Roberts, 1997 Adam and Eve examine the humorous relationship between men and women by presenting their diary entries from their stay in the Garden of Eden and their life together outside the Garden **The Diaries of Adam and Eve** / ￼￼￼￼￼￼ Mark Twain, 2023-10-18 she says they weren't apples but instead that they were chestnuts I said I was innocent since I had not eaten any chestnuts but the Serpent informed her that chestnut could

also have a figurative meaning she says a chestnut can be an aged and mouldy joke I turned pale at this definition because I have made many jokes to pass the weary time and some of them my jokes could have been of the chestnut variety but I had honestly supposed that they were new jokes when I made them She asked me if I had made any jokes just at the time of the catastrophe I was obliged to admit that I had made a joke to myself although I did not make the joke aloud this was the joke I was thinking to myself I was thinking about the waterfalls How wonderful it is to see that vast body of water tumble down there Then in an instant a bright thought flashed into my head It would be a great deal more wonderful to see the water tumble up the waterfall I was just about to die from laughing when all nature broke loose

The Diary of Adam and Eve Mark Twain, 2002 Written in diary form this is an ingenious witty and ultimately delightful retelling of the dawn of human creation with many a grain of truth for today's gender disputes
