The Deputys Dilemma

William Michael Schmidli

The Deputys Dilemma:

The Moral Dilemmas of Fighting Terrorism and Guerrilla Groups Jean-François Caron, 2023-01-30 The Moral Dilemmas of Fighting Terrorism and Guerrilla Groups discusses the most important ethical dilemmas associated with the fight against terrorist organizations and guerilla groups by providing readers with a rigorous yet accessible analysis of how these forms of violence can be justified and how they ought to be fought by entities targeted by groups resorting to these strategies It will be valuable to anyone interested in understanding the main ethical questions associated with these forms of political violence and the way they can be addressed After providing conceptual clarifications that will allow the reader to distinguish between terrorism and guerrilla warfare it explains and discusses what the criteria are that can justify resorting to lethal violence on the part of the latter group as well as the criteria that can determine the identity of those who can legitimately be targeted by these groups The book analyzes when terrorists ought to be targeted and how this can be done focusing on the inherent problems associated with the solutions that are normally used against state actors in order to prevent attacks on their part namely what can be coined as non violent alternatives to war such as economic or diplomatic sanctions arm embargoes and non violent resistance and on the other hand preemptive attacks

The Depression Dilemmas of Rural Iowa, 1929-1933 Lisa L. Ossian, 2012-01-01 To many rural Iowans the stock market crash on New York s Wall Street in October 1929 seemed an event far removed from their lives even though the effects of the crash became all too real throughout the state From 1929 to 1933 the enthusiastic faith that most Iowans had in Iowan President Herbert Hoover was transformed into bitter disappointment with the federal government As a result Iowans directly questioned their leadership at the state county and community levels with a renewed spirit to salvage family farms demonstrating the uniqueness of Iowa s rural life Beginning with an overview of the state during 1929 Lisa L Ossian describes Iowa s particular rural dilemmas evoking through anecdotes and examples the economic nutritional familial cultural industrial criminal legal and political challenges that engaged the people of the state The following chapters analyze life during the early Depression new prescriptions for children s health creative housekeeping to stretch resources the use of farm playlets to communicate new information creatively and memorably the demise of the soft coal mining industry increased violence within the landscape and the movement to end Prohibition The challenges faced in the early Great Depression years between 1929 and 1933 encouraged resourcefulness rather than passivity creativity rather than resignation and community rather than hopelessness Of particular interest is the role of women within the rural landscape as much of the increased daily work fell to farm women during this time While the women addressed this work simply as making do Ossian shows that their resourcefulness entailed complex planning essential for families emotional and physical health Ossian s epilogue takes readers into the Iowa of today dominated by industrial agriculture and asks the reader to consider if this model that stemmed from Depression era innovation is sustainable Her rich rural history not only helps readers understand the particular forces at work that shaped

the social and physical landscape of the past but also traces how these landscapes have continued in various forms for almost eighty years into this century *Adventures in the Lives of Others: Ethical Dilemmas in Factual Filmmaking* James Quinn, 2015-09-21 Putting readers into the shoes of film and TV professionals *Adventures in the Lives of Others* is a gripping insider's account of ethics problem solving and decision making at the cutting edge of documentaries and factual television Both accessible and authoritative the book brings together a range of intimate candid accounts of the struggles involved in making documentary film and television from *Grey Gardens* and *Hoop Dreams* to *Man on Wire* *Super Size Me* and *Benefits Street* Contributors include legends of the documentary world eminent filmmakers at the top of their game emerging directors and producers and some of the world's most powerful and respected executives In specially commissioned pieces they explore the ethical dilemmas involved in uncovering secrets and breaking taboos accessing closed and dangerous worlds fighting injustice filming raw sex and violence documenting acts of evil and the many challenges of turning real life into compelling entertainment **China's Economic Dilemmas in the 1990s** The Joint Economic Committee, 2016-09-16 Most students of contemporary China are familiar with the Joint Economic Committee studies on China which have appeared periodically since 1967 This is the most recent study in the series released in April 1991 This volume follows the format of the previous studies offering a broad sweep of its subject matter The 50 chapters contributed by Chinese scholars in government universities and private research centres are divided into five major parts Each section begins with an overview which summarises and comments on the main points in each of the chapters The volume offers a detailed examination of China's economy and the political and social factors currently facing the leadership in Beijing **China's Economic Dilemmas in the 1990s** United States. Congress. Joint Economic Committee, 1992 *Costs and Benefits of Interdependence A Net Assessment* *Turkmenistan: Strategies of Power, Dilemmas of Development* Sebastien Peyrouse, 2015-02-12 This book is the first comprehensive introduction to contemporary Turkmenistan in English *Leading Improving Primary Schools , Dilemmas and Decision Making in Social Work* Abbi Jackson, 2025-02-28 *Dilemmas and Decision Making in Social Work* is a collection of stories to help social workers work with dilemmas weigh up options and make good decisions Told in the first person from the point of view of a social worker each case study begins with the service user's story and then applies relevant theory It demonstrates where workers have to think outside their own frames of reference and seek other's expertise how they work with barriers to collaboration with other professionals and how to handle disagreements Where fitting the emotional impact of the work is highlighted and how social workers deal with this In summary Starts with the human story and then considers which theory applies so very accessible to readers Demonstrates thinking in action Packed with succinct examples of real time challenges and how these have been tackled Full of reflective questions valuable to all social workers and supervisors regardless of experience This book helps students and new workers learn from experience of established workers firstly to gain insight into practice in areas they have no experience but primarily to help them

understand how decisions are made reflexively in the moment *Putin's Labor Dilemma* Stephen Crowley, 2021-07-15 In *Putin's Labor Dilemma* Stephen Crowley investigates how the fear of labor protest has inhibited substantial economic transformation in Russia. Putin boasts he has the backing of workers in the country's industrial heartland but as economic growth slows in Russia reviving the economy will require restructuring the country's industrial landscape. At the same time doing so threatens to generate protest and instability from a key regime constituency. However, continuing to prop up Russia's Soviet era workplaces, writes Crowley, could lead to declining wages and economic stagnation threatening protest and instability. Crowley explores the dynamics of a Russian labor market that generally avoids mass unemployment, the potentially explosive role of Russia's monotowns, conflicts generated by massive downsizing in Russia's Detroit, Toyota and the rapid politicization of the truck drivers movement. Labor protests currently show little sign of threatening Putin's hold on power but the manner in which they are being conducted point to substantial chronic problems that will be difficult to resolve. *Putin's Labor Dilemma* demonstrates that the Russian economy must either find new sources of economic growth or face stagnation. Either scenario, market reforms or economic stagnation, raises the possibility even probability of destabilizing social unrest.

The Fate of Freedom Elsewhere William Michael Schmidli, 2013-07-03 During the first quarter century of the Cold War upholding human rights was rarely a priority in U.S. policy toward Latin America. Seeking to protect U.S. national security, American policymakers quietly cultivated relations with politically ambitious Latin American militaries, a strategy clearly evident in the Ford administration's tacit support of state sanctioned terror in Argentina following the 1976 military coup. But by the mid 1970s however the blossoming human rights movement in the United States posed a serious threat to the maintenance of close U.S. ties to anticommunist right wing military regimes. The competition between cold warriors and human rights advocates culminated in a fierce struggle to define U.S. policy during the Jimmy Carter presidency. In *The Fate of Freedom Elsewhere* William Michael Schmidli argues that Argentina emerged as the defining test case of Carter's promise to bring human rights to the center of his administration's foreign policy. Entering the Oval Office at the height of the kidnapping, torture and murder of tens of thousands of Argentines by the military government, Carter set out to dramatically shift U.S. policy from subtle support to public condemnation of human rights violation. But could the administration elicit human rights improvements in the face of a zealous military dictatorship rising Cold War tension and domestic political opposition? By grappling with the disparate actors engaged in the struggle over human rights including civil rights activists, second wave feminists, chicano activists, religious progressives, members of the New Right, conservative cold warriors and business leaders, Schmidli utilizes unique interviews with U.S. and Argentine actors as well as newly declassified archives to offer a telling analysis of the rise, efficacy and limits of human rights in shaping U.S. foreign policy in the Cold War.

This is likewise one of the factors by obtaining the soft documents of this **The Deputys Dilemma** by online. You might not require more time to spend to go to the books instigation as skillfully as search for them. In some cases, you likewise get not discover the message The Deputys Dilemma that you are looking for. It will definitely squander the time.

However below, past you visit this web page, it will be thus extremely easy to get as competently as download lead The Deputys Dilemma
