The Description Of Britain

Charles Bertram

The Description Of Britain:

The Description of Britain, Translated from Richard of Cirencester Charles Bertram, 2010-07-01 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

The Description of Britain Charles Bertram, 2023-07-18 Bertram's book is a fascinating look at the geography history and culture of Britain Originally published in the 18th century this edition includes updated maps and illustrations Bertram's keen eye for detail and his love of his subject shine through on every page This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
