The Diaries Of Sophia Tolstoy:

The Diaries of Sofia Tolstaya Sof'iā Andreevna Tolstaiā, 1985

The Diaries of Sofia Tolstoy Cathy

Porter, 2010-09-07 A testament to a great spirit a woman who lived in terrifying proximity to one of the greatest writers of all time and who understood exactly the high price she would have to pay for this privilege Jay Parini author of *The Last Station* Translated by Cathy Porter and with an introduction by Nobel Laureate Doris Lessing *The Diaries of Sofia Tolstoy* chronicles in extraordinary detail the diarist's remarkable marriage to the legendary man of letters Count Leo Tolstoy author of *War and Peace* and *Anna Karenina* Set against the backdrop of Russia's turbulent history at the turn of the 20th century *The Diaries of Sofia Tolstoy* offers a fascinating look at a remarkable era a complicated artist and the extraordinary woman who stood at his side

The Diaries of Sofia Tolstoy, 1985

The Diaries of Sofia Tolstoy Sofia Tolstoy, 2010 When Sofia Behrs married

Count Leo Tolstoy the author of *War and Peace* husband and wife regularly exchanged diaries covering the years from 1862 to 1910 This edition contains a foreword by Doris Lessing

Sophia Tolstoy Alexandra Popoff, 2010-05-11 As Leo Tolstoy's wife Sophia Tolstoy experienced both glory and condemnation during their forty-eight year marriage She was admired as the muse and literary assistant to one of the world's most celebrated novelists But when in later years Tolstoy became a towering public figure and founded a new brand of religion she was scorned for her disagreements with him And it is this version of Sophia malicious shrill perennially at war with Tolstoy that has gone down in the historical record Drawing on newly available archival material including Sophia's unpublished memoir Alexandra Popoff presents a dramatically different and accurate portrait of the woman and the marriage This lively well researched biography demonstrates that contrary to popular belief Sophia was remarkably supportive of Tolstoy and was in fact key to his fame Gifted and versatile Sophia assisted Tolstoy during the writing of *War and Peace* and *Anna Karenina* Having modeled his most memorable female characters on her Tolstoy admired his wife's boundless energy which he called the force of life Sophia's letters never before translated illuminate the couple's true relationship and provide insights into Tolstoy's creative laboratory Although long portrayed as an elitist and hysterical countess Sophia was in reality a practical independent minded generous and talented woman who shared Tolstoy's important values and his capacity for work Mother of thirteen she participated in Tolstoy's causes and managed all business affairs Popoff describes in haunting detail the intrusion into their marriage by Tolstoy's religious disciple Vladimir Chertkov who controlled Tolstoy at the end of his life and led a smear campaign against Sophia branding her evil and mad She is still judged by Chertkov's false accounts which dismissed her valuable achievements and contributions During his later religious phase Tolstoy renounced his property and copyright and Sophia had to become the breadwinner She published Tolstoy's collected works and supported their large family Despite the pressures of her demanding life she realized her own talents as a writer photographer translator and aspiring artist This vigorous engrossing biography presents in fascinating depth and detail the many ways in which Sophia Tolstoy enriched the life and work of one

of the world's most revered authors **The Wives** Alexandra Popoff, 2021-11-15 Many readers may know that such writers as F Scott Fitzgerald James Joyce and D H Lawrence used their marriages for literary inspiration and material In Russian literary marriages these women did not resent taking a secondary position although to call their position secondary does not do justice to the vital role these women played in the creation of some of the greatest literary works in history From Sofia Tolstoy to Vera Nabokov and Elena Mandelshtam and Natalya Solzhenitsyn these women ranged from stenographers and typists to editors researchers translators and even publishers Living under restrictive regimes many of these women battled censorship and preserved the writers illicit archives often risking their own lives to do so They established a tradition all their own unmatched in the West Many of these women like Vera and Sofia were the writers intellectual companions and willingly contributed to the creative process they commonly used the word *we* to describe the progress of their husbands work And their husbands knew it too Leo Tolstoy made no secret of Sofia's involvement in *War and Peace* and Vladimir Nabokov referred to Vera as his own single shadow Song Without Words Sof'iia Andreevna Tolstaiia, Leah Bendavid-Val, 2007 In a first ever publishing event the remarkable photography and writings of Countess Sophia Tolstoy reveal the unfolding of her life with her famous husband and evocatively portray a glittering world that soon would fade away 120 photographs **The Diaries of Leo Tolstoy** graf Leo Tolstoy, 1917 Sofia Tolstaya, the Author Andrew Donskov, 2022-02-22 Dealing with the most topical questions of the time Sofia Tolstaya's artistic works from parables to short stories novellas and memoirs show deep insights into the social context of nineteenth century Russia In his lengthy review of *My Life* along with other Tolstaya publications in *Canadian Slavonic Papers* the eminent Tolstoy scholar Hugh McLean 2011 laments the fact that it has taken so long almost a century after her death to focus academic attention on Sofia Tolstaya and that there has been no unified publication of her works scattered as they are among dated journals or not published at all This book aims to help fill this lacuna by offering a critical introduction to her literary output as a writer in her own right and presenting for the first time an anthology of her main artistic works some in fresh English translation and others never translated before **Loss, A Love Story** Sophie Ratcliffe, 2024-04-15 A journey with the novels that shape our emotions our romances and ourselves Part memoir part imagined history this unique personal essay depicts the intimate experience of childhood bereavement lost love affairs and the complicated realities of motherhood and marriage Framed by an extended train journey author Sophie Ratcliffe turns to the novels novelists and heroines who have shaped her emotional and romantic landscapes She transports us with her to survey the messiness of everyday life all while reflecting on steam propulsion and pop songs handbags and honeymoons Anna Karenina and Anthony Trollope former lovers and forgotten muses Frank funny tender and transporting *Loss A Love Story* asks why we fall in and out of love and how we might understand doing so amid the ongoing upheavals and unwritten futures of the twenty first century
