in the 21st Century Morley D. Glick,2010-12-08 A student friendly introduction to the field of social work social welfare and the profession of social work social issues and social welfare Designed to get students excited about the profession and thinking critically about what social workers do and how they operate within the larger system this Second Edition explores social issues in the United States looks at how the social welfare system attempts to resolve these issues and considers the many roles assumed by professional social workers within the social welfare system This edition offers new and revised coverage throughout and reflects recent current events including the historic 2008 presidential election catastrophes such as Hurricane Katrina and the Haiti earthquake and government responses

Social Work and Social Welfare Katherine S. Van Wormer,Rosemary J. Link,2018 Infused with relevant personal narratives and photographs Social Work and Social Welfare provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today s world e g immigration policies environmental sustainability health care housing food insecurity and income wealth inequality

The Professional Social Worker Neil Thompson,2017-09-16 In this ground breaking text book

bestselling author Neil Thompson turns his attention to the question of What does it mean to be truly professional in the field of social work Notions of professionalism in social work have changed over time Early traditional ideas showed themselves to be elitist and inconsistent with the fundamental principles of social work and have been followed by a period of uncertainty as to whether or not social workers are professionals at all Now with a move towards a new form of professionalism beginning to take shape this book presents a cogent argument for reaffirming this vital aspect of social work Informed by extensive experience and expertise Thompson examines the role of the modern day social worker in four parts as problem solver thinker manager and professional Whether a student new to the complexities of this demanding rewarding field taking a social work practice or placement module or a qualified practitioner seeking a source of guidance this book will help meet the challenge of developing a professionalism that is consistent with the values of contemporary social work

A Selected List of U.S. Readings on Development Saul Milton Katz, Frank McGowan, 1963

Comprehensive Handbook of Social Work and Social Welfare, The Profession of Social Work, 2008-03-11 Comprehensive Handbook of Social Work and Social Welfare Volume 1 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

Fallen Women, Problem Girls Regina G. Kunzel, 1993-01-01 During the first half of the twentieth century out of wedlock pregnancy came to be seen as one of the most urgent and compelling problems of the day The effort to define its meaning fueled a struggle among three groups of women evangelical reformers who regarded unmarried mothers as fallen sisters to be saved a new generation of social workers who viewed them as problem girls to be treated and unmarried mothers themselves Drawing on previously unexamined case records from maternity homes Regina Kunzel explores how women negotiated the crisis of single pregnancy and analyzes the different ways they understood and represented unmarried motherhood Fallen Women Problem Girls is a social and cultural history of out of wedlock pregnancy in the United States from 1890 to 1945 Kunzel analyzes how evangelical women drew on a long tradition of female benevolence to create maternity homes that would redeem and reclaim unmarried mothers She shows how by the 1910s social workers struggling to achieve professional legitimacy tried to dissociate their own work from that earlier tradition replacing the reform rhetoric of sisterhood with the scientific language of professionalism By analyzing the important and unexplored transition from the conventions of nineteenth century reform to the professional imperatives of twentieth century social welfare Kunzel offers a new interpretation of gender and professionalization Kunzel places shifting constructions of out of wedlock pregnancy within a broad history of gender sexuality class and race and argues that the contests among evangelical women social workers and unmarried mothers distilled larger generational and cross class conflicts among women in the first half of the twentieth century

Understanding Social Problems, Policies, and Programs Leon H. Ginsberg, Julie Miller-Cribbs, 2005 In this fourth edition of a social work standard Leon Ginsberg and Julie Miller Cribbs offer an updated version of the text that has

introduced thousands of social work students to the defining policies and procedures of the profession Concise yet comprehensive the volume surveys the span of social welfare history explains the elements of social welfare policy education and describes the impact of executive legislative and judicial initiatives on the delivery of social services Ma(r)king differences in Dutch social work. Professional discours and ways of relating to clients in context Marleen van der Haar,2007

Social Issues in America James Ciment,2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia **African American Behavior in the Social Environment J.** Camille Hall,Stan L. Bowie,2013-10-18 An essential text to help to understand human behavior and the processes that guide human adaptation Social workers and therapists need to assess the full range of aspects of their client problems such as socioeconomic status academic achievement parental incarceration psychopathology and other risks African American Behavior in the Social Environment New Perspectives explores the latest empirical and theoretical findings of human behavior and resiliency in African American individuals families and communities Leading scholars provide unique insights into African American mental health gender relations family interactions and dynamics inequality poverty the balance between work and family and nontraditional families This important text discusses in detail the importance of understanding the processes that guide human adaptation and understanding the dynamics of how particular ethnic groups cultures and people use resources to adapt to certain circumstances that can be useful in assessment and treatment African American Behavior in the Social Environment New Perspectives presents the analysis and research of several individuals in order to provide an understanding of how the concept of protective factors racial identity and racial socialization has been approached the direction their insights have taken them and the results of exploring the dynamics of African American behavior in relationship to environments Research discussed in African American Behavior in the Social Environment New Perspectives include socioeconomic status health disparity the impact of having incarcerated parents academic achievement gap kinship ties leadership development race identity and socialization suicide among African American adolescents Black churches impact in HIV AIDS prevention culturally relevant mental health services gender and sexuality issues policy and practice and much more African American Behavior in the Social Environment New Perspectives is an invaluable resource for counselors marriage and family therapists educators and students in African American studies
