The Contemporary Review February 1896      **An Unsocial Socialist (a Humorous Take on the Socialism of Victorian England)** George Bernard Shaw, 2022-02-15 An Unsocial Socialist Shaw's last written novel was published in 1887 having been written in 1883 The tale begins with a humorous description of student antics at a girl's school then changes focus to a seemingly uncouth labourer who it soon develops is really a wealthy gentleman in hiding from his overly affectionate wife Tinged with self satirical overtones this novel shows both the positive and negative aspects of Socialism in a comically paradoxical manner Excerpt I am expected to be something more than mortal Everyone else is encouraged to complain and to be weak and silly But I must have no feeling I must be always in the right Everyone else may be homesick or huffed or in low spirits I must have no nerves and must keep others laughing all day long George Bernard Shaw 1856 1950 was an Irish playwright essayist novelist and short story writer and wrote more than 60 plays He is the only person to have been awarded both a Nobel Prize in Literature 1925 and an Academy Award 1938      *The Socialism of Bernard Shaw* Harry Morrison, 1989

explanations of trade unionism the regulation of property and production the establishment of worker s rights and a harnessing of industry toward creating prosperity for all Although the public at the time were sympathetic to democratic socialism they were confused as to methods behind its implementation One of the essayists Annie Besant keenly addresses the How Other essays meanwhile are more general in tone concerning policy plans for the future and the moral cause for socialism

**An Unsocial Socialist, the Original Classic (Large Print)** George Bernard Shaw,2015-05-21 In the dusk of an October evening a sensible looking woman of forty came out through an oaken door to a broad landing on the first floor of an old English country house A braid of her hair had fallen forward as if she had been stooping over book or pen and she stood for a moment to smooth it and to gaze contemplatively not in the least sentimentally through the tall narrow window The sun was setting but its glories were at the other side of the house for this window looked eastward where the landscape of sheepwalks and pasture land was sobering at the approach of darkness The lady like one to whom silence and quiet were luxuries lingered on the landing for some time Then she turned towards another door on which was inscribed in white letters Class Room No 6 Arrested by a whispering above she paused in the doorway and looked up the stairs along a broad smooth handrail that swept round in an unbroken curve at each landing forming an inclined plane from the top to the bottom of the house A young voice apparently mimicking someone now came from above saying We will take the Etudes de la Velocite next if you please ladies
