K. D. Reynolds

Society's Queen Edith Marchioness Of Londonderry:

Society's Queen Anne de Courcy, 2012-12-20 From the author of the critically acclaimed THE VICEROY'S DAUGHTERS the story of a glittering aristocrat who was also at the heart of political society in the interwar years At the age of twenty one Edith Chaplin married one of the most eligible bachelors of the day the eldest son of the sixth Marquess of Londonderry Her husband served in the Ulster cabinet and was Air Minister in the National Government of 1934-5 Edith founded the Women's Legion during the First World War and was also an early campaigner for women's suffrage She created the renowned Mount Stewart Gardens in County Down that are now owned by the National Trust All her life Edith remained at the heart of politics both in Westminster and Ireland She is perhaps best known for her role as society's queen a hostess to the rich and famous Her close circle of friends included Winston Churchill Lady Astor Neville Chamberlain and Harold Macmillan who congregated in her salon known as The Ark Other members included artists and writers such as John Buchan Sean O'Casey Britain's first Labour prime minister Ramsey MacDonald became romantically obsessed by her Society's Queen Anne De Courcy, 2004 At the age of twenty one Edith Chaplin married one of the most eligible bachelors of the day the eldest son of the sixth Marquess of Londonderry Her husband served in the Ulster cabinet and was Air Minister in the National Government of 1934-5 Edith founded the Women's Legion during the First World War and was also an early campaigner for women's suffrage She created the renowned Mount Stewart Gardens in County Down that are now owned by the National Trust All her life Edith remained at the heart of politics both in Westminster and Ireland She is perhaps best known for her role as society's queen a hostess to the rich and famous Her close circle of friends included Winston Churchill Lady Astor Neville Chamberlain and Harold Macmillan who congregated in her salon known as The Ark Other members included artists and writers such as John Buchan Sean O'Casey Britain's first Labour prime minister Ramsey MacDonald became romantically obsessed by her The Ladies of Londonderry Diane Urquhart, 2007-03-10 Against a backdrop of increasing democracy and the associated process of aristocratic decline this book examines the political influence of the leading Tory hostesses the Marchionesses of Londonderry Over one hundred and fifty years from 1800-1959 these women were patrons and confidantes to key political figures such as Disraeli Bonar Law Edward Carson and Ramsay MacDonald By the late 19th century upper class women were at the height of their prowess exerting political sway by private means whilst exploiting more public avenues of political work canvassing addressing meetings and leading the new associations established in an attempt to educate a mass electorate At that time this hybrid of private and public aristocratic politicking aroused little criticism but by the interwar period they held that the 7th Marchioness of Londonderry Edith Vane Tempest Stewart allegedly had over MacDonald prompted widespread criticism of her role as the Mother of the National Government The lives of these vibrant and fascinating women have long been overlooked in histories of the nineteenth and early twentieth centuries as well as in studies of conservatism unionism or the aristocracy Despite their social and political importance few of their contemporaries

acknowledged their influence partly because of the indirect way that aristocratic women exerted political power and their place in society was essentially defined by their male relatives The Ladies of Londonderry offers the first examination of the powerful political hostesses of the Anglo Irish establishment and sheds considerable light on the workings of 19th and 20th century politics Queen Bees Siân Evans,2016-09-08 ENORMOUS FUN GUARDIAN SO ENTERTAINING THE TIMES GOSSIPY LIGHT AND FUN TLS Queen Bees looks at the lives of six remarkable women who made careers out of being society hostesses including Lady Astor who went on to become the first female MP and Mrs Greville who cultivated relationships with Edward VII as well as Lady Londonderry Lady Cunard Laura Corrigan and Lady Colefax Written with wit verve and heart Queen Bees is the story of a form of societal revolution and the extraordinary women who helped it happen In the aftermath of the First World War the previously strict hierarchies of the British class system were weakened For a number of ambitious spirited women this was the chance they needed to slip through the cracks and take their place at the top of society as the great hostesses of the time In an age when the place of women was uncertain becoming a hostess was not a chore but a career choice and though some of the hostesses backgrounds were surprisingly humble their aspirations were anything but During the inter war years these extraordinary women ruled over London society from their dining tables and salons entertaining everyone from the Mosleys to the Mitfords from millionaires to maharajahs from film stars to royalty and their influence can still be felt today *Circe* Anne De Courcy,1992-01 **‘Guilty Women’, Foreign Policy, and Appeasement in Inter-War Britain** Julie V. Gottlieb,2016-02-07 British women were deeply invested in foreign policy between the wars This study casts new light on the turn to international affairs in feminist politics the gendered representation and experience of the Munich Crisis and the profound impression made by female public opinion on PM Neville Chamberlain in his negotiations with the dictators *The Million Dollar Duchesses* Julie Ferry,2018-05-03 On 6 November 1895 Consuelo Vanderbilt married Charles Spencer Churchill 9th Duke of Marlborough Though the preceding months had included spurned loves unexpected deaths scandal and illicit affairs the wedding was the crowning moment for the unofficial marriage brokers Lady Minnie Paget and Consuelo Yzanga Dowager Duchess of Manchester the original buccaneers who had instructed cajoled and manipulated wealthy young heiresses into making the perfect match Fame money power prestige perhaps even love these were some of the reasons for the marriages that took place between wealthy American heiresses and the English aristocracy in 1895 For a few the marriages were happy but for many others the matches brought loneliness infidelity bankruptcy and divorce Focusing on a single year The Transatlantic Marriage Bureau tells the story of a group of wealthy American heiresses seeking to marry into the English aristocracy From the beautiful and eligible debutante Consuelo Vanderbilt in love with a dashing older man but thwarted by her controlling mother Washington society heiress Mary Leiter who married the pompous Lord Curzon and became the Vicereine of India Maud Burke vivacious San Francisco belle with a questionable background this book uncovers their stories Also revealed is the hidden role played Lady

Minnie Paget and Consuelo Yzanga Dowager Duchess of Manchester two unofficial marriage brokers who taught the heiresses how to use every social trick in the book to land their dream husband The Transatlantic Marriage Bureau dashes through the year to uncover the seasons the parties the money the glamour the gossip the scandal and the titles always with one eye on the two women who made it all possible **1939: The Last Season** Anne de Courcy,2012-12-20 A wonderful portrait of British upper class life in the Season of 1939 the last before the Second World War The Season of 1939 brought all those in Society to London The young debutante daughters of the upper classes were presented to the King and Queen to mark their acceptance into the new adult world of their parents They sparkled their way through a succession of balls and parties and sporting events The Season brought together influential people not only from Society but also from Government at the various events of the social calendar Prime Minister Neville Chamberlain chaperoned his debutante niece to weekend house parties Lord Halifax the Foreign Secretary lunched with the Headmaster of Eton Cabinet Ministers encountered foreign Ambassadors at balls in the houses of the great hostesses As the hot summer drew on the newspapers filled with ever more ominous reports of the relentless progress towards war There was nothing to do but wait and dance The last season of peace was nearly over **Suffragism and the Great War** Vivien Newman,2018-05-30 Join Dr Vivien Newman arm in arm with some of the formidable women of the pre First World War suffrage and anti suffrage movements as on the declaration of war they turn their considerable skills honed over 50 years of active campaigning to both support of the war and the pursuit of peace Get to know how these women could bend politicians wills to their own challenge and break the many role norms of contemporary patriarchal society raise hundreds of thousands of pounds in voluntary contributions and help convince the US public to join the Allied Cause This book explodes many myths including the simplistic idea that it was women s war service alone which led to their partial enfranchisement in 1918 as some form of reward from a grateful nation Vivien Newman reveals a social tapestry which is both complex and infinitely fascinating one of old friendships broken and new ones formed shifting alliances and bitter rivalries of loyalties and even betrayals *A Brief History of Montmaray* Michelle Cooper,2009-10-13 There s a fine line between gossip and history when one is talking about kings Sophie Fitzosborne lives in a crumbling castle in the tiny island kingdom of Montmaray with her eccentric and impoverished royal family When she receives a journal for her sixteenth birthday Sophie decides to chronicle day to day life on the island But this is 1936 and the news that trickles in from the mainland reveals a world on the brink of war The politics of Europe seem far away from their remote island until two German officers land a boat on Montmaray And then suddenly politics become very personal indeed *A Brief History of Montmaray* is a heart stopping tale of loyalty love and loss and of fighting to hold on to home when the world is exploding all around you Once in a while a special book will cross our paths and make us grateful for life and the ability to read I m talking about *A Brief History of Montmaray* by Michelle Cooper I m calling her Australia s next stroke of literary brilliance Viewpoint **The FitzOsbornes in Exile** Michelle Cooper,2011-04-05 Michelle Cooper combines the drama of

pre War Europe with the romance of debutante balls and gives us another compelling historical page turner Sophia FitzOsborne and the royal family of Montmaray escaped their remote island home when the Germans attacked and now find themselves in the lap of luxury Sophie's journal fills us in on the social whirl of London's 1937 season but even a princess in lovely new gowns finds it hard to fit in Is there no other debutante who reads And while the balls and house parties go on newspaper headlines scream of war in Spain and threats from Germany No one wants a second world war Especially not the Montmaravians with all Europe under attack who will care about the fate of their tiny island kingdom Will the FitzOsbornes ever be able to go home again Could Montmaray be lost forever Liberal Hearts and Coronets Veronica Strong-Boag,2015-02-26 Scottish aristocrats John Campbell Gordon 1847 1934 and Ishbel Marjoribanks Gordon 1857 1939 known as the Aberdeens rejected both revolution and reaction in their political careers The aristocratic progressivism and egalitarian marriage of these fervent liberals confounded both contemporaries and historians John as viceroy of Ireland and governor general of Canada was a notable ally of feminists workers and Irish Home Rulers Ishbel his viceregal companion and the long time president of the International Council of Women was a liberal feminist and Home Ruler whose commitments stirred up even more controversy Superbly written and informed by decades of research Liberal Hearts and Coronets is the first biography to treat John Campbell Gordon as seriously as his better known wife Examining the Aberdeens remarkable careers as landlords philanthropists and international progressives Veronica Strong Boag casts the twilight of the British aristocracy in an entirely new light **Hitler's Aristocrats** Susan Ronald,2023-03-15 Susan Ronald the acclaimed author of *Hitler's Art Thief* takes us into the shadowy world of the aristocrats and business leaders on both sides of the Atlantic who secretly aided Hitler and Nazi Germany **Women on the Right** Clarisse Berthezène,Laura Lee Downs,Julie V. Gottlieb,2025-01-09 *Women on the Right* explores the complex relationships between conservative and right wing politics social action and women actors from the late 19th to the late 20th century Edited by Clarisse Berthez ne Laura Lee Downs and Julie V Gottlieb each essay examines the spectrum of women's engagement with right wing politics from centrist and progressive conservatism groups to authoritarianism and fascism This book uses local and national case studies to explore a wide range of women's social and political mobilizations Using a bottom up perspective it stays focused on the ideas ambitions and practices of the actors themselves Key points of comparison include the very different roles played by religious institutions and associations the broader regional and national contexts and the dynamics that favour or not the eventual construction of welfare states *Women on the Right* consistently adopts a multinational and multidimensional approach by bringing together a team of expert contributors to engage in a discussion of the comparative and transnational features of right wing women's political thought and practice The result is a unique contribution to the historical understanding of women's participation in and ideas about conservative activism Aristocratic Women and Political Society in Victorian Britain K. D. Reynolds,1998 This is a study of gender and power in Victorian Britain It examines the contribution made by

women to the public culture of the British aristocracy in the nineteenth century It challenges the view that power and authority were predominantly masculine attributes and shows that a partnership of authority between men and women was integral to aristocratic life The book is thus an important addition to the debate on separate spheres Dr Reynolds explores the roles of aristocratic women in estate management patronage of churches and schools and in caring for the poor and other dependants She shows how women were at the heart of the local communities and institutions on which aristocratic power was based The book goes on to discuss the realm of national politics analysing women's participation in the electoral process in Westminster based political life and at Queen Victoria's court Based on a wide range of previously unused archival sources *Aristocratic Women and Political Society* presents a lively portrait of women's experiences and a corrective to the view of the upper class Victorian woman as a passive social butterfly **A Woman's Will** Viki Holton, 2023-07-15 Unearths the lives of British women over 1 000 years using the rich historical record of their wills and legacies **Country House Society** Pamela Horn, 2013-10-15 Forget glossy period dramas here is the real story of Britain's super rich from the First World War to the end of the roaring twenties *A Liberal Chronicle in Peace and War* Cameron Hazlehurst, Christine Woodland, 2023-07-03 Jack Pease was at the heart of the British Liberal government from 1908 to 1915 holding the position of Chief Whip through two general elections and a member of the Cabinet confronting domestic tumult international tensions and war Pease was an unassuming participant in the deliberations of a unique gathering of political talent His journals as President of the Board of Education from 1911 to the formation of the coalition ministry in 1915 are a closely observed unvarnished record of what he saw and heard in Downing St and Westminster constitutional and Home Rule crises industrial conflict electoral reform women's suffrage controversies struggles over budgets naval estimates and foreign policy Despite his Quaker beliefs Pease committed to supporting war against Germany and his troubled conscience is laid bare in letters to his wife and friends Replete with intimate portraits of his revered chief H H Asquith and the Prime Minister's social circle the journals also provide evocative observations of the contest of ideas arguments and moods of prominent contemporaries especially David Lloyd George as Chancellor of the Exchequer Winston Churchill as Home Secretary then First Lord of the Admiralty and Lord Kitchener as Secretary of State for War Pease's candid accounts augmented by the diaries and letters of others privy to Cabinet policy secrets and personal rivalries reveal the stories not told in the Prime Minister's reports to the King Together with the editors' biographical introduction extensive explanatory commentaries and bibliographical guidance Pease's text provides a uniquely comprehensive understanding of Asquith's Liberal government in peace and war [The Blue Beast](#) Jonathan Walker, 2011-11-30 The Blue Beast Edwardian slang for sexual passion is the true account of the intimate lives of three extraordinary Edwardian women Drawing on private family archives and highly revealing letters and diaries the story examines how they became mistresses or confidantes of some of the most powerful men in Britain men who profoundly affected the Empire's efforts in the First World War The wealthy and voluptuous American adventuress Emilie

Grigsby claimed she was the mascot of High Command and not without good reason She courted the press baron Lord Northcliffe the philandering Quartermaster General Sir John Cowans and The Times military correspondent Colonel Charles Repington all of whom fell under her spell It was manipulation on an ambitious scale although eventually her schemes unravelled Meanwhile the sensuous and statuesque Winifred Wendy Bennett launched into a passionate affair with the Commander in Chief Field Marshal Sir John French The Blue Beast uncovers how they conducted their relationship whilst French wrestled with crisis after crisis to keep command of a vast army on the Western Front Finally the strong willed and aristocratic Hon Sylvia Henley replaced her sister Venetia Stanley as the close confidante of Prime Minister Asquith It brought her great influence but it was no compensation for the personal heartache that followed Taking the reader on a journey into London s High Society during the glittering Edwardian era and the tumult of the Great War Jonathan Walker uncovers a story of power passion and betrayal Prime Ministers of the 20th Century Mark Dunton, 2021-03-03 A concise history of each of the UK s twentieth century Prime Ministers from Robert Gascoyne Cecil to Tony Blair featuring archival images and documents This book gives an overview of each of the British Prime Ministers of the twentieth century summarising their premierships their policies and the key events It is lavishly illustrated with images of documents from The National Archives which give a fresh dimension to the study of the Prime Minister s role providing insights into their personalities and the pressures that Prime Ministers are subject to Handwritten comments by Prime Ministers enable the reader to connect with the individual and how they felt at the time There are dramatic episodes and examples of forthright reactions but flashes of humour too
