The Death Of King Philip

James Anderson

The Death Of King Philip:

The Death of King Philip Romulus Linney,1984-10 THE STORY Set in colonial America the play tells the story of Mary Rowlandson who is abducted with her baby son during an Indian uprising that left a dozen New England settlements in ruins At first we meet Mary as a woman of sixty recalling the momentous event of her youth then Mary at thirty appears and acts out the events themselves her capture by the Indian leader King Philip and the retribution exacted by her fanatical minister husband Joseph Rowlandson and the other settlers In a series of deftly written compelling scenes the irony of the situation in which the protagonists find themselves is made clear The noble dignified Indian leader is forced into savage acts of vengeance against his will while the God fearing Puritans despite the teachings of their church counter with equally terrible acts In the end King Philip accepting the inevitable lays down his arms and surrenders to his fate yet as the play so eloquently confirms the end result is not a matter of victory but rather of the sowing of the seeds of white racism which will bear bitter fruit in succeeding generations Some Contemporary Accounts of King Philip's Death Hamilton Bullock
