Sociological Studies Of Children And Youth Special International Volume:

Sociological Studies of Children and Youth Loretta E. Bass, David A. Kinney, Katherine Brown Rosier, 2005-06-02 This volume illustrates how international childhood researchers can use current concepts and theories into unlikely contexts exposing their limitations and helping to inform more versatile and robust lines of thinking for children and youth studies

Legacies of Injustice Steve Carlton-Ford, 2024-10-01 This book examines the impact of the African slave trade and colonialism on political civil economic social and environmental human rights Using multiple combined data sets the book demonstrates that many contemporary human rights issues stem from the impact of the African slave trade and subsequent colonialism as well as the disruption of economic and political development in colonies Unlike other books concerning human rights this book views contemporary human rights issues from both historical and sociological vantage points This important book will be of interest to students studying in courses covering human rights Africa and Africana studies and history comparative ethnic studies historical sociology and global studies of the African slave trade The Well-Being, Peer

Cultures and Rights of Children Loretta E. Bass, David A. Kinney, 2011-07-19 This volume is comprised of empirical research and theoretical papers about children s well being children and youth peer cultures and the rights of children and youth These empirical studies include children s voices and experiences from four continents and a range of methodological and theoretical orientations Child Labour in Global Society Paul Close, 2014-05-30 This book presents a novel study of

children s compulsory productive educational labour in modern and modernizing societies under globalization and the implications for such matters as children s everyday lives relationships and rights international legal instruments relevant analytical notions including slavery and sociological analysis *Changing Ethnicity* Zhitian Guo, 2019-07-10 This book investigates the changes in ethnicity in contemporary China by examining the Yi in Liangshan With a particular focus on cadres a seemingly highly politicized group this book tries to contribute to the discussion of ethnopolitics in China and the politicization of ethnicity This study categorizes cadres into three generations and discovers that for the veteran echelon ethnicity is related to an emotional expression for the second generation it is more about a political discourse and competitions and for the third generation it takes the form of symbolic ethnicity that resonates in everyday life Changing ethnicity of Yi is a miniature portrayal of the social development in China and demonstrates the interplay between ethnicity and ethnopolitics and how these interactions are expressed in people s everyday life The valuable context offered in this book for discussions about ethnicity in contemporary China will be of interest to China scholars ethnologists and political scientists
