technical repertoire of the industry challenged the sexual mores of the times and notoriously tried the patience of management at Paramount Studios Sternberg and Dietrich *The Phenomenology of Spectacle* demonstrates how under Sternberg's direction Paramount's sound stages became laboratories for novel thought experiments Analysing in depth the last four films on which Sternberg and Dietrich worked together Phillips reconstructs the cinematic philosophy that Sternberg claimed for himself in his autobiography and for whose fullest expression Dietrich was indispensable This book makes a case for the originality and perceptiveness with which these films treat such issues as the nature of trust the status of appearance the standing of women the ethics and politics of the image and the relationship between cinema and the world Sternberg and Dietrich *The Phenomenology of Spectacle* reveals that more is at stake in these films than the showcasing of a new star and the confectionery of glamour Dietrich emerges here as a woman who is at ease in the world without being at home in it an image of autonomy whose critical potential has yet to be realized let alone exhausted *The Devil Is a Father, Too* Sahle Amaklech Sahle, Amaklech Sahle, 2010-05 *The Devil is a Father Too* is birthed out of a series of dreams the Lord began to give me allowing me to experience the unseen world Divinely set up visitation of the Spirit realm and the encounter of the truth some I refer to as a sneak preview of the supernatural realm By which the Lord displayed the undeniable power of His word giving me a deeper understanding and knowledge of the truth that absolutely set me free and transformed my life forever Often times the Lord uses the mess of our life into a life time message to demonstrate and disclose His power and reach out to mankind This revealed truth has consequently birthed a passion and pursuit of purpose that inspired me to share in this book The father you submit to has full power to control you While the final choice and the decision is left up to you but the choice and the decision you make has a very serious and eternal consequences Therefore this book is inspired by the Holy Spirit to give you insight into the Truth so you make the right choice from the standpoint of understanding and knowledge of the truth **Hearing Death at the Movies** Alex Ludwig, 2025-04-30 *The Dies Irae* is a melody that composers of film music have employed in hundreds of films ranging from *Metropolis* to *The Shining* and *Star Wars* It is a product of more than 800 years of musical transformation finding purchase in a variety of musical environments including the church the concert hall and the cinema Based on a corpus of nearly 300 films *Hearing Death At the Movies* models two new ways of thinking about the *Dies Irae* First it identifies three different versions of the melody each of which signifies a different function of film music Second it traces the semantic shift of the *Dies Irae* from its religious roots to its secular perception as a symbol of death This study of the most widely used theme in film music history will change how you listen to movies
