Social Work Health And Equality:

Social Work, Health and Equality Paul Bywaters, Eileen McLeod, 2012-10-12 What impact can social work make on inequalities in health Social Work Health and Equality opens up a new direction in the practice and theory of social work Focussing on the profound human suffering which arises from social inequalities in health it shows how social work can make a significant contribution to creating more equal experiences of health and illness describes the major shifts in conceptualisation practice and organisation necessary to bring about change The authors explore these questions in relation to four key aspects of health health maintenance illness at home hospitalisation and facing death Grounding the text in everyday lived experience they show how social work must change its discourse and its practice if it is to respond effectively to the challenges of its new role in tackling health issues

Social work and global health inequalities Bywaters, Paul, McLeod, Eileen, 2009-09-16 Tackling inequalities in health is an essential social work task Every day social workers grapple with the impact on people's lives of the social inequalities that shape their health chances and experience This book examines the relationship between social work and health inequalities in the context of globalisation Based on the practice expertise and research of social workers from developing and developed countries worldwide and using specific examples this book demonstrates the relevance of health inequalities to social work practice and policy across the lifecourse analyses barriers to good health that result from global social economic environmental and political trends develops core ideas on how social workers can act to combat negative effects of globalisation by adopting a health inequalities lens Social work and global health inequalities is a unique snapshot of a new global social work that is responsive to local conditions and circumstances but seeks partners in the international struggle for equity rights and social justice This groundbreaking collection is essential reading for social work students academics and researchers and for policy makers managers and social workers

Promoting Health and Well-being in Social Work Education Beth R. Crisp, Liz Beddoe, 2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of Social Work Education
