The Devoted Life An Invitation To The Puritan Classics

Kelly M. Kopic, Randall C. Gleason

The Devoted Life An Invitation To The Puritan Classics:

The Devoted Life Kelly M. Kapic, Randall C. Gleason, 2004 The Puritans are frequently maligned but seldom understood Far from the dour malcontents they are often portrayed to be most Puritans were wholesomely engaged in life This book is designed to introduce you to a wide range of influential Puritan writers and a representative work for each that pushes through stereotypes to the heart and soul of these Christian pastors and theologians With a clear grasp of the historical contexts in which these Puritan works were written these twenty essays presented by editors Kelly M Kapic and Randall C Gleason illuminate the vibrant spirituality of the Puritans that transcend their sometimes surprising political ecclesiastical and religious differences In these pages notable scholars such as J I Packer John Coffey Mark Noll Leland Ryken Richard Lovelace and Sinclair Ferguson invite you to sit at the feet of Puritan writers ranging from William Ames William Perkins and Richard Sibbes to Thomas Goodwin John Milton Richard Baxter John Bunyan and Jonathan Edwards What comes through is a living three dimensional portrait of the devoted life that emphasizes the Christian experience of communion with God corporate revival biblical preaching and the sanctifying working of God s Holy Spirit *Soul Recreation* Tom Schwanda, 2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian s intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition **Thriving in Grace** Joel R. Beeke, Brian G. Hedges, 2020-05-29 Using the Puritan writings judiciously Joel R Beeke and Brian G Hedges provide twelve fascinating chapters on how the Puritans help us in a variety of ways such as shaping our lives by the Scriptures convicting our consciences of the subtlety and sinfulness of sin opening for us the beauty and loveliness of Christ and much more Let this book transform your daily Christian life and move you to read the Puritan treasures for yourself Table of Contents 1 The Puritans Shape Our Lives by the Authoritative Scriptures 2 The Puritans Lift Our Gaze to the Greatness and Glory of Our Triune God 3 The Puritans Convict Our Consciences of the Subtlety and Sinfulness of Sin 4 The Puritans Open Our Eyes to the Beauty and Loveliness of Christ 5 The Puritans Liberate Our Hearts with the Freedom and Power of Grace 6 The Puritans Engage Our Wills in the Practical Pursuit of Holiness 7 The

Puritans Equip the Saints in the Battle against the World the Flesh and the Devil 8 The Puritans Inspire Our Hearts to Seek God's Face in Prayer 9 The Puritans Sustain Us in Suffering with the Sovereign Providence of God 10 The Puritans Search Our Souls with Profound Psychological Insight 11 The Puritans Set Our Sights on Eternal Realities 12 The Puritans Fill Us with Sacrificial Zeal for God and His Truth Conclusion Reading the Puritans **The Foundation of Joy** Jeff

Strickland, 2025-04-21 The Puritans have been depicted as killjoys whose teachings on assurance of salvation and self-examination bred anxiety and despair But is that really the case In *The Foundation of Joy* Jeff Strickland investigates the link between John Flavel's understanding of assurance and his pursuit of joy After explaining Flavel's approach to assurance and how it actually provides a foundation for joy Strickland demonstrates how Flavel expresses these in the key areas of looking to Christ discerning the Spirit obeying the law keeping the heart and carrying the cross Joy is the hallmark of Flavel's spirituality a fine example of what it means to cultivate a cheerfulness of heart founded on a sense of one's interest in Christ

The Spiritual Brotherhood Paul Schaefer, 2011-01-01 During the late sixteenth and early seventeenth centuries a spiritual brotherhood formed among the Puritans shaped by the reforming activity and training of Cambridge These pastor-theologians initiated a new emphasis within the established church stirring up a greater understanding of the Reformation doctrines of grace and preaching for conversion and Christian growth and piety In this study Paul Schaefer looks at six thinkers in this group who stand out because each was used as the human vehicle to bring the gospel to the next William Perkins Paul Baynes Richard Sibbes John Cotton John Preston and Thomas Shepard By examining their teaching on the relation between man's depraved nature and sovereign grace as well as the distinct but inseparable relation of justification and sanctification Schaefer demonstrates how the Puritan movement came to focus most intently on the cultivation of Reformed piety within the church Table of Contents 1 Knowing the Times The Spiritual Brotherhood and Its Puritanism in Its Cultural Intellectual and Social Contexts 2 William Perkins The Good Fight of the Heart Redeemed 3 Paul Baynes Ministering to the Heart Set Free 4 Richard Sibbes The Union of the Heart with Christ 5 John Preston The Triumph of Grace on the Inclinations of the Heart 6 An American Epilogue Looking at Sola Gratia from Differing Angles Cotton and Shepard and Massachusetts's Antinomian Controversy Appendix Orthodoxies in Massachusetts **Jonathan Edwards's Bible** Stephen

R. C. Nichols, 2013-08-21 New England colonial pastor and theologian Jonathan Edwards 1703-58 was well aware of the threat that Deist philosophy posed to the unity of the Bible as Christian Scriptures yet remarkably his own theology of the Bible has never before been examined In the context of his entire corpus this study pays particular attention to the detailed notes Edwards left for *The Harmony of the Old and New Testament* a great work hitherto largely ignored by scholars Following examination of his *Harmony* notes a case study of salvation in the Old Testament challenges the current dispositional account of Edwards's soteriology and argues instead that the colonial Reformed theologian held there to be one object of saving faith in Old and New Testaments namely Christ Theology and Spirituality in the Works of Samuel Davies

Joseph C. Harrod, 2019-06-17 From his death in 1761 through the American Civil War Samuel Davies was a recognized name among American Presbyterians yet for more than a century he has remained far more obscure in discussions of American religion During the mid Eighteenth Century New Side Presbyterian evangelist and preacher Samuel Davies was a pioneer for religious toleration in Colonial America yet to date no single work has examined Davies vision for the interior life *Theology and Spirituality in the Works of Samuel Davies* is the first monograph length analysis of Davies conception of Christian spirituality After a decade of pastoral ministry to congregations in Virginia Davies followed eminent American theologian Jonathan Edwards as the fourth President of the College of New Jersey Princeton University a tenure cut short by his early death at age thirty seven J C Harrod examines various aspects of Davies own personal piety as well as the place that Scripture conversion holiness and the means of grace played in his formulation of Christian piety *Baptist Theology*

Stephen R. Holmes, 2012-04-26 This book considers the distinctive ideas and expressions of Christian faith to be found in the historic Baptist churches An outline of the history of the Baptist movement will be offered from its British beginnings in Amsterdam in 1609 through its varied developments in Britain Europe and North America to its worldwide presence and diversity today and its relationship to many other churches with apparently similar practices Pentecostal and new churches e g Holmes draws the various threads together noting the real diversities in the history of Baptist theology but suggesting that in a vision of the present and urgent Lordship of Christ experienced in the local congregation there is a thread that links most of these distinctives **Theology as Retrieval** W. David Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive employ and transmit the treasures of their past **Communion with God** Kelly M. Kopic, 2024-09-03 The recent resurgence of interest in the Puritan John Owen has resulted in increasing requests for Kelly Kopic s *Communion with God* which was one of the books that helped foster renewed attention on this classic theologian This book is now back in print with a new preface by the author According to Kopic a variety of people today are rediscovering Owen including academic theologians ministers from different denominational backgrounds and laypeople interested in classic forms of spirituality With this diverse audience in mind Kopic focuses on the concept of communion with God in Owen s thought covering key areas such as anthropology Christology trinitarian studies and the Lord s supper Kopic shows that Owen remains a rich dialogue partner for those engaged both in contemporary theology and pastoral practice
