Economy and Society in Europe Luigi Burrioni, Maarten Keune, Guglielmo Meardi, 2012 Drawing on the development of economic sociology over the past 40 years this book brings together leading scholars to explore the relationship between social institutions on

economic processes Inspired in particular by the innovative and creative dimensions of Colin Crouch's work they signpost directions for future research It will be an important reader for international scholars exploring the unfolding dimensions of contemporary relations in economy and society Jacqueline O'Reilly University of Brighton Business School UK Improving our understanding of how economy and society interrelate in Europe is of paramount importance The rigorous and thought provoking analyses about the interaction between markets and the institutions of society contained in this book undoubtedly represent an excellent example of how this improvement can be achieved especially in these times of crisis Andr s Rodr guez Pose London School of Economics UK This book offers a refreshing account of the deep changes occurring over recent years in the relationship between economy and society in Europe This is of course a classical theme since Max Weber's work but the social institutions which shape economic performance have profoundly evolved as have the analytical categories used to understand them The contributions in this volume provide a broad and interesting perspective dealing with issues as varied as industrial relations welfare regimes families and the labour market universities local governance and many others In the wake of the financial crisis the major theories on the role of such institutions are found partly unsatisfactory as the boundaries between economy and society are constantly shifting Everyone interested in improving our analytical tools to understand the direction of change in Europe should welcome this book Marino Regini University of Milan Italy While an economy is always embedded in society the relationship between the two is undergoing profound changes in Europe resulting in widespread instability which is emphasised by the current crisis This book analyses these changes and in particular pressures of intensifying international competition globalization and financialization within Europe Combining the perspectives of economic sociology political economy and political science the expert contributors offer an in depth multidisciplinary insight to the functioning of a number of institutional arenas around which European economies and societies are organized Areas explored include the state and public policy at European national and regional level the welfare state industrial relations systems education systems and the family This challenging and thought provoking book will be of great interest to a wide ranging audience across a number of disciplines including European studies political science comparative political economy economic sociology industrial relations and social policy

Gender and the Open Method of Coordination Samantha Velluti, 2016-04-15 Containing contributions by some of the best known researchers in the field this volume considers the intersection between the Open Method of Coordination OMC a relatively new mode of policy making and gender equality a long standing area of EU policy It draws on a range of disciplinary perspectives to examine the effectiveness of the OMC as a medium for the advancement of gender equality within the EU It also considers gender in the OMC in a variety of contexts and at both a general EU and Member State level Central to the discussion is the concept of gender mainstreaming which proposes that a gender equality perspective should be incorporated at every level and opportunity of EU policy and practice The authors assess how successful this has been in the context of the OMC The book

provides a unique and contemporary body of work on the OMC which adds significantly to existing understandings of this form of governance and informs critical debate of EU social governance Inclusions and Exclusions in European Societies Martin Kohli, Alison Woodward, 2004-01-14 European social development over the last century has been characterized by an increasing inclusiveness of people into the ever larger collectives of the nation state the European Union and categories of welfare entitlement Yet recent empirical data suggests that income gaps are growing and that within the physical borders of Europe there is a greater cultural and ethnic heterogeneity than ever before Effectively many of the processes of inclusion are accompanied by exclusion and the creation of new borders identities and rights Inclusions and Exclusions in European Societies features eminent contributors from across Europe addressing the problems of inclusion and exclusion as they affect European societies today Amongst the topics addressed are to what extent classical theory provides useful ways of reframing European societies which inequalities in work and welfare persist today and in what ways they have been transformed in processes of European integration how considerations of new identities and the pressure of globalisation affect the forms of inclusion and exclusion in Europe This book constitutes a unique stock taking of many of the central issues in European social integration or disintegration today European Society William Outhwaite, 2013-05-02 Does it make sense to speak of a European society above and beyond its component states and regions In this major new book William Outhwaite argues that it does He goes beyond the study of individual states and specific regions of Europe to examine the changing contours of the continent as a whole at a time when Europe is beginning to look and act more like a single entity In what we have come to call Europe there developed distinctive forms of political economic and more broadly social organisation many of course building on elements drawn from more advanced civilisations elsewhere in the world During the centuries of European dominance these forms were often exported to other world regions where the export versions often surpassed the original ones In the present century many features of European life remain distinctive the European welfare or social model a substantially secularised culture and particular forms of democratic politics and of the relations between politics and the economy This book provides a concise overview and analysis of these features which continue to make Europe a relatively distinctive region of global modernity The book will become a key text for students taking courses on contemporary Europe whether these are in departments of politics sociology literature or European Studies It will also be of great interest to anyone living in or concerned with Europe today **Handbook of European Social Policy** Patricia Kennett, Noemi Lendvai-Bainton, 2017-08-25 This Handbook will comprise of 29 original pieces from key contributors to the field of European social policy It is intended to capture the state of the art in European social policy and to generate and contribute to debates on the the future of European social policy in the 21st Century It will be a comprehensive and authoritative resource for research and teaching covering themes and policy areas including social exclusion pensions education children and family as well as mobility and migration multiculturalism and climate change Care and Social Integration in European Societies

Birgit Pfau-Effinger, Birgit Geissler, 2005-09-07 This book provides invaluable descriptions and comparative analyses of the now complex and highly varied arrangements for the care of children disabled and older people in Europe set within the context of changing labour markets and welfare systems It includes analyses of the modernisation of informal care and new forms of informal care topics often neglected in the literature Issues of gender family change social integration and citizenship are all explored in a series of chapters that report on original empirical cross national research All contributors are high ranking experts involved in the COST A13 Action Programme funded by the European Union Care and social integration in European societies is essential reading for social policy and sociology academics particularly those who are interested in comparative policy analysis gender labour markets and families It is also recommended reading for graduate level students in these fields and policy makers for whom the book provides a unique resource on the latest European developments in this critical policy area

European Societies Today James Wickham, 2020-06-01 This accessible new text introduces students to contemporary European societies by examining structures of inequality making sense of the empirical and historical contexts Focusing on seven differing European societies France Germany Ireland Italy Poland Sweden and the UK it examines the different ways in which sociology and political economy understand the social structure of contemporary Europe Separate chapters outline key aspects of inequality beginning with income wealth and poverty followed by occupation and social class gender regional inequality ethnicity and migration By focusing on the role of the national welfare states of Europe in restraining economic inequality the book enables a realistic appraisal of the European Social Model Key features Examines European distinctiveness and difference Visual presentation of data accessibly informs the reader about distinctive features of specific societies Comparative approach extends to evaluate the extent to which Europe differs from the USA Illustrates how the UK's half hearted relationship to Europe is not just a matter of history or politics but also of contemporary social structure Key in text features include discussion topics and key readings This textbook will be essential reading for students of European studies European politics European societies social inequality structure European welfare and policy and more broadly to sociology and public policy and administration

European Societies Thomas Boje, Bart Van Steenberghe, Sylvia Walby, 2013-03-07 Are the recent developments in Europe bringing countries together or pulling them apart The leading experts in this book including Sheila Allen Marlis Buchmann Piotr Sztompka and Patrick Ziltener cover a wide range of subjects including the move towards political democracy and market economy in Central and Eastern societies the project of the European Union ethnic conflict the rise of nationalism social exclusion and women's role in public life

Mediterranean Capitalism Revisited Luigi Burroni, Emmanuele Pavolini, Marino Regini, 2022-01-15 Mediterranean Capitalism Revisited brings together leading experts on the political economies of southern Europe specifically Greece Italy

Spain and Portugal to closely analyze and explain the primary socioeconomic and institutional features that define Mediterranean capitalism within the wider European context These economies share a number of features most notably their difficulties to provide viable answers to the challenge of globalization By examining and comparing such components as welfare education and innovation policies cultural dimensions and labor market regulation Mediterranean Capitalism Revisited attends to both commonalities and divergences between the four countries identifying the main reasons behind the poor performance of their economies and slow recovery from the Great Recession of 2007 2008 This volume also sheds light on the process of diversification among the four countries and addresses whether it did and still does make sense to speak of a uniquely Mediterranean model of capitalism Contributors Alexandre Afonso Leiden University Lucio Baccaro Max Planck Institute for the Study of Societies Rui Branco NOVA University of Lisbon Fabio Bulfone Max Planck Institute for the Study of Societies Gliberto Capano University of Bologna Sabrina Colombo University of Milan Lisa Dorigatti University of Milan Ana M Guill n University of Oviedo Matteo Jessoula University of Milan Andrea Lippi University of Florence Manos Matsaganis Polytechnic University of Milan Oscar Molina Autonomous University of Barcelona Manuela Moschella Scuola Normale Superiore Sofia A P rez Boston University Gemma Scalise University of Bergamo Arianna Tassinari Max Planck Institute for the Study of Societies

Unsocial Europe Anne Gray,2004-10-20 How and why are European welfare systems and the labour market changing How do they affect the daily lives of those facing unemployment or precarious work Anne Gray shows how the idea of unemployment benefits as a right is evolving into a regime closer to American workfare She explains how this policy forces the unemployed into low paid temporary or part time jobs associated with the new flexible labour market Drawing on unemployed people s own accounts of their experiences in the UK Germany France and Belgium Gray illustrates the job market as seen from the dole queue Exploring the changing nature of work in Europe Gray reveals why is there a shortage of full time permanent jobs what is to be done and what the future holds for labour market regulation in Europe Providing clear explanations about shifts in welfare policy this book is ideal for trade unionists activists and students and makes an important contribution to wider debates on globalisation and the future of work European Gender Regimes and Policies Sevil Sümer,2016-04-22 Comprehensive gender equality remains an unfulfilled goal in many European countries in spite of important developments and challenges to the traditional gendered division of labour This volume reviews recent advances of gender policies in different countries in the European Union together with recent empirical data on gender relations in the labour market and within families It adopts an international and interdisciplinary perspective through its use of qualitative and quantitative data and a comprehensive theoretical framework Particular attention is paid to the latest developments in the field of gender equality in different Scandinavian countries countries which are customarily seen as forerunners in the area The title culminates with an in depth discussion on the possibility of converging alternate gender policy regimes in Europe Flexibility and employment security in Europe R. J. A. Muffels,2014-05-14 This title presents

carefully selected articles that are at the ultimate forefront of professional studies on transitional labour markets and flexicurity
