

The Daughter Of The Manor

Walter Arthur Copinger

The Daughter Of The Manor:

The Daughter Of The Manor Betty Neels, Maoko Nagasaki, 2020-06-11 Leonora the only daughter of the esteemed Crosby family is stunned when she is introduced to James at a party. It is him the handsome man who took her breath away when she first saw him on an icy road. She had heard that a new doctor was coming to the village clinic but she never expected it to be this beautiful stranger. Leonora's nerves are frazzled and a slow heat starts to burn inside her whenever he turns his azure eyes toward her. Why is she feeling such never before experienced passion? She is supposed to focus on marrying her fiancé and supporting her struggling aristocratic family.

The Daughter of the Manor Betty Neels, 2001-01-05 It was deeply irritating to Leonora Crosby that she was always caught out in awkward moments by the new village doctor James Galbraith. It shouldn't have mattered she was engaged to Tony after all. But James proved a stalwart support as Leonora did her best to keep her parents decrepit but much loved manor house running smoothly. All this made her begin to doubt the wisdom of her engagement. But there was little point in admitting that she loved James when he showed so little sign of caring for her.
