Roesch,2015-10-05 Major developments in the field since the publication of Learning Forensic Assessment are integrated in
this revised edition including revised editions of the DSM 5 HCR 20 scale and child custody guidelines This textbook is
designed for graduate students learning forensic assessment and psychologists coming to forensic practice later in their
careers It is organized around five broad areas Professional and Practice Issues Adult Forensic Assessment Juvenile Forensic
Assessment Civil Forensic Assessment and Communicating Your Findings Each chapter begins with a strong teaching and
learning foundation The latter part of each chapter is assessment specific covering available assessment measures and
approaches to assessment The authors go well beyond simple descriptions of assessment measures and provide a conceptual
discussion of the evaluation process that helps the reader understand how assessment measures fit into the overall
evaluation process The evaluation component is geared toward assessing the important aspects of the construct as laid out in
the early part of each chapter Each chapter then concludes with a case example to illustrate the measures and techniques
described **Law Books in Print: Title index** Glanville Publishers, Incorporated,1997 *Resources in Education*
