**Multidisciplinary Perspectives on Media Fandom** Dunn, Robert Andrew, 2020-05-08 Leisure time today is driven by fandom Once viewed as a social pariah the fan and associated fandom as a whole has transformed into a popularized social construct researchers are still attempting to understand Popular culture in the modern era is defined and dominated by the fan and the basis of fandom has established its own identity across several platforms of media As some forms of fandom have remained constant including sports and cinema other structures of fandom are emerging as the mass following of video games and cosplay are becoming increasingly prominent Fandom has been established as an important facet in today's society and necessary research is required for understanding how fandom is shaping society as a whole Multidisciplinary Perspectives on Media Fandom is a pivotal reference source that provides vital research that reviews some of the most exigent facets of today's fandom and highlights understudied cultures of fandom as well as emerging intricacies of established fandom While promoting topics such as esports influencer culture and marketing trends this publication explores both qualitative and quantitative approaches as well as the methods of social science and critical perspectives This book is ideally designed for marketers media strategists brand managers consumer behavior analysts researchers academics and students

**Philosophy and Engineering: Reflections on Practice, Principles and Process** Diane P Michelfelder, Natasha McCarthy, David E. Goldberg, 2014-01-13 Building on the breakthrough text Philosophy and Engineering An Emerging Agenda this book offers 30 chapters covering

conceptual and substantive developments in the philosophy of engineering along with a series of critical reflections by engineering practitioners The volume demonstrates how reflective engineering can contribute to a better understanding of engineering identity and explores how integrating engineering and philosophy could lead to innovation in engineering methods design and education The volume is divided into reflections on practice principles and process each of which challenges prevalent assumptions and commitments within engineering and philosophy The volume explores the ontological and epistemological dimensions of engineering and exposes the falsity of the commonly held belief that the field is simply the application of science knowledge to problem solving Above all the perspectives collected here demonstrate the value of a constructive dialogue between engineering and philosophy and show how collaboration between the disciplines casts light on longstanding problems from both sides The chapters in this volume are from a diverse and international body of authors including philosophers and engineers and represent a highly select group of papers originally presented in three different conferences These are the 2008 Workshop on Philosophy and Engineering WPE 2008 held at the Royal Academy of Engineering the 2009 meeting of the Society for Philosophy and Technology SPT 2009 at the University of Twente in the Netherlands and the Forum on Philosophy Engineering and Technology fPET 2010 held in Golden Colorado at the Colorado School of Mines

*Urgency and Severity: Pauline Rationale for Expulsion in 1 Corinthians 5:1-13* David E.

Bosworth,2024-05-21 When Paul heard that a Christ follower in Corinth was in an incestuous relationship with his stepmother the apostle insisted the man be removed immediately from the congregation This dramatic response is surprising as Paul responds to other serious situations with much less vehemence Why did Paul react to the immoral man with such urgency and severity Using socio cultural tools this study explains the importance of group identity and witness for Paul s ecclesiology The argument lays a foundation for contemporary readers to appraise contexts where an expulsive response to sin might be appropriate
