United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Education, Arts, and  
Humanities,1991      **Co-Teaching in the Differentiated Classroom** Melinda L. Fattig, Maureen Tormey Taylor, 2007-12-10  
Co Teaching in the Differentiated Classroom is a practical hands on guide that explains how to implement co teaching  
programs in mixed ability classrooms Based on the authors award winning model this important guide shows how special  
education teachers can pair with general education teachers to improve classroom functioning while promoting high  
achievement for all students The book provides tested frameworks and tools for teacher collaboration on lesson planning  
student grouping assessment and discipline It also offers guidance on managing overcrowded classrooms and on designing  
and implementing differentiated lessons and assignments and includes advice for administrators      **Houghton Mifflin**

Pedersen, 2012-04-01 Educating About Social Issues in the 20th and 21st Centuries A Critical Annotated Bibliography is  
comprised of critical essays accompanied by annotated bibliographies on a host of programs models strategies and concerns  
vis vis teaching and learning about social issues facing society The primary goal of the book is to provide undergraduate and  
graduate students in the field of education professors of education and teachers with a valuable resource as they engage in  
research and practice in relation to teaching about social issues In the introductory essays authors present an overview of  
their respective topics e g The Hunt Metcalf Model Science Technology Science Genocide Education In doing so they address  
among other concerns the following key theories goals objectives and the research base Many also provide a set of  
recommendations for adapting and or strengthening a particular model program or the study of a specific social issue In the  
annotated bibliographies accompanying the essays authors include those works that are considered classics and foundational  
They also include research and practice oriented articles Due to space constraints the annotated bibliographies generally  
offer a mere sampling of what is available on each approach program model or concern The book is composed of twenty two  
chapters and addresses an eclectic array of topics including but not limited to the following the history of teaching and  
learning about social issues George S Counts and social issues propaganda analysis Harold Rugg s textbook program Hunt
