## **Society Revolution And Reform Proceedings:**

*Society Revolution and Reform* Oberlin Colloquium in Philosophy, 1971      Proceedings of the XIV INTERNATIONAL SYMPOSIUM SYMORG 2014 Aleksandar Marković, Slađana Barjaktarović Rakočević, 2014-06-05      *Society Revolution and Reform*, 1971      **Legislative Intent and Other Essays on Law, Politics, and Morality** Gerald Cushing MacCallum, 1993

In the last years of his life Gerald C MacCallum Jr defied illness to continue his work on the philosophy of law This book is a monument to MacCallum's effort containing fourteen of his essays five of them published here for the first time Two of those previously published are widely admired and reprinted Legislative Intent certainly one of the best papers published on its topic and Negative and Positive Freedom which offered a new way of looking at a distinction that had been canonical for the last two centuries To complete MacCallum's unfinished pieces Marcus G Singer and Rex Martin painstakingly consulted MacCallum's notes for planned revisions MacCallum discusses legal reasoning the application of rules the interpretation of statutes and constitutional provisions and the relation of these matters to morality and justice In the last decade of his working life he became greatly concerned with the interrelated themes of integrity autonomy conscience and violence He became interested in the relations between competition and morality and between justice and adversarial systems of law These themes are woven together in Legislative Intent and constitute the main subject of some of the essays MacCallum was engaged in a constant search for truth and understanding and in his life and work lived up to Emerson's vision of the American Scholar as Man Thinking These essays are informed by the author's deep curiosity penetrating intelligence wide knowledge and outstanding character They will be treasured wherever these characteristics and true philosophy are treasured

**The community enterprise. A model for the reform process in Latin America**,      **Proceedings of the International Conference on Law, Economic & Good Governance (IC-LAW 2023)** Abdul Kadir Jaelani, Irwansyah Irwansyah, Fokke Fernhout, Agus Raharjo, Mohd Rizal Palil, Hilaire Tegnán, Okid Parama Astirin, Sutarno Sutarno, Venty Suryanti, Pranoto Pranoto, Robbi Rahim, 2024-02-21 This is an open access book The position of Indonesia and most countries in IMF calculations facing the same challenges Each country requires the legal instruments of a good and reliable system of Government to guard against the worst possible economic turmoil Good governance is an insistence of the constitution in the economic Article 33 paragraph 5 subsequently published Constitution Number 30 Year of 2014 on Government Administration contains 17 principles of a good governance One of the important points of the principle is a government without corruption and manipulation of policy concepts in order to provide access to consolidation in politics and economy The latest Transparency International report for 2023 shows that Indonesia's corruption perception index was recorded at 34 points on a scale of 0 100 in 2022 This is a 4 point decrease from the previous year This decline in the CPI also brought down the ranking of Indonesia's CPI globally It was noted that Indonesia's CPI in 2022 ranked 110th In the previous year Indonesia's CPI was ranked 96th globally Good Governance is all aspects related to the control and supervision of the power of the

Government in carrying out its functions through formal and informal institutions To implement the principles of Good Governance and Clean Government the Government must implement the principles of accountability and efficient resource management Good and clean governance will contribute to economic growth and economic growth will have an impact on human development During the last decades of 20th century the needs for a good governance has given some impacts and became a recurring theme in literature related to human development The intervention of government or the quality of government become crucially important in relation to the high achievement of human development Whereas an effort in improving society s welfare is through economic development One of dominant aspects in economic development is through legal development Good law or policy in such country will have some impacts to the existence of good economic growth because supremacy of law is one aspect of a good governance Law supremacy is an important institution which is related to economic growth because rule of law ensures personal safety property rights unbiased contract enforcement stability of politics freedom of speech and control of corruption According to those various issues and debates on economic legal development and good governance then the Doctoral Program of the Faculty of Law Sebelas Maret University needs to hold an international conference as a place in exchanging some academic ideas in order to contributes to those legal issues with a theme INTERNATIONAL CONFERENCE ON LAW ECONOMICS AND GOOD GOVERNANCE

### **Intellectuals in Action**

Kevin Mattson, 2007-08-09 Born in 1966 a generation removed from the counterculture Kevin Mattson came of political age in the conservative Reagan era In an effort to understand contemporary political ambivalence and the plight of radicalism today Mattson looks back to the ideas that informed the protest social movements and activism of the 1960s To accomplish its historical reconstruction the book combines traditional intellectual biography including thorough archival research with social history to examine a group of intellectuals whose thinking was crucial in the formulation of New Left political theory These include C Wright Mills the popular radical sociologist Paul Goodman a practicing Gestalt therapist and anarcho pacifist William Appleman Williams the historian and famed critic of American empire Arnold Kaufman a radical liberal who deeply influenced the thinking of the SDS The book discusses not only their ideas but also their practices from writing pamphlets and arranging television debates to forming left leaning think tanks and organizing teach ins protesting the Vietnam War Mattson argues that it is this political engagement balanced with a commitment to truth telling that is lacking in our own age of postmodern acquiescence Challenging the standard interpretation of the New Left as inherently in conflict with liberalism Mattson depicts their relationship as more complicated pointing to possibilities for a radical liberalism today Intellectual and social historians as well as general readers either fascinated by the 1960s protest movements or actively seeking an alternative to our contemporary political malaise will embrace Mattson s book and its promise to shed new light on a time period known for both its intriguing conflicts and its enduring consequences
