The Decimation Of America By Its Own Hand:

The Extincts: Quest for the Unicorn Horn (The Extincts #1) Scott Magoon, 2022-03-29 A team of extinct animals embark on top secret missions around the world in this new graphic novel series Meet Scratch Martie Lug and Quito members of a secret organization called R O A R or the Rescue Ops Acquisition Rangers When their boss Dr Z finally calls on them for their first big mission the team heads to Siberia to retrieve an ancient unicorn horn from the thawing permafrost Scratch is thrilled at the chance to prove his worth to Dr Z but as soon as they land the team runs into a mysterious enemy determined to take them down With exciting missions plenty of humor and an environmental angle this series starter from New York Times bestselling illustrator Scott Magoon is an action packed adventure from start to finish The book will also include nonfiction back matter about extinct animals climate change and what kids can do to help **Into Our Own Hands** Sandra Morgen, 2002 Recent history has witnessed a revolution in womens health care Beginning in the late 1960s women in communities across the United States challenged medical and male control over womens health Few people today realize the extent to which these grassroots efforts shifted power and responsibility from the medical establishment into womens hands as health care consumers providers and advocates Into Our Own Hands traces the womens health care movement in the United States Richly documented this study is based on more than a decade of research including interviews with leading activists documentary material from feminist health clinics and advocacy organizations a survey of womens health movement organizations in the early 1990s and ethnographic fieldwork Sandra Morgen focuses on the clinics born from this movement as well as how the movements encounters with organized medicine the state and ascendant neoconservative and neoliberal political forces of the 1970s to the 1980s shaped the confrontations and accomplishments in womens health care The book also explores the impact of political struggles over race and class within the movement organizations *Gangs in America's Communities* James C. Howell, Elizabeth Griffiths, 2018-02-08 *Gangs in America's Communities* is one of the most comprehensive treatments of gangs in the marketplace I highly recommend its adoption as you will not be disappointed and most importantly neither will your students Elvira White Lewis Texas A M University Commerce *Gangs in America's Communities* Third Edition blends theory with current research to help readers identify essential features associated with youth violence and gangs as well as apply strategies for gang control and prevention Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to theories of gang formation illustrate various ways of defining and classifying gangs and discuss national trends in gang presence and gang related violence across American cities They also offer evidence based strategies for positioning communities to prevent intervene and address gang activity New to the Third Edition A series of new case studies document the evolution of numerous gangs in large cities including the community aspect evolutionary nature and how cities influence levels of violence New discussions highlighting the role of social media insights into how gangs use it to recruit members and the response from law enforcement Current nationwide gang trends are

discussed to encourage readers to analyze and interpret the most recent statistics for which representative data is available Updated macro and micro gang theories enable readers to explore a recent encapsulation of leading developmental models New discussions around female gang members offer readers potentially effective programs for discouraging females from joining gangs along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women A comprehensive gang prevention intervention and suppression program in Multnomah County Oregon shows how theory was successfully applied to reduce gang activity in a local community New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang Additional discussion of distinguishing features e g typologies of major gangs and numerous examples of gang symbols tattoos and graffiti has been added to help readers identify and differentiate various types of gangs

Future Stories in the Global Heritage Industry Alia Yunis,Robert Parthesius,NiccolòAcram Cappelletto,2024-09-09 Future Stories in the Global Heritage Industry explores what happens to the heritage and memory of communities that find themselves in contact with the rest of the world when they become UNESCO World Heritage Sites Written by an interdisciplinary group of emerging scholars and heritage professionals connected to these sites through their own heritage this volume considers how a community can engage with a site s globalized importance while retaining its own sense of history Drawing on oral histories ethnographic methods film interviews and archival research the book adds to the discourse around Critical Heritage Studies It does so by putting theories into practice in selected heritage sites in Romania the UAE India Eritrea China Mozambique Tanzania and Malaysia The book also contributes toward the dismantlement of the many dichotomies imposed on heritage from the divisions between natural and cultural or tangible and intangible in the UNESCO Conventions and Eurocentric heritage practices Looking toward the future of the past the volume asks whether heritage can be objectively or equitably managed as it increasingly comes into conflict with issues around nation building climate change social class ethnicity religion and gender Future Stories in the Global Heritage Industry will be of great interest to academics and students engaged in the study of heritage sociology public history history international studies sociology and anthropology

Sephardim in the Americas Martin A. Cohen,Abraham J. Peck,2003-08-08 Multidisciplinary essays examinig the historical and cultural history of the Sephardic experience in the Americas from pre expulsion Spain to the modern era as recounted by some of the most outstanding interpreters of the field
