## **Social Work With Addictions By Barber James G:**

*Social Work with Addictions* James G. Barber, 2002-08-28 The new edition of this important text has been fully revised and is an essential resource for those working in the field of drug addiction Drug misuse tends to be encountered in the context of other often more pressing social problems such as child abuse homelessness domestic violence or emergency relief This book responds to the needs of social workers in this position by covering the spectrum of brief empirically validated intervention methods which can be readily incorporated into broader casework plans at any stage of the change process from extreme resistance to avoidance of relapse This clear and realistic text employs social work's person in situation perspective to identify targets of intervention at the level of individuals families and even the broader social policy context It includes new material on recent or more commonly used substances such as designer drugs and methamphetamine It also provides an update on the latest research evidence on the aetiology and psychosocial treatment of addictions This is an invaluable versatile text that is wholly attuned to social work needs New to this Edition Includes new material on designer drugs and other new commonly used substances

**Women and Social Work** Jalna Hanmer, Daphne Statham, 1999-11-11 In this second edition of a classic text the changes in the lives of women using social services and women working in them are sensitively charted with the aim of reflecting on how non sexist women centred practice can be nurtured and developed Retaining its original emphasis on attitudes values and the social welfare context the text explores the core areas of poverty work including providing support for children and adults violence and familial relationships but with a stronger emphasis on the important diversities created by age disability and employment as well as by race class and sexuality

**Social Work and Sexuality** Helen Cosis Brown, 1998-11-11 This important textbook offers clear and concise discussion of the key theoretical and practical issues that sexuality raises for social work It examines how lesbian and gay politics have impacted on professional knowledge and practice and looks at the questions faced by social workers who identify as lesbian or gay It discusses the importance of anti discriminatory practice with lesbian and gay clients in a range of practice settings looking specifically at work with children and families vulnerable adults and offenders

**Evaluating for Good Practice** Angela Everitt, Pauline Hardiker, 1996-11-11 With the changing political economy of social welfare evaluation has become prevalent in the personal social services and voluntary sector organisations This text argues that rational technical and pluralist models of evaluation may collude with new managerialism to act as powerful processes of control Alternative critical models of evaluation which take account of power are explored so as to enable practitioners to take responsibility for evaluating practice both in order to inhibit poor or even corrupt practice and to promote good practice

Working with Young Offenders John Pitts, 1999-11-11 This book offers a comprehensive and critical account of the changes introduced into the UK youth justice system by the 1998 Crime and Disorder legislation and its implications for youth justice managers and professionals It identifies strategies for the practitioner that address the impact of crime the social predicament of the young

offender and the effectiveness of formal and informal mechanisms of social control and social support thereby showing ways of coming to grips with one of the most serious problems besetting the poorest members of our society      **Practice Learning and Teaching** Mark Doel, Steven Shardlow, 1996-11-11 Recognising the centrality of the practice placement in preparing students to become effective social workers this book offers practical guidance to both students and their practice teachers regarding how to enhance learning on placement in social work agencies Distinguished by the coherence of its approach the book presents an integrated approach to practice teaching with a clear methodological focus practical help for practitioners and discussion of principles for students      **Working in Social Work** Jessica Rosenberg, 2009-09-25 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker Each chapter presents a true picture of what to expect as a front line social worker in the given practice setting      **Alcohol Problems: Practice Interventions: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com)      *Applied Research for Better Practice* Angela Everitt, Pauline Hardiker, Jane Littlewood, Audrey Mullender, 1992-09-02 Addressing the alienation of practitioners from positivist and quantitative research this book shows how research can be compatible with how practitioners collect and understand data Drawing on research approaches that take account of subjectivity and employ participative methods the authors develop an approach to practice for the research minded practitioner Whilst useful for practitioners wanting to do research the primary intention of this book is to explore ways in which practitioners may be research minded in their work      **Social Work with Addictions** James G. Barber, 1995 Barber covers the spectrum of empirically validated intervention methods relating to addictions which can be readily incorporated into broader casework plans at any stage of the change process from extreme resistance to avoidance of relapse      **Social Work Practice**

Veronica Coulshed, Joan Orme, 2018-06-22 This trusted textbook for both students and practitioners has sold over 75 000 copies across its four previous editions This comprehensive text is divided into three easily navigable parts Part I guides the reader through the social work process detailing each stage and offering a new chapter on reflection Part II introduces key methods of intervention encompassing a broad range of theories and approaches including new material on strengths based approaches and solution focused practice Part III identifies the variety of contexts in which social work takes place with individuals both children and adults groups and communities Whether a student new to social work or an experienced practitioner returning to training this is a must buy text that readers will return to again and again throughout their professional practice

Social Work with Children Gordon Jack, Helen Donnellan, 2020-03-14 When working with children to promote their welfare and safeguard them from harm the best course of action is not always clear Based on two of the most important organizing frameworks human ecology and child development this book provides an invaluable guide for working with a wide range of children The ultimate introductory companion to your children and families module Starting with an exploration of the knowledge base and contexts of social work practice with all children and their families this friendly guide moves on to demonstrate how knowledge base is applied in practice with specific groups from disabled children to young offenders This is an outstandingly clear and comprehensive guide to social work with children for students and practitioners in the field
