Judge,2022-11-01 You ve always had the ideas for your novel Now you can do the work of writing it Write Your Novel One Day at a Time will help develop the processes to do the creative work of writing your novel I will show you the power of consistency by giving you a look at my daily word counts and journal entries through the six month

endeavor of writing my third novel while working my day job as a commercial litigator and raising a young family My writing has been twenty five years in the making and now includes four non fiction books and three novels All these books have been written in small chunks a few hundred words at a time because small increments are the only ones I have Through this book I will show you how showing up daily to do your creative work will help you deliver the book you want to write But I m not the only one who has had to juggle writing family and a career In Write Your Novel One Day at a Time I interview five successful writers who began writing their novels during their professional careers Through these interviews and my own experiences I will help you develop a blueprint for how you can get your creative work done I am not a guru who has all the answers I am a writer who is figuring things out as I go So as I learn on the fly I want to help flatten the learning curve and provide some encouragement for those of you who also aspire to write novels and get your words and your work into the world

I LOVE GOD, NOW WHAT? Book I Days 1 - 91 Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in

Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5-7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress
