

IN BRIEF

FEMINIST FOREIGN POLICIES: AN INTRODUCTION

Feminist foreign policies: a growing trend

In 2014, Sweden adopted the world's first feminist foreign policy. Since then, more than a dozen countries and political parties have followed suit or have announced their intention of developing a feminist foreign policy.

While there is no agreed definition of what constitutes a feminist foreign policy, the number of countries embracing this banner keeps growing. By July 2022, this list includes Sweden (2014), Canada (2017), France (2019), Mexico (2020), Spain (2021), Luxembourg (2021), Germany (2021) and Chile (2022). The Netherlands and Belgium are in the process of developing their respective feminist foreign policies. In the UK, three different political parties have pledged that they will pursue this if in power. In the United States, a resolution expressing support for this idea has been brought to the House of Representatives. In 2021, the first female foreign minister of Libya announced her intention of pursuing a feminist foreign policy at the Generation Equality Forum in 2021, but this was not followed up by any steps or institutional commitments. In January 2022, the Swedish Foreign Minister announced a Feminist Foreign Policy Plus Group that currently includes sixteen countries.

This trend has attracted considerable interest as an alternative approach to promoting gender equality and the empowerment of women in external action. While many of its goals overlap with longstanding commitments on women, peace and security or gender equality in development and humanitarian assistance, feminist foreign policies can, at the very least, provide a unifying political framework for the disparate strands of gender-related strategies being implemented by governments, improve coordination and effectiveness and the

involvement of the highest levels of leadership, and become a clear and visible brand that makes it easier for the public, civil society, or journalists to hold governments accountable to their commitments to advance gender equality or women's rights. In its most ambitious expression, this movement should aspire to transforming the practice of foreign policy to the greater benefit of women and girls everywhere, impacting a country's diplomacy, defense and security cooperation, aid, trade, climate security, and even immigration policies.

Common themes and differences

There is no standard blueprint for how to develop these policies, and there are some differences among the existing ones, but some common themes too.

Several of the countries with feminist foreign policies have elaborated handbooks to specify in greater detail the goals and means of feminist foreign policy or set up advisory bodies to guide the government in how to implement it. Not all of them have published their plan or an articulation of the policy. France has developed a comprehensive accountability framework with timelines, indicators, and responsible stakeholders. Spain appointed a Special Envoy on its feminist foreign policy and will present annual reports to its parliament. Sweden has been publishing yearly updates. All these countries have a national action plan on women, peace and security already. Some countries that have not adopted a feminist foreign policy have both a national action plan on women, peace and security and a foreign policy gender strategy, such as Norway or Australia.

Most of these policies cover similar themes. They vow to mainstream a gender perspective in all foreign policy actions and agencies, advocate for progress in gender

Social Policy A New Feminist Analysis

Lynn Prince Cooke

Social Policy A New Feminist Analysis:

Social Policy Gillian Pascall, 1997 No one can hope to understand the workings of the welfare state without first appreciating women's part in it. In the past decade the significance of the gendering of welfare states has become widely accepted extensively charted in research and more systematically theorized. Building on her earlier work in *Social Policy A New Feminist Analysis* Gillian Pascall confronts the challenges and outlines the developments that have taken place during the eleven years since its first publication. This new edition also reflects extensive social changes in women's participation at work educational achievement security in marriage and policy changes aimed at producing a mixed economy of welfare increasing family responsibility in health community care housing education and income security. It examines the changing pattern of welfare provision with increasing reliance on women's unpaid work the gendered nature of UK welfare structures the continuing dependence of women on men's incomes and on welfare benefits the public private divide women's non citizenship as carers for young and old and the changing political climate of the 1980s and 1990s. *Social Policy A New Feminist Analysis* covers traditional policy areas which makes it ideal reading for students of health housing social security and education as well as courses about women. *Social Policy* Gillian Pascall, 1991 [Social Policy Review 20](#) Tony Maltby, Patricia Kennett, Kirstein Rummery, 2008-06-11 This collection brings together opinion commentary research evidence professional guidance debate and critique in order to understand the phenomenon of anti social behaviour. [Rethinking Social Policy](#) Gail Lewis, Sharon Gewirtz, John Clarke, 2000-03-28 *Rethinking Social Policy* is a comprehensive introduction to and analysis of the complex mixture of problems and possibilities within the study of social policy. Contributors at the cutting edge of social policy analysis reflect upon the implications of new social and theoretical movements for welfare and the study of social policy. Topics covered include criminology and crime control race class and gender poverty and sexuality the body and the emotions violence work and welfare in Europe. Examples are drawn from a variety of welfare sectors such as social services and community care health education employment and criminal justice. This is a course reader for The Open University course D860 *Rethinking Social Practice*. **Introducing Social Policy** Cliff Alcock, Guy Daly, Edwin Griggs, 2014-06-06 The completely revised second edition of this highly respected textbook provides a comprehensive yet digestible and accessible introduction to the theoretical foundations development and crucial areas of contemporary concern in social policy and welfare. Fully up to date it provides a concise but thorough overview of the context for the provision of social welfare in contemporary Britain and beyond. Providing an integrated framework to highlight the relationships between theory policy and practice *Introducing Social Policy* examines social policy from a multi disciplinary perspective. It therefore encourages a broad understanding of the importance of the subject within social policy itself as well in social work healthcare education and beyond. **Social Policy** Hartley Dean, 2012-05-21 Providing a short and lively introduction for all students new to social policy this text analyses how healthcare and education jobs and money and even physical and

emotional security are mediated through social policy Understanding Theories and Concepts in Social Policy Ruth Lister,2010-06 Theory has rarely been so interesting lively engaging and real Ruth Lister has produced a text of great scholarship and a tour de force Saul Becker Professor of Social Policy and Social Care University of Nottingham UK

Social Policy for Nurses and the Helping Professions Stephen Peckham,Elizabeth Meerabeau,2007-04-16 What is social policy and why is it relevant to nursing and other caring professions How has the welfare state changed in response to new social problems What roles do professionals and lay people play in providing welfare services This fully revised text is one of a series of books providing coherent and multi disciplinary support for all client groups involved in the provision of health and social care The book examines the relationship between welfare and health and includes discussion of key policy issues such as changes in health care delivery regulation of professionals privatisation welfare pluralism and the tackling of health and social inequalities The significance of social policy in preventing ill health and disability as well as supporting the sick and disabled people is emphasised throughout the book This new edition is updated throughout and includes new chapters on Health policy in the post war period The role of health and social care professionals The future of social policy and health in the 21st century Social Policy for Nurses and the Helping Professions equips students with a lively readable and well illustrated introduction to social policy The reader is guided through the material with the help of chapter summaries further reading and a glossary as well as new examples and case studies to reflect the different client groups within nursing

Social Policy John Baldock,Lavinia Mitton,2011-09-22 Designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy Social Policy for Women in Pakistan Sara Rizvi Jafree,2023-06-07 This book

analyzes the different policy challenges that Pakistani women face and makes regionally relevant policy recommendations across different areas of private and public life drawing on secondary data from nationally representative surveys and primary data from qualitative interviews These areas include family safety housing adequacy food security and nutritional adequacy environment and disaster protection educational development employment and formal sector inclusion and health security The author examines how the history culture and political climate of Pakistan have shaped social policy for women interrogates gaps in social protections for women and analyzes the limitations for past interventions This text also looks at collaboration across South Asian countries as well as using religion social media financing and a new model of governance for comprehensive coverage and sustainable social policy for women This book will be of interest to scholars students and policymakers with focus on women s and gender studies and policy studies in South Asia **An Intellectual History of**

British Social Policy John Offer,2006-01-18 The history of social policy is emerging as an area of growing interest to both students and researchers This topical book charts the period from the 1830s to the present day providing a fresh analysis of the relationship between social theory and social policy in the UK Drawing on recent historical research the book reconsiders

and challenges many long held beliefs about the evolution of social policy presents a wide ranging reappraisal of links between social theories and changes in social policy pays particular attention to the importance of idealist social thought as an intellectual framework for understanding the welfare state has a distinctive focus on the importance of ideas in the history of social policy **The Routledge Handbook of Feminist Economics** Günseli Berik,Ebru Kongar,2021-05-23 The

Routledge Handbook of Feminist Economics presents a comprehensive overview of the contributions of feminist economics to the discipline of economics and beyond Each chapter situates the topic within the history of the field reflects upon current debates and looks forward to identify cutting edge research Consistent with feminist economics goal of strong objectivity this Handbook compiles contributions from different traditions in feminist economics including but not limited to Marxian political economy institutionalist economics ecological economics and neoclassical economics and from different disciplines such as economics philosophy and political science The Handbook delineates the social provisioning methodology and highlights its insights for the development of feminist economics The contributors are a diverse mix of established and rising scholars of feminist economics from around the globe who skilfully frame the current state and future direction of feminist economic scholarship This carefully crafted volume will be an essential resource for researchers and instructors of feminist economics **Welfare Rights and Social Policy** Hartley Dean,2014-06-06 Welfare Rights and Social Policy provides an

introduction to social policy through a discussion of welfare rights which are explored in historical comparative and critical context At a time when the cause of human rights is high on the global political agenda the author asks why the status of welfare rights as an element of human rights remains ambiguous Rights to social security employment housing education health and social care are critical to human well being Yet they are invariably subordinate to the civil and political rights of citizenship they are often fragile and difficult to enforce and because of their conditional nature they may be implicated in the social control of individual behaviour *Towards a Deliberative and Associational Democracy* Stephen

Elstub,2008-04-25 In an era where citizens of liberal democracies are becoming increasingly disillusioned dissatisfied and disenfranchised by the dominant political institutions and decision making processes in these polities new ideas of how to deepen democracy re engage citizens and enhance decision making legitimacy are required This book suggests that a combination of deliberative democracy and associational democracy is both a normatively desirable and an empirically plausible solution to the complex problems that are present in contemporary societies as well as being compatible with many recent trends in governance Author Stephen Elstub argues that by combining deliberative with associational democracy the weaknesses of each model alone are compensated by the other allowing the key strengths of each to manifest themselves And he goes further by offering a detailed set of original institutional requirements for liberal democracies that if adopted will enable a deliberative and associational democracy to be realised in practice **Gender-Class Equality in Political**

Economics Lynn Prince Cooke,2011-03-17 Gender Class Equality in Political Economies offers an in depth analysis of gender

class equality across six countries to reveal why gender class equality in paid and unpaid work remains elusive and what more policy might do to achieve better social and economic outcomes This book is the first to meld cross time with cross country comparisons link macro structures to micro behavior and connect class with gender dynamics to yield fresh insights into where we are on the road to gender equality why it varies across industrialized countries and the barriers to further progress

Motherhood in Literature and Culture Gill Rye, Victoria Browne, Adalgisa Giorgio, Emily Jeremiah, Abigail Lee Six, 2017-06-26 Motherhood remains a complex and contested issue in feminist research as well as public discussion This interdisciplinary volume explores cultural representations of motherhood in various contemporary European contexts including France Italy Germany Portugal Spain and the UK and it considers how such representations affect the ways in which different individuals and groups negotiate motherhood as both institution and lived experience It has a particular focus on literature but it also includes essays that examine representations of motherhood in philosophy art social policy and film The book s driving contention is that through intersecting with other fields and disciplines literature and the study of literature have an important role to play in nuancing dialogues around motherhood by offering challenging insights and imaginative responses to complex problems and experiences This is demonstrated throughout the volume which covers a range of topics including discursive and visual depictions of pregnancy and birth the impact of new reproductive technologies on changing family configurations the relationship between mothering and citizenship the shaping of policy imperatives regarding mothering and disability and the difficult realities of miscarriage child death violence and infanticide The collection expands and complicates hegemonic notions of motherhood as the authors map and analyse shifting conceptions of maternal subjectivity and embodiment explore some of the constraining and or enabling contexts in which mothering takes place and ask searching questions about what it means to be a mother in Europe today It will be of interest not only to those working in gender women s and feminist studies but also to scholars in literary and cultural studies and those researching in sociology criminology politics psychology medical ethics midwifery and related fields

Housing, Social Policy and Difference Malcolm Harrison, Cathy Davis, 2001-04-18 How does the welfare state and its institutions respond to impairment ethnicity and gender This book provides an overview of issues set in the context of housing From ethnic minority housing needs to the housing implications of domestic violence it shows how difference is regulated in housing

Social Security Law in Context Neville S. Harris, 2000 The social security system of Great Britain has reached a crossroads following the election of a Labour Government promising a New Age of welfare and seemingly prepared to think the unthinkable on welfare reform at a time when public expenditure on welfare benefits has reached nearly 100 billion per annum In 1985 the Conservative s Green Paper on social security reform announced that the benefits system had lost its way Attempts were made to curb benefits expenditure and reduce welfare dependency for example through better targeting of needs the reinforcement of personal and family responsibility and tighter administrative controls The ten years from 1988 to 1998 saw

the introduction of many new benefit schemes including income support family credit the social fund disability living allowance incapacity benefit and jobseeker s allowance as well as the increasing influence of European Law Yet the system achieves too little according to the new Government s Green Paper on welfare reform which promises a new contract between the citizen and the Government based on responsibilities and rights The precise form these responsibilities and rights will take remains unknown although we already have schemes like the New Deal and proposals for stakeholder pensions Meanwhile social security law continues to impact upon the lives of millions of citizens After ten years of major legislative change and with the prospect of a new direction this is a time to take stock and to analyse the social and legal impact of the past decade s legislation case law and policy as well as considering possible reforms The book s approach is to organise this task thematically particularly with regard to the social context to social security through discrete chapters on for example gender and the family disability housing old age and unemployment It is also opportune to examine the theoretical framework of state welfare and social security particularly in the context of social rights The book aims to provide an authoritative contextual and critical account of how British social security law has evolved how it operates its substance and its social effects

Anti-Discriminatory Practice Neil Thompson, 2020-11-21 Now going into its seventh edition Neil Thompson s *Anti Discriminatory Practice* has been providing a trusted introduction to the challenges of promoting social justice and equality for a quarter of a century Addressing the common concepts and issues across the various forms of discrimination this book explores the reasons why the development of anti discriminatory practice is so vital and examines the steps that need to be taken towards constructing a social work practice based on principles of anti discrimination and the promotion of equality Promoting social justice diversity and equality in social work practice is as vital today as it was when *Anti Discriminatory Practice* was first published and there is still much to learn Written with Thompson s inimitable clarity this new fully updated edition of a classic text is key reading for undergraduate and postgraduate students of social work Practitioners will also benefit hugely from Neil Thompson s experience and expertise New to this Edition A new edition of a popular and trusted textbook fully updated to reflect the many changes since the last edition *Voice of Experience and Practice* Focus examples encourage readers to think contextually and integrate theory and practice An explicit theory base with key points from each chapter drawn out to highlight specific main themes A range of questions for reflection and guidance on further learning Accompanying online resources for this title can be found at bloomsburyonlineresources.com the effective social worker These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

The Lives of Foster Carers Linda Nutt, 2006-09-27 *The Lives of Foster Carers* analyzes the contradictions conflicts and ambiguities experienced by foster carers arising from the inter penetrations of public bureaucracy and private family life Topics covered include social policy pertinent to childcare the history of foster care service available literature on the experience of foster carers public versus private domains in foster care motivations and

roles of foster carers how foster carers perceive themselves and their foster children Based on a wide range of literature and in depth interviews with forty six foster carers this book provides a valuable insight into the concerns processes and experiences of foster carers in the UK Jargon free and accessible it will appeal to foster carers practitioners students and academics in social care youth work and childcare as well as policy makers in children s services

Social Policy A New Feminist Analysis Introduction

In today's digital age, the availability of Social Policy A New Feminist Analysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Policy A New Feminist Analysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Policy A New Feminist Analysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Policy A New Feminist Analysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Policy A New Feminist Analysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Policy A New Feminist Analysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Policy A New Feminist Analysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Policy A New Feminist Analysis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Policy A New Feminist Analysis books and manuals for download and embark on your journey of knowledge?
