The Dead Calm Of Peace The Missing Of The Bible

C. D. Williams

The Dead Calm Of Peace The Missing Of The Bible:

The Dead Calm of Peace C. D. Williams, 2004-06-01 The poet the pauper and the King In one person you may find all three David is the hero of this story The story tells how he arrives on a bolt of lightning to be transformed from his old life to a life that is quite opposite the one he was living just moments ago and the one he lived billions of years ago If David cannot change the people of the World in time to bring about lasting Peace then he will use the power given to him in death to bring about The Dead Calm of Peace **The Missing Peace** Sam Chan, An evangelistic book addressing the question of why if Christmas brings peace on earth our lives and world are so full of difficulty Peace on earth is a crucial part of the Christmas message and a reality we all love to experience But when we look around or listen to the news it seems like an empty promise Our world is not at peace and often our lives and relationships are not peaceful either In this short warm and down to earth book author and evangelist Sam Chan considers the question of peace Through relatable storytelling and engaging insights into the Christian faith and Christmas story Chan shows us how peace is possible despite the harsh realities of life in this world The Missing Peace is meant to be shared Give copies away at Christmas services church events or to family and friends who aren't following Jesus Christians will also enjoy this simple reminder that Jesus brings the peace we're all looking for The Missing Ending Moira Astin, 2024-09-30 The Ascension is a key Christian doctrine that receives very little

attention in the textbooks on Christian doctrine most widely used in ministerial training There are almost no books focusing solely on this topic and this dearth also affects those who preach at the Ascension a major feast day that concludes the Easter season and also at the Feast of Christ the King which concludes the Christian year and which has a central focus on the Ascension After more than twenty years of teaching ordinands and readers in training Moira Astin provides a comprehensive and readable book that also covers the required academic ground for those in training In straightforward language it considers the Ascension in the gospels in Paul's letters and in Hebrews and Revelation its heavenly and earthly meanings theological understandings over the centuries why the Ascension matters today its importance for understanding other key doctrines such as the incarnation and resurrection **The Great Texts of the Bible: II Corinthians and Galatians** James Hastings, 1913
